

Hi Cuba class,

We are going to have a quick phonics session to show the grown-ups how clever you are.

If you could find one object that starts with the sound 'C' and bring it to the Zoom meeting on Monday that would be great!

Hope to see you then,

Ms Barbara

P.S. Here are a few ideas:

- Cup
- Cake
- Car
- Can
- Cucumber

Have a look in your toy box and see what you can find.
