

## Ms Barbara's Pattern Challenge

Dear Nursery,

I have been very interested in looking at patterns this week. I would like to see how many different patterns you could make at home.

Have a look at some of the patterns I made:

Why not make a pattern and ask an adult email it to the nursery email address? I would really like to see them!

Here are some tips for making a pattern:

- Try using two, three or even four different objects or colours.
- Remember, the pattern does not always have to be a straight line.
- Patterns do not just have to be made up of colours.

I would like to display all of your wonderful patterns when we are back in nursery, so get creating! And remember, ask your parents and carers to send photos of your patterns to the nursery email address:

[nursery@brampton.newham.sch.uk](mailto:nursery@brampton.newham.sch.uk).

Have fun!

Best Wishes,

Ms Barbara
