Parent Volunteers

Dear Parents/Carers,

I hope this letter finds you well.

As we strive to create a supportive and enriching educational environment for our students at Brampton Primary, we recognize the invaluable role that parent volunteers play in enhancing our school community. Your active involvement not only fosters a sense of belonging but also contributes to the overall success of our school.

We are now recruiting parent volunteers to support our school. Your support, time, and unique skills are essential in achieving our goals. Whether you have volunteered in the past or new to the idea, there are numerous ways you can get involved to benefit both our students and our school.

Here are some of the many areas where your contributions can make a difference:

1. **Classroom Assistance**: Assist teachers in various subject areas, reading, or special projects. Your support can provide a personalized learning experience for our students.
2. **Education visits and Trips**: Support teachers on educational visits and trips to increase adult to child ratios.
3. **Parent-Teacher Association (PTA)**: Participate in the PTA, where your ideas and insights can help shape the future of our school.
4. **Parent Workshops**: Lead or assist with informative workshops on various topics to benefit our parents and students.
5. **Special Skills**: Share your hobbies, talents, or professional skills by conducting workshops or activities that enrich our students' learning experience.
6. **Displays:** Share your artistic skills and create striking displays around the school.
7. **Running an afterschool club**: Lead or coach an afterschool club.

Confidentiality

Whilst you are working in school you may become aware of confidential information about our children. Confidentiality is vital to building trust between parents, staff and children. Confidentiality protects you, it protects the child and their family; it gives peace of mind to all parents and it also maintains the professionalism of the school. Please respect this. It is unacceptable to discuss anything relating to individual members of staff or children outside school.

All volunteers are required to complete a short application form, have a full enhanced DBS check and provide two references. Please do come and speak to us if you would like more information around the type of reference required or if you have any questions.

Remember that volunteering can be as flexible as your schedule allows. Whether you can dedicate a few hours a week or a few hours a year, every contribution is valued and meaningful.

We believe that when parents are actively involved in their child's education, it fosters a sense of community, mutual support, and shared responsibility. As parents, you are vital partners in the education of our students, and your involvement contributes to their overall success and well-being.
