Wednesday, 18th March 2020

Dear Parents/Carers,

Thank you all for your continued support during this unprecedented period. It is very much appreciated by all staff.

Clubs and Boosters

I have decided that to further minimise non-urgent social contact, and hopefully add a further layer of protection for children and staff, all morning and afternoon clubs and booster classes are to be cancelled. Today will be the last day until further notice.

Breakfast Club and After-School Care will continue as normal for the time being, but I urge parents to only use these facilities as a last resort.

Possible Closure Plans

If the school has to close, we will be giving the children home-learning packs so they have continuity in their education. There will also be a comprehensive list of online learning platforms which they will be expected to access daily. Your child's class teacher will monitor these websites (Bug Club, MyMaths, Times Tables Rock Stars, Numbots etc.) to ensure children are keeping up to date with their learning.

There will be a central email for each year group so you will be able to contact teachers if you need to. To ensure that teachers are able to manage the workload they will have, they will only respond to emails that arrive between 9:00am and 10:30am during the teaching day – not weekends or the Easter break. Try to keep emails concise and only about your child's learning. The email addresses will soon be available on the school website.

Information that relates to the whole-school will be sent by text/email and the Expressions App by me and we will update the school website with relevant news.

If your child is not currently attending school, you will need to collect their home-learning pack from the school office.

We will give further details as soon as we know.

Yours faithfully,

Mr Kevin Reid
Headteacher
