Dear Parents and Carers,

At Brampton Primary, every week, each class is taught a PSHE (Personal, Social and Health Education) lesson. The PSHE lessons are based on the Jigsaw scheme of work and adapted for the children here at Brampton. There is a different topic each half term. In Autumn 2, all of the classes from Reception to Year 6 will be looking at the topic: **Celebrating Difference**.

Parents and carers are given information about these lessons so that they can:

1. talk to their child at home about the learning that has taken place in school and
2. seek further information from the school if they have any questions around the content of the activities.

These are the objectives being covered in Year 2 in Autumn 2:

PSHE and Citizenship Objectives	**Friday Achievement Assembly Certificates**
• I am starting to understand that sometimes people make assumptions about boys and girls (stereotypes). • I understand that bullying is sometimes about difference. • I can recognise what is right and wrong and know how to look after myself. • I know some ways to make new friends. • I can tell you some ways I am different from my friends.	**Week 1** This week we are celebrating people who accept that everyone is different. **Week 2** This week we are celebrating people who include others when working and playing. **Week 3** This week we are celebrating people who know how to help if someone is being bullied. **Week 4** This week we are celebrating people who try to solve problems. **Week 5** This week we are celebrating people who try to use kind words. **Week 6** This week we are celebrating people who know how to give and receive compliments.
Emotional Literacy/Social Skills	
• I understand some ways in which boys and girls are similar and feel good about this. • I understand some ways in which boys and girls are different and accept that this is ok. • I can tell you how someone who is bullied feels. • I can be kind to children who are bullied. • I know when and how to stand up for myself and others. • I know how to get help if I am being bullied. • I know how it feels to be a friend and have a friend.

If you would like any further information or would like to discuss these objectives in more detail, please do not hesitate to speak to your class teacher, to the PSHE subject leader – Ms Akram (Y6 Chile class) or to me.

Yours faithfully,
