

Year 1 Learning Activities

Week Beginning: 06.04.20 & 13.04.20

Have a look at the following activities. Why not try some of them out and record your learning in your exercise book? You could send a photograph of your work to your teacher at year1@brampton.newham.sch.uk

- Make a story den from items in the house e.g. sheets, pillows, chairs, pegs etc. and read some stories with your family inside it.
- Treasure Chest Numbers – Hide items in the house/garden with numbers on them to 20 or higher. Encourage your child to find the numbers and then place them in order.
- Research the Easter story and create an Easter card.
- Go on a technology hunt around the house and write a list of all the things that use batteries or electricity.
- Create a rainbow using any materials that you have and place it in your window to show that we support the NHS.
- Find a photograph or picture and use the sketching techniques we were learning about to sketch it (Hatching, Cross Hatching, Stippling, Smudging).
- Go on an Easter Egg/Treat hunt.
- If you enjoy art and RE, then why not enter the competition below:

<https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2020/>

The themes include:

- God's good earth?
- Inspiring!
- Holy Words!
- Where is God?
- Picturing Faith
