Dear Parent/Carer,

We are very pleased to announce that we are introducing a fantastic new way to communicate and share information with you, our parent community. At Brampton Primary School, we want you to feel as much a part of their education as possible. With the increased use of smartphone technology, we want to make the best use of it.

**MyEd** is the free parent app that provides you with a multitude of communication and information features to stay in touch with what is going on at school. The app provides you direct access to your child's attendance, timetable, absence records, achievements, behaviour and much, much more. You can also see that we update and change the information in the app as the school year moves along. Go to [www.myedschoolapp.com](http://www.myedschoolapp.com) to see a short video about the app.

We are able to send you messages directly to the **MyEd** App relating to important information about your child's education and to remind you of events that are taking place at school.

You will receive a notification if we send you a message and there is no charge for the messages you send to us.

The **MyEd** App is available for both iOS and Android devices and can be found using the links below:

1. **Go to your App Store**
2. **Search for MyEd**
3. **Download the app for free!**
