30 August 2021

Dear Parents, Carers and Children,

I hope that you are all well and have enjoyed the summer holiday. I am sure that you are all looking forward to the start of a new academic year, one with hopefully less restrictions than we have had to maintain during this pandemic.

The government moved to Step 4 of its roadmap on July 19<sup>th</sup> when most legal restrictions ended, and on August 16<sup>th</sup> the rules on self-isolation changed. In school we will continue with the rigorous cleaning and hygiene regimes, but we will not be grouping children into bubbles or have restricted lunchtime arrangements.

**Arrival and end of day procedures are as follows:**

**Important**

Children developed a lot of independence during the pandemic and almost all of them were confident to walk through to their classroom alone. We are keen to build on this and, although parents can now come onto the school premises, we urge you to only do this if your child really needs that support. Wherever possible, leave your child at the gate and allow them to go straight to their line. Younger children might need guidance to be certain where their line is on the first day or two.

**Please arrive on time for the start and end of each day.** We have a 10-minute opening in the morning so children should go directly to their line, ready to go in with their teacher at 8:55am for a prompt 9:00am start. Please leave the premises once your child has been dropped off so we can secure the gates and begin the day's learning.

If you have important information to give to your child's teacher, please speak to a senior member of staff on duty. For all other communications, please use Teams or your child's year group email.

**Nursery and Reception have been sent individual details for starting dates – if you have not had yours, please let the school know via the Nursery and Reception year group email.**

### **School Uniform**

At the end of last term, uniforms were looking somewhat untidy and so we want to have a strong drive on reinforcing appropriate school wear this term. Please ensure your child is wearing the correct school uniform for school, and for PE days – again, school PE kit only. Details can be found here: [Newsletter-Friday-16th-July-2021.pdf \(brampton.newham.sch.uk\)](#)

### **Healthy School Streets - Traffic Restriction Cameras**

**The cameras will be live again from September 1<sup>st</sup>.** This means that unauthorised vehicles will not be able to enter the roads around the school between the hours of **8:30 - 9:30am or 2:45 – 3:45pm**. If you do come by car, please be considerate of residents who live near where the cameras are situated.

I look forward to seeing you and your children on Thursday.

Yours faithfully

**Kevin Reid**
