

# Year 1 Learning Activities

Week Beginning: 27.04.20

Have a look at the following activities. Why not try some of them out and record your learning in your exercise book? You could send a photograph of your work to your teacher at [year1@brampton.newham.sch.uk](mailto:year1@brampton.newham.sch.uk).

- Find a mirror in the house:
  - What can you see?
  - Imagine if you were able to walk into the mirror. What do you think you would see?
  - Listen to the story 'Through the Magic Mirror' by Anthony Browne on YouTube.
  - Look at the illustrations in the book and discuss what is different.
  - Create your own story similar to 'Through the Mirror'.
  - Draw a story map to plan out your story.
  - Use your story map to create your story and remember to think about your illustrations.
  
- Create your own shape/colour repeating pattern.
  
- Keep a diary titled 'What is growing in your garden?'
  
- Go on a treasure hunt, hide your favourite toy and then write down a set of clues for your family to help them find the toy.
  
- Design a personal coat of arms shield for the family.
  - Find out what a coat of arms shield is.
  - Think about your design. What could you draw? What does it mean to you?
  - Think about what colours and shapes you will use.
  
- Practise spelling these common exception words.
  - Use the method 'Look, Say, Cover, Write. Check'
