

Hello Everyone,

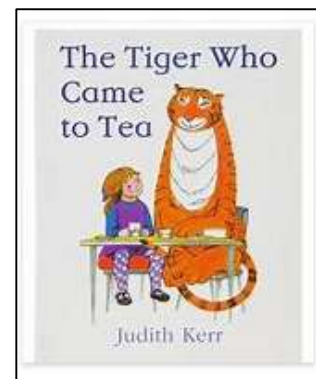

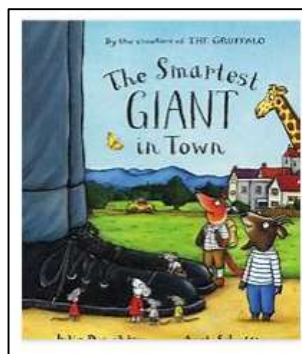

It was lovely to speak to some of you this week. I hope we can see more friends next week in our Zoom meeting.

I have been busy this week making animal puppets. I used the cardboard from kitchen and toilet rolls and painted them to look like different animals.

Can you also make your own animal puppet? Maybe you could make a character from your favourite story.

For example, the mouse, snake, owl, fox or Gruffalo from the Gruffalo story or the tiger from the Tiger Who Came to Tea story.

I would really enjoy seeing them when we meet on Zoom next Monday.

Have fun and stay well!

Best wishes,

Ms Barbara
