

Gruffalo Activities

Hello Cuba class! Here are the activities I promised for the Gruffalo story...

Gruffalo Head Band

You will need:

- Thin card board (an old cereal box works well)
- Paint/pens or pencils
- Scissors
- Tape/glue

1. Open the cereal box and cut a strip long enough to fit around your head.
2. Cut out eyes, a nose, ears, tusks and ears from the remaining card from the cereal box.
3. Colour/decorate the strip and pieces.
4. Stick all the pieces together.
5. Ask an adult to help to make measure the head band so it fits your head.

2D Shape Characters

Cut out shapes and assemble the pieces to make the different characters of the story below:

Triangles for the Fox

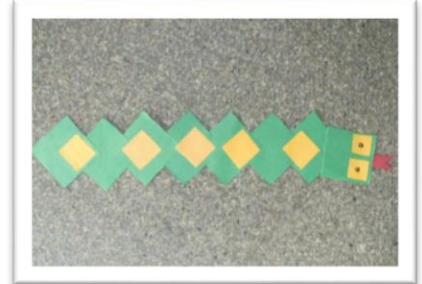

Circles for the Mouse

Ovals for the Owl

Squares for the Gruffalo and the Snake

You could make your favourite Gruffalo character from a wooden spoon.

Tip:

Acrylic paints work well on wooden spoons.

Other Gruffalo activities can be found at these websites
