# Connect Us: People Ping Pong

5 pairs of children need to come to the front and stand in 2 lines. We will choose a topic (e.g. chocolate bar names). Everybody has 1 minute of thinking time and then we are going to ping pong our answers until we run out of names. As a class, we will then add more and see what total we can make.

# Calm Me

# Open My Mind

Answer the questions on the resource in your Jigsaw Journals.

Tell me or show me: Is chocolate important?

TTYLP: What is our favourite chocolate bar?

How much does it cost and how often do we eat it?

What would happen if you weren't allowed to eat it anymore after today?

## Let me learn

Answer the same 5 questions as before for your Jigsaw Journal as if you were Patrick, the boy from the video. What would your answers be if you imagined you were him? Afterwards, compare the two sets of answers.

We will record our thoughts on the board relating to this statement:

*Children should not be allowed to work on the cocoa plantations in Ghana.*
