## Summer 2

**Dear Parents / Carers:**

Welcome back to the last term of the academic year.

This really is a crucial time in year three as we, the children and adults, strive to ensure as much progress as possible is made.

Pupil progress before the holiday showed very positive results and we look forward to achieving even more.

The expectations have been raised as we want the children to ensure they are doing their very best in all lessons by doing the following:

- Active participation
- Listening and thinking
- Answering and asking questions
- Taking part in class discussions
- Having pride in their work
- Having pride in the presentation of their work
- Responding to marking challenges that are set
- Being reflective so that they act on advice given through marking
- Being the best learner they can be

We look forward to seeing the impact this has on the children's work in their books.

Please continue to read with your child daily and ensure that they always arrive to school with all their resources.

Kind regards,

Year 3 teachers
