

Year 1 Learning Activities

Week Beginning: 04.05.20

Have a look at the following activities. Why not try some of them out and record your learning in your exercise book? You could send a photograph of your work to your teacher at year1@brampton.newham.sch.uk.

- Bake something each week and write down the recipe to create your own recipe book.
- Create an obstacle course from items in the house e.g. pillow, duvets, chairs, toys etc.
- Make puppets of your favourite story characters and use them to retell the story.
- Create an individual passport to show your own information about where you live.
 - Discuss the use of a passport.
 - What is a passport?
 - What information does it contain?
 - What does a passport allow you to do?
 - Can you find a real-life passport? Do you have one?
- Practise counting in 2's, 5's and 10's.
- Read a non-fiction book.
 - What was your book about?
 - What facts or information did you learn?
- 'Guess My Shape' Game
 - Place some 2D and 3D shapes into a bag. You can use cut out shapes or real-life objects.
 - You will need a partner to play this game.
 - Stand back to back with your partner.
 - Partner 1 describes the shape using its properties and Partner 2 guesses the shape.
 - Remember 2D shapes have sides and vertices/corners and 3D shapes have faces, edges and vertices.
