## Dates for your diary

Friday 18th December 2020

- Last day of term

## **Christmas Holidays**

Monday 21st December  
2020 - Friday 1st  
January 2021

Monday 4th January 2021

- Back to school

Wednesday 13th January  
2021

- Year 6 Height & Weight

Thursday 14th January 2021

- Reception Height & Weight

18th –22nd January 2021

- YR6 IntoUniversity - Peru

**Please wrap up warm**

**Have a safe Christmas  
break and Happy New  
Year!**

## 2020 Christmas Toy Appeal

The **2020 Newham Christmas Toy Appeal** has now officially launched in a year that promises to be the hardest, but perhaps one of the most important yet. The Appeal, now in its 43rd year will be run by **Ambition Aspire Achieve** and the **Newham Recorder** in conjunction with Community Links and is already receiving more requests for help than in any of the previous 42 years. Every child helped will be experiencing the ravages of poverty with Christmas a particularly challenging time for each family, with money unavailable to provide the gifts and seasonal foods that so many of us take for granted. Please consider helping the 2020 Appeal this year - together we can make a real difference for some of Newham's most disadvantaged and vulnerable children this Christmas. Please contact our Founder [Kevin Jenkins](mailto:kevin@theaaazone.com) to find out more. [kevin@theaaazone.com](mailto:kevin@theaaazone.com)

## Big Talk Home Learning

If children can't say it then children can't write it.

Dear All,

This weekend's BTHL 11<sup>th</sup> / 12<sup>th</sup> / 13<sup>th</sup> December

The United Nations' Universal Declaration of Human Rights was honoured on Thursday 10th December – known as Human Rights Day.

What should we be doing to ensure that every human has their rights respected?

## News – Lower Phase Year 2

For Wider Curriculum this half term, Year 2 have been discussing the following question: 'Who has helped to make the world a better place to live?' The children have learnt about significant individuals, such as Walter Tull, Rosa Parks, Florence Nightingale, Mary Seacole and Malala Yousafzai. The children enjoyed writing about the lives of different famous people from history and the impact that they had on the people they knew, the time they were in and what the lasting impact is on us today. Following this, in DT, we discussed what a peace quilt is and how the culture around them came about. We then spoke about what peace means to us and designed our own symbol for peace. Once our design was complete, we practised our sewing skills using thread and binca.

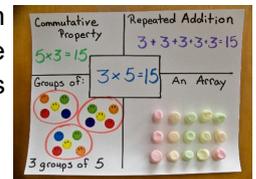

In science, children identified and compared the suitability of a variety of everyday materials for different tasks. We discussed and designed investigations to test the materials for durability, elasticity and strength.

In RE, the children were engaged listening to different parables Jesus told. We discussed why Jesus told stories and what lessons Christians learn from them.

In mathematics this term, we have been exploring the four operations and how best to solve calculations and word problems. The children have become adept at using jottings and drawing tens and ones when solving addition and subtraction calculations. When solving multiplication questions, the children make use of drawing arrays (4 x 5 grid to find the answer is 20) or drawing groups (4 groups of 5).

When solving division calculations, the children have explored making equal groups and sharing equally to derive the answer. We are applying these strategies to solve word problems and we are exploring the mathematical vocabulary used to decide which operation is most appropriate.

Ask your child to show you how they would solve the following questions using methods such as 'Wreck It Ralph' rename and finding ten ones:

$$21 + 37 = \quad 17 + 29 = \quad 45 - 23 = \quad 8 \times 5 = \quad 24 \div 3 =$$

In English, the children studied the text **Malala Yousafzai Warrior with Words** in the first two weeks of term. They worked hard on their comprehension skills by answering retrieval questions, developing an understanding of how to identify key words from the text to answer the questions. Through learning about Malala, the children were able to write a biography about the achievements in her life. The children are currently reading the text **The Jolly Christmas Postman**. The story focuses on the adventures of the Jolly Postman, who delivers letters to different fairy tale characters during Christmas. This week, Year 2 have been building up to write a letter to Father Christmas to share their reasons why they think the Jolly Postman deserves a treat. They have been learning about the features of a letter, discussing which presents the Jolly Postman should receive and explaining their reasons.

## Birthdays in Year 2

Muneer, Louise, Ranvirsinh & Hitabullah

# Other Information

## Free Family Learning Classes Learning by Zoom:

**Is English your second language?  
Do you want to improve your English?  
Would you like to help your children at school?**

If the answer to these questions is "YES" then why not sign up for this course, which begins on the date and time shown below.

You will need access to a smartphone, tablet or laptop to access the course by Zoom.

You will also need an email address.

You will receive a link to access the lessons.

Don't worry! Your teacher will help you to get started and enrol.

Venue	Brampton School via Zoom
Day	Tuesday
Date	12 <sup>th</sup> January 2021
Time	1 - 3pm

All participants will receive a certificate on completion of the course.

To enrol please visit our website:

<https://www.newhamadultlearning.co.uk/family-learning.php>

## STRENGTHENING FAMILIES AUTUMN OFFER 2020

Strengthening Families has been organised by Newham's early help teams. It is about recognising that all families need a helping hand at times such as these and this helping hand should be as varied and as diverse as our families. Strengthening Families is steeped in our values of keeping people at the heart of what we do.

### Our offer includes:

#### Family Relationships Matters

A coach will work with you to reduce arguments and promote healthy communication.

#### Family Money Matters

Providing information, guidance and support for Families who are worrying about money, housing and employment.

#### Parenting Befriending

A bespoke parenting befriending service for parents / carers of children and young people aged 0-16 years who need a space to talk and think through the ways that they are coping in the circumstances and practical suggestions to manage challenges such as their young person's behaviour, anxiety and worries, family relationship challenges and a young person's screen time.

To request a service for your family, please speak to your child's school, local children's centre or health professional who will complete a referral form and send it to [strengthening.families@newham.gov.uk](mailto:strengthening.families@newham.gov.uk)
