#### **Primary Sports Premium Government Funding**

The government is providing £150 million per annum for the academic years 2013-2014 and 2014-2015 to provide new substantial primary school sport funding.

The funding is being jointly provided by Departments for Education; Health; and Culture, Media and Sport.

Money is going directly to primary school Head teachers to spend on improving the quality of Sport and PE for all children in school.

#### **Ofsted**

Schools will be accountable for how they spend the sport funding. Ofsted will strengthen its coverage of sport and PE, so that all schools know how sports and PE will be assessed in the future as part of the school's overall provision.

One year on, Ofsted will carry out a survey reporting on the first year's expenditure and its impact on primary PE.

##### **Additional PE Staff**

As we are an extremely large school, the additional funding has been used to employ another PE specialist teacher so that all pupils are able to access high-

quality PE lessons in school. Adding another PE specialist will also help support classroom teachers in the delivery of their PE lessons. The addition of another PE teacher has also impacted on the following areas:

### **Extra-Curricular Clubs**

It allows for a range of new extra-curricular clubs, run not only after school but at lunchtimes and mornings to cater for the wide ranging interests and needs of our pupils. The added PE specialist has been timetabled to run lunchtime clubs during the week to target key groups of pupils.

Funding has also been greatly beneficial in being able to subsidise judo club lessons so pupils who may not have the opportunity to be exposed to a sport like this are able to afford the fees.

### **Langdon School Sports Partnership**

Additional funding has also helped us continue to be part of the Langdon School Sports Partnership.

As most competitions fall on a Thursday, we are able to release one of the PE teachers to take a team to compete without pupils at school missing out on their PE lessons with a PE specialist.

### **Early Years & KS1**

Having an additional PE specialist has allowed the opportunity to give pupils in the early years' exposure to specialist PE-based lessons on top of their Physical Development activities.

The impact of this funding will be assessed throughout the year.
