

Hello Nursery children,

I am busy preparing for my VE day celebration on Friday. I will be having a lovely tea party, with homemade decorations. Why don't you join me?

Before Friday:

- Find out about VE day on the Discovery Education website.
- Make some red, white and blue bunting from paper and string.
- Make a Union Flag (the national flag of the United Kingdom).
- Make some place cards for your family members.

On Friday - prepare for your tea party. Here are a few ideas:

- Make some cucumber sandwiches.
- Make some red, white and blue cupcakes.
- Or VE day biscuits <https://thehappyfoodie.co.uk/recipes/fork-biscuits>
- Make some homemade lemonade - <https://www.bbcgoodfood.com/recipes/really-easy-lemonade>

Have fun,
Stay well,
Ms Barbara
