

Bee-Bot Buzzy Challenge

Design Brief:

The Beebots love travelling to different places and want to have adventures. They need your help!

Task: Design a new place they can visit.

Things to think about...

How wide does your road need to be?

What places could they visit?

What will you have that will make the Bee-Bots want to visit again?

Materials you can use:

- Art pencils
- Coloured felts
- Crayons
- Paints
- Junk modelling materials

Have a great time designing!
