

Mixed Story: Art Activities

Hello everyone,

Thank you for attending the story time session. You were all fantastic!

Please find below the activities and links to the videos for the activities I demonstrated for you.

Coloured Water Mixing

Resources

- Food colouring (red, blue, yellow)
- Clear glasses or containers
- Water

Method

Place water and food colouring in 3 separate containers. Allow the children to explore mixing two different colours together into separate containers. The coloured water can then be used to paint on white paper.

PLEASE NOTE: YOU MUST WEAR OLD CLOTHES, FOOD COLOURING WILL STAIN YOUR CLOTHES

Playdough Mixing

Make 3 different colours of play dough by adding food colouring to the dough, do this with your children, they will enjoy the process (see recipe below).

Allow the children to explore mixing two different colours of dough together to make a new secondary colour. You will need:

- 1 cup of plain flour
- 1 cup of water
- 1 tablespoon of cooking oil
- 2 teaspoons of cream of tartar
- Half a cup of salt
- Food colouring (optional)

Colour Wheel

Resources

- Paper
- Paints: red, blue, yellow
- Paintbrush
- A plate for mixing the colours
- Water (for washing your brush)
- Kitchen roll (optional)
- Rule and pencil

Colour Spinner

Resources

- Card
- A cup (to draw around)
- Coloured pens or pencils
- Cocktail stick or something pointy to make the holes
- String

Table Top Spinners

Resources

- Card
- Paint, pens or pencils
- Cocktail stick or a penny
- Blu Tack

Art Work in the Style of the Mixed Story

Use a black pen or pencil to draw your buildings or background. Use the paint you mixed earlier to make finger prints. These finger prints will become the people. You can add legs, hands and eyes, ears and a mouth. You could also use the food colouring water to add a little colour.

Colour Spoon Mixing

(adult supervision advised)

Resources

- 3 Transparent spoons
- Red, blue, yellow Sharpie pens (permanent markers)

Method

Colour each spoon a different colour. Place the spoons on top of each other to see how the colours mix.

I hope you enjoy the activities. I would love to see what you have decided to make in our next Zoom call.

See you next week!

Ms Barbara
