# RECEPTION ENTRY FOR SEPTEMBER 2022

A summary of the key steps you need to take to apply for a place in reception for children born from 1 September 2017 to 31 August 2018.

## Infant to Junior Transition for entry in September 2022

If your child attends an infant school, they cannot automatically move to a junior school, you must follow the steps below and complete an application for your child to attend a junior school or a year 3 place in a primary school in September 2022.

**REMEMBER** – your chances of getting the school of your preference are better if you **apply by national closing date 15 January 2022**.

1

It is important that you understand this booklet, so please dedicate time to reading it. Don't worry. If you need support, your child's primary school can provide it.

2

Do not just focus on the schools you know about. Take time to find out about all the schools located in Newham. You can do this by attending as many open days/evenings as you can and by viewing their websites. **Note:** Ofsted reports and league tables can be out of date.

3

Read and understand how places are offered at the schools you are interested in. You do this by reading their admissions criteria and reviewing the placements for **September 2021** which are published in this booklet on pages 14-17.

You can use these figures and School Finder to calculate your own home-to-school distances. This will help you understand the likelihood of your child being offered a place.

4

Decide the schools you are going to name as your preferences. We strongly suggest you name more than one school.

Don't forget to check that you know their location so you know where your child maybe be travelling to each day.

5

Submit your application via the eAdmissions online portal by **11.59pm on 15 January 2022**. To avoid any possible technical issues we strongly recommend you apply before the closing date. Paper applications must be sent to **Pupil Services, PO Box 69972, London E16 9DG**, to be received by **5pm on Friday, 14 January 2022**.

If you are applying for a school outside of Newham submit your proof of address with your application or if you are applying using a paper form, post with the form.

6

If you are naming a faith school as any of your preferences and want to be considered under the faith-based criterion you must submit their Supplementary Information Form (SIF).

**For Newham faith schools your SIF must be received by the school no later than 15 January 2022.** If the school you prefer is outside Newham you must check the closing dates for their SIF's with the school.

### Tuesday, 19 April 2022 - National Offer Day

- Families who applied via the eAdmission online portal will receive a notification of the offered school in the early evening.
- Families who applied using the Common Application Form (CAF) will be sent their offer by first class post.

# MESSAGE TO PARENTS AND CARERS FROM MAYOR ROKHSANA FIAZ

**I hope that you and your family are well, particularly as it's been an unprecedented time for us all during the Covid-19 public health emergency that we've all been going through since March last year.**

As we adjust to the reality of living with Covid-19, I am pleased to introduce the 2021 edition of our 'Starting Primary School Guide'.

It comes out at a time when we are acknowledging everything we love about our children and young people in Newham, through our Year of the Young Person celebrations - designated this year to amplify our passion and commitment to supporting all our children and young people in the borough to reach their potential as they progress through their life journeys.

We have increased investment into services supporting children by a third (33 per cent) since 2018, as well as providing £43 million for a Brighter Future to expand our Youth Zones across the borough, invest in Youth Safety and help our young people through our Youth Empowerment Fund.

I am absolutely dedicated to ensuring that all of the children and young people in the borough have access to the most exceptional educational and youth service provision in the country to help them thrive, be safe and happy.

For those of you whose children are starting primary school, I know it is a major milestone in life for your kids; and as parents and carers it can also feel quite daunting!

For me, starting primary school opened up a whole new world of learning, friends, amazing teachers and guidance. I acknowledge the major debt I owe to the fantastic and inspirational teachers who I encountered at my Newham school.

That early experience is essential to develop life skills, build confidence and know at the earliest stage that our dreams are possible. I want that for every

child in our borough.

This guide will help you make the process of applying for a primary school place for your child as smooth and easy as possible. We have an array of fantastic schools in the borough and most are rated either good or outstanding by Ofsted, the Government's schools inspectors; and excellent results that our young people continue to achieve in the borough at schools which are among the best in the country.

I would encourage you to visit schools and take the opportunity to meet teaching and support staff, see the school in action, view the facilities and hear about the school's achievements, as well as asking them a lot of questions! Where a visit isn't possible, there may be other ways of finding out more, for example by telephone, online or video call.

Also, make sure you maximise your opportunities by using all of your school preference options, and it will really help if you apply online. Once you do, you'll automatically be entered into our prize draw to win a school uniform for your child.

Your child will relish being at primary school with new friends and the support to be curious and ambitious. They will love the excitement of growing up, exploring the world, and seizing all the opportunities our schools will be providing for them.

On behalf of all the teachers and governors, we look forward to welcoming your child in the coming months to one of Newham's primary schools.

Stay well and safe

Best wishes,

A handwritten signature in black ink, appearing to read 'Rokhsana Fiaz'.

## EARLY YEARS EDUCATION

Newham Council offers a Best Start in Life Guarantee to all families living in the borough who are pregnant or have children under five years of age.

The Guarantee will ensure all Newham parents have access to:

- 15 hours of free eligible childcare, with this increasing to 30 hours for working families (see page 9)
- regular Stay and Play sessions every week in each community neighbourhood
- programmes, workshops and sessions offering evidence-based advice and guidance to improve parenting capacity in each neighbourhood
- regular employment advice sessions will be available in each neighbourhood
- in each neighbourhood, a range of family health and development sessions including: antenatal support; the transition to parenthood; the early weeks of life; perinatal wellbeing; breastfeeding initiation; healthy weight and nutrition; managing minor ailments and reducing accidents; and supporting speech and language development.

The Guarantee is delivered in partnership by children's centres, health services including health visitors, libraries, nurseries and early education/childcare providers.

The borough is split into eight community neighbourhood areas, with each area supported by a lead children's centre, and some areas also supported by supporting children's centres. For more information, please visit [www.newham.gov.uk/childrenscentres](http://www.newham.gov.uk/childrenscentres)

Research has shown that children who have regularly attended activities at children's centres do better at school on average than those who have not.

As a guide, in every community neighbourhood area parents and carers can expect to see at least the following activities on offer:

**Stay and play activities** – parents/carers stay and play with their children, learning how their children learn and develop through play. Activities range from messy play to block building, and heuristic play to mark making.

**Parent workshops** – parents and carers can find out how best to support early learning and development, how to support their child's physical and mental health, learn coping strategies, improve sleep routines, get support with toilet training and much more.

**Triple P** – a parenting programme ranging from individual sessions to a six-week course to learn and then practise new ways to improve parenting skills, confidence and knowledge.

**Bookstart** – free books for all children aged 0 - 12 months and 3-4 years old to inspire a love of reading.

**Storytelling, singing and rhymes** – these sessions model how to engage children in storytelling, singing and rhymes; this helps communication and language development as well as emotional development.

**Music and movement** – a chance for children and parents/carers to get active using dance and music. A great way to promote physical health development.

**Chatterbox** – an opportunity for assessment and advice for parents/carers who have concerns about their child's speech and language development.

### The Early Years Foundation Stage framework

This statutory framework sets the standards that all early years providers must meet to ensure that children learn and develop well. It ensures children are kept healthy and safe and that they have the knowledge and skills they need to start school. The framework is for school leaders, school staff, childcare providers and childminders.

### School inspections

By law, all schools must be inspected by the Office for Standards in Education (Ofsted). This is to make sure schools are working to provide the best education they can. Every school in Newham has been inspected in the last four years. Inspection reports can be obtained by contacting the school direct or by visiting the Ofsted website at [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

At the end of Key Stage 2, assessment results for all schools are published each year. There were no SATS this year. The results for summer are available at [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

### Visiting schools

Most parents/carers are happy for their child to go to their local school. When visiting a school for the first time, you may wish to ask questions:

- What learning resources will my child have access to?
- What will playtime be like for my child?
- Who will look after my child if they feel unwell?
- What school meals are available?
- What support is given to children with learning difficulties or physical disabilities?

## NURSERY EDUCATION

**Nursery education prepares children for school and helps them to pick up basic learning and social skills.**

**Information and application process for nursery school and nursery classes in infant and primary schools.**

### September 2022 nursery admission

- Parents/carers should find out about all local state funded nursery schools and infant and primary schools with nursery classes and contact their preferred schools to find out about their application process
- We have seven nursery schools, and nursery classes in the majority of the primary schools in Newham.
- Successful applicants are normally offered a place for mornings or afternoons for the whole week
- Your child must attend regularly. If they do not attend for a prolonged period of time they risk losing their place.

### Moving from nursery to reception

- All parents/carers must apply for a reception place
- Starting at an infant or primary school nursery does not mean you are automatically reserved a reception place at that school
- Attending a infant or primary school nursery does not give you priority for a reception class place - the nursery is not a feeder for the reception classes.

### Register for nursery

- You can register your child for a nursery place when they are one year old
- If you have recently moved into the borough, you should register as soon as possible
- Remember, it is not 'first come, first served' Registering early does not mean you will get priority for a place over those families who apply after you.
- We recommend that you register at more than one nursery
- Complete, review and submit the schools nursery application form.
- On this form explain any circumstances that you feel may give your child priority for a place. Examples include special educational needs or having a brother or sister on roll at the nursery.

### How we offer places

Each nursery school or class has a limit on how many children can be admitted. Where there are more applicants than places available the Admission's Committee for the school's Governing Body must apply their published over subscription criteria to determine which children should be offered a place.

For all state funded nursery schools and nursery classes in community schools the order of priority is detailed in this box.

For all other schools both in and out of Newham check the school's website.

Before any other applications are considered children who have been assessed by the 0-25 SEND Service as requiring a particular school to meet their needs will be offered a place.

### In each age group we admit children in this order:

1. Looked after child and any child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the London Borough of Newham to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Children who live locally and have a brother or sister at the school
3. Children who live locally but do not have a brother or sister at the school
4. Children who live elsewhere in Newham and have a brother or sister at the school
5. Children who live elsewhere in Newham
6. All other children
7. If there are more children than the number of places available in other cases, places are offered:
  - first to children who will get one term in nursery before starting primary school
  - then to children who will get two terms in nursery and so on.

# RECEPTION CLASSES FOR SEPTEMBER 2022 FOR CHILDREN BORN 1 SEPTEMBER 2017 TO 31 AUGUST 2018

## Information and application process

### Pan-London admission co-ordination for children starting school in a reception class in September 2022

Reception class is the first step into compulsory education and is for children who will turn five during the school year. Every year, over 60,000 children living in London and the Home Counties start school in a reception class, many crossing borough boundaries to do so because of parental preference for an out-of-borough school.

To support families all 33 London boroughs together with some councils bordering the capital have been working in partnership to co-ordinate admissions for their infant and primary schools.

- Newham residents only need to apply to Newham Pupil Services (even if you want to apply for a reception class place outside Newham).
- To apply we recommend families use the eAdmissions online portal but for those who prefer paper we have a hard copy form.
- Applicants can name six state-funded schools (non fee-paying) on the Common Application Form (CAF). If you wanted to name more than six preferences please contact: [pupil.services@newham.gov.uk](mailto:pupil.services@newham.gov.uk)
- If you apply for a school outside Newham we will pass your information via a secure encrypted system to the other boroughs whose schools you have named. Before naming a school outside of Newham we strongly recommend that you visit the school to try out the journey and check they offer what you child needs.

### Own Admission Authority Schools

The governing bodies of our voluntary-aided (VA) faith schools, academies and free schools as admission authorities will make the decisions on admissions. They will rank numbers for each application.

To apply and be considered for a faith based place at a voluntary-aided faith school you must complete a Supplementary Information Form (SIF) as well as an online CAF. This is only if you want your child to be considered under priority groups 2 to 10. Should you choose not to submit a SIF your application will still be considered but will automatically be placed in priority group 11.

You have the right to name any academies/schools as your preferences but we strongly recommend that you use at least one of your six preferences to name your local non-faith school as this is the school where your child will have the highest priority for a place.

All families who apply by the national closing date of **Saturday 15 January 2022** will receive an offer of one reception class place on 19 April 2022. If we receive your application after 15 January 2022 but before 31 March 2022 you will be offered your place on national offer day 19 April 2022. If we receive your application after 31 March 2022 we will offer within 10 schools days of 19 April 2022 or 10 schools days of the application whichever is later.

### Faith School Supplementary Information Forms (SIF)

- It is your responsibility, as the parent/carer, to obtain, complete and return any SIFs for the schools you have named as preferences on your application forms whether the schools are in or outside Newham. SIFs are not automatically given to families even if you attend a nursery in a faith school.
- The SIFs for all Newham VA faith schools are available from the VA schools directly or by downloading a copy from the Newham website.
- If you are applying online you must not attach your SIF to your application as it will not be considered. SIFs must be completed and returned direct to the school by post or by hand.
- Many schools outside of Newham may also expect you to fill in an extra form. Please check with those schools about how they do their admissions and if you need to complete additional forms. You also need to check where you can obtain the forms and when you have to get those forms back to the school.

### How can you apply?

Applying online is a quick, secure and easy way to submit your child's starting school application form. Apply online at [www.eadmissions.org.uk](http://www.eadmissions.org.uk)

You can review your application form and make changes right up until the closing date. You can also check the outcome of your application on the evening of national offer day on 19th April 2022.

For more information see the back cover of this guide.

### How many school places are there?

Between all the primary schools, there are enough places for all children resident in the borough.

However, each primary school has a limit on how many children it can take in each year group. This limit for reception is called the 'admission number'.

### How do I know which schools are local to my home?

Visit Newham's School Finder [www.newham.gov.uk/schoolfactfinder](http://www.newham.gov.uk/schoolfactfinder) or call Pupil Services on **020 3430 2000**.

### Parent/carer's legal responsibility

As a parent or carer you must make sure all your children of legal school age (5-16 years) are educated. The local authority must ensure there are enough primary school places across Newham for all children resident in the borough.

All children must be suitably educated from the first day of the school term after their fifth birthday. This applies even if you think they are too young to go to school or are unhappy with the school offered.

### When will my child's school place start?

All children will be offered a school place that starts in September 2022 if we have received a completed CAF before 1 August 2022. For applications received after this date their start date will be determined by the head teacher of the school they have been allocated.

If you apply from 2 August 2022 onwards your child will usually be given an allocated school within 10 school days.

**To ensure your child has a reception place your application must be received by Saturday 15 January 2022.**

# TIMETABLE FOR ADMISSION TO RECEPTION AND YEAR 3 CLASSES SEPTEMBER 2022

**1 September 2021** The eAdmissions Pan London portal opens for online applications.

Families with children in year 2 in an infant school must apply for a year 3 place in a junior school for September 2022. Other families with a child in year 2 can also apply for a year 3 place for September 2022 BUT only if they want their child to move schools.

**1 September 2021** This guide is published online by Pupil Services.

A printed copy can be requested by phoning **020 8430 2000**. Printed copies will also be delivered to primary schools in September.

Please ensure your online application is made by Saturday 15 January 2022 11.59pm.

If you do not apply by 15 January 2022 your application will be treated as a 'late application' which means your child will not be considered for any places until all the applicants who applied 'on time' are placed.

**A late application means that your child is unlikely to get the school you prefer.**

For those applying for a faith school, you should return the completed Supplementary Information Form (SIF) to the VA school direct, and not to Pupil Services.

## Please note

**We will not reserve (save) your child a place at their local school or their local junior school if they are attending an infant school. Your child will only be considered for a place for your local school if you name it as one of your preferences.**

This also applies to children who attend a nursery class in a primary school. We will not reserve (save) them a reception class place. Your child will only be considered for a place if you name the school as one of your preferences. There is no guarantee you will be given a place at your local school or the school where your child attends nursery even if you apply on time and/or name it as one of your preferences.

All school offers in Newham are conditional which means they can be withdrawn if you have provided false or deliberately misleading information.

## Saturday 15 January 2022 11.59pm

Application forms and Supplementary Information Forms (SIF) received after this date will be treated as 'late' and dealt with after the 'on time' applications.

## 19 April 2022 - national offer day

**Online via eAdmissions portal** - applicants will receive automatic notification of the outcome of their application

**Paper applications** - Pupil Services will send an outcome letter by 1st class post to the last proven home address supplied to the Council. All offers and allocations are conditional on the information provided on the application form being true and families providing proof of address and date of birth.

## June/July 2022

The school where your child has been offered a place will invite you to a welcome meeting where they will tell you more about the school and arrange your child's admission. You will need to provide the school original proof of address and your child's date of birth and provide other documentation from the list on page 40-41.

## If you change your address

**Change of child's home address on or before 15 January 2022** we will use the new address to determine the school place we allocate. If you do not provide the required proof, we will write to you at your new address but we will use your previous address to determine the school place we allocate. If your child's home address changes after 15 January 2022 we will use it for correspondence only.

We cannot use it to determine your home to school distance.

**Waiting lists** will be created for those children who did not gain a place at their first preference school and at this point we will use your new details to determine your child's rightful place on the list(s).

## Applications or changes received after 15 January 2022

If we receive your completed form after the closing date of 15 January 2022, it will be a late application.

Late applications are processed in the same way as those received on time, but we offer places to on time applicants first. Late applicants will be offered the school places remaining after on time applicants.

This means that to have the best possible chance of getting a place at one of your preferred schools, you must ensure you submit your application online or return your form by post to be received by the council by 15 January 2022.

If you send a paper application form before 15 January 2022 but it is not received by Pupil Services or a Newham primary school until after that date, it will still be treated as a late application, irrespective of when you think we should have received it. We can only back date an application if you have proof of receipt from a Newham nursery, or infant or primary school that shows you

submitted a reception class application form before the deadline. No other proof of postage will be accepted.

### Remember

By applying online you will have a guarantee of knowing when it was received as you will get an acknowledgement email at the time of submission. If you do not receive an email your application will not have been received by Pupil Services, so you must go back and check your application and resubmit correctly.

The table on the page shows that the majority of our school places are offered to on time applicants.

### Appeals

If your child does not get a place at your preferred school, you have the legal right of appeal (see page 60-63).

### Acceptance

We automatically update our database to show you have accepted the place offered to your child unless the school offered is outside of Newham - this means you don't have to take any action and don't have to worry about losing the place.

If you have been offered a school outside of Newham you must return the acceptance slip sent with the offer letter to secure your place.

### Refusal

However if you have made alternative arrangements for your child's Reception education or you are unhappy with the offer or alternative allocation, you must state the reason for refusal via the eAdmissions portal stating:

You do not want the school place offered or alternative school place allocated and you want us to withdraw this place, but you want your child to remain on the waiting list for your preferred schools.

OR

You do not want the school place offered or alternative school place allocated and you want us to withdraw this place and remove your child from the waiting list for your preferred schools.

In both cases you must re-apply for a school place whenever you would like us to make an offer but this must be before your child reaches compulsory school age

(the start of the school term after their fifth birthday) unless you have:

Notified Pupil Services what suitable alternative arrangements;

- You have advised Pupil Services that your child is moving out of Newham and supplied the details;  
You child has been offered a place at one of your preferred schools from the waiting list;  
You make a successful appeal.

Remember if you ask us to withdraw an offer there is no guarantee that the school place we offer when you reapply will be a preference or any closer to your home. It is possible that the school allocated is even further from your home as another family may have taken up the place you refused.

### Deferred entry and part time arrangements

See page 32.

### The Human Rights Act

Allows parents/carers to give religious and/or philosophical reasons for wanting a particular school place. The Local Authority is required to take these into account when it can. In practice, as with parental preference, this means we can only take this into account if the school has enough places. In cases where we have more applications than places for a school, we will follow our admissions criteria to decide which children are offered a place. Please remember that under Human Rights legislation, we are only required to offer education, not a particular type of education.

# Determined School Admission Arrangements Infant, Junior, Primary and Secondary

For entry from September 2022

# DETERMINED SCHOOL ADMISSION ARRANGEMENTS FOR INFANT, JUNIOR AND PRIMARY SCHOOLS

For entry in the school year starting September 2022

All Newham maintained schools and academy schools located in Newham adopt these arrangements except Harris Academy Chobham and the following voluntary aided faith schools; St Antony's Catholic Primary School, St Edward's Catholic Primary School, St Francis' Catholic Primary School, St Helen's Catholic Primary School, St Joachim's RC Primary School, St Michael's Catholic Primary School, St Winefride's RC Primary School and St Luke's Primary School (Church of England)

## Introduction and legal overview

All admissions authorities for state funded schools in England must comply with the current Schools Admissions Code December 2014, published by Department for Education that sets out the law and guidance relating to school admissions.

Local authorities have an important role in monitoring compliance with the Admissions Code and are required to report annually to the Schools Adjudicator on the fairness and legality of the admissions arrangements for all schools in their area, including those for whom they are not the admissions authority.

As the admissions authority for the community and voluntary controlled infant, junior and primary schools located in Newham, the LB Newham is required to draft, consult on and determine their admission arrangements including the oversubscription criteria.

For all state funded schools, the law requires that where applications exceed the Published Admission Number (PAN), their admission authority must strictly apply their published arrangements and oversubscription criteria to determine which children are offered the places available.

This policy sets out the arrangements (rules) that the Local Authority (LB Newham) will follow to determine the placement of children in our maintained schools. To promote a clear, fair and transparent approach, the LB of Newham recommends and invites academies and free schools to adopt these arrangements with our oversubscription criteria or their own.

Prior to formal consultation to LB Newham's School Admissions Forum, work in partnership with LB Newham officers to agree the content of this policy.

Formal public consultation of these arrangements was last carried out between 5 December 2017 and 31 January 2018.

LB Newham consulted with:

- a) Parents of children between the ages of two and eighteen;
- b) Other persons in the relevant area who in the opinion of the admission authority have an interest in the proposed admissions;
- c) All other admission authorities within the relevant area (except that primary schools need not consult secondary schools);
- d) Whichever of the governing body and the local authority who are not the admission authority;
- e) Any adjoining neighbouring local authorities where the admission authority is the local authority; and
- f) In the case of schools designated with a religious character, the body or person representing the religion or religious denomination.

Unless there are any proposed non-statutory local changes, the next public consultation will not be until the autumn of 2024.

These admission arrangements were formulated to ensure they comply with the Equality Act 2010<sup>1</sup> and therefore do not unlawfully discriminate against pupils, parents or carers because of their sex, race, religion or beliefs, disability, sexual orientation or pupils who are pregnant, undergoing gender reassignment or school age parents.

All references in this document to previously looked after children in the Code mean children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

## Publication and availability

These will be available on LB Newham's website and the websites of:

- Newham community schools
- Newham voluntary controlled school
- Academy schools located in Newham whose Governing Bodies/Trust have adopted these as their own arrangements.

The arrangements will be published in both the hard copy and electronic versions of LB Newham's composite prospectuses Starting Primary School and Starting

<sup>1</sup>The Equality Act 2010 replaced all previous equality legislation such as the Race Relations Act, Disability Discrimination Act and Sex Discrimination Act. This act provides a single, consolidated source of discrimination law, covering all the types of discrimination that are unlawful. It simplifies the law by removing anomalies and inconsistencies that had developed over time in the existing legislation, and it extends the protection from discrimination in certain areas.<sup>1</sup>

Secondary School autumn 2021 editions from September 2022 entry are available from 1 September 2021.

All admission arrangements which includes the oversubscription criteria are available upon request (hard copy or electronic) from the relevant school/academy and the local authority, where they are situated.

### Associated regulations, statutory guidance and information

Read in conjunction with:

- Pan London scheme for 2022 entry
- School Standards Framework Act 1998
- School Admissions Code (2021)
- School Admissions Appeals Code (2012)
- School Attendance guidance (2020)
- Children Missing Education statutory guidance (2016)
- DfE Advice on admission of summer born children (2020)
- DfE explanatory note: Admission of Crown Servants (2015)
- Crime and Disorder Act 1998 (section 16).

### Information and definitions

For the purpose of this document, the universal term 'school', will be used when referring to all state funded academies, community schools, free schools, studio schools, university technical colleges, voluntary aided faith schools and voluntary controlled faith schools.

### Preference

Throughout this document, the terms parental preference and preference are used. To ensure legal compliance and accuracy of meaning these terms cannot be interchanged with the word choice because:

**Preference:** provides applicants the opportunity to indicate what schools they would like if it were possible.

**Choice:** means one of their named schools must be offered to an applicant. Where the number of places (supply) is less than demand this is not always possible, meaning we cannot offer applicants a choice.

For school applicants the law only gives the right of expressing a preference.

### Compulsory school age and school leaving age (legal requirements)

All parents/carers with parental responsibility for a child must ensure the child is in receipt of suitable education and their home local authority is aware of these arrangements during the period when a child is compulsory school age.

Where a person with parental responsibility for a child fails to ensure the child is receiving suitable education appropriate local,

OR

Legal action will be carried out to protect the child's right to education.

Compulsory school age is set out in section 8 of the Education Act 1996 and The Education (Start of Compulsory School Age) Order 1998. A child reaches compulsory school age on the prescribed day following their fifth birthday (or on their fifth birthday if it falls on a prescribed day).

The prescribed days are 31 December, 31 March and 31 August. From this date, parent/carers must ensure their child receives suitable education until the last Friday in June of the year they become 16 provided their birthday is before the beginning of the next school year.

A child ceases to be of compulsory school age on the last Friday of June in the school year they become 16. If a child is educated outside their normal age group (i.e. is in year 10 when this date is reached), the school will continue to receive funding for that child but the child will no longer be of compulsory school age during the school year in which most children take their GCSE examinations and cannot, therefore, be obliged to attend.

A child can leave school on the last Friday in June if they will be 16 by the end of the school summer holidays.

### Post 16

From the September after they are 16, all young people must do one of the following but they are free to choose which of these options they take:

- Remain in full-time education, e.g. at a college or school sixth form
- Start an apprenticeship or traineeship
- Full time employment combined with part-time education or training.

Any young person not in education, employment or training (also known as NEET) are registered with the Department of Education by their home authority and they will receive support to obtain a suitable placement.

### Parental responsibility

All parent/carers of children of compulsory school age (5 to 16) are required by law to ensure that they receive suitable education by regular attendance at school or otherwise. Failure to comply with this duty can lead to penalty notices being issued and prosecution.

### Local Authority responsibility and action

The introduction of academy schools means that the local authority no longer maintains (has responsibility for) all state funded schools in their area. However, LB Newham still has the duty to provide sufficient school places or education otherwise for all children of compulsory school age resident in the borough, irrespective of their immigration status, including those from families with no recourse to public funds and works in partnership with all schools in Newham to ensure this can be delivered.

To ensure all children of compulsory school age receive suitable education their parent/carers must apply for a school place or notify the local authority in writing of the alternative arrangements they have made. Where this does not occur or the alternative arrangements are found to be unsatisfactory, the child will be officially recorded as missing education and action will be taken against the person(s) with parental responsibility.

### Parents/carers who do not secure education for their child

Where a parent/carer of a school aged child who is residing in the LB Newham, fails to complete a 'common application form' (CAF) or provide suitable alternative education within 15 days of arrival in Newham, or the child being out of education, we reserve the right to apply on their behalf.

This action will result in their child being allocated a placement at the closest school to the child's home with a suitable place available at that time.

Where the child has a sibling at a Newham school, in the first instance we will try to allocate a place at the same school if a place is available at the time. If the school is full, we will then allocate a place at the closest school to the child's home where a place is available.

For any child with special educational or access needs that cannot be met in a mainstream school, the 0-25 SEND integrated service will support the family in securing a suitable placement.

### School places Published Admission Number (PAN)

The Published Admission Number (PAN) is the number of places available in a school for each normal point of entry. The Department for Education capacity formula and other factors are used by the local authority/admission authority to determine this number.

The normal point of entry is:

**Reception** – for infant, primary schools and all through schools where the school does not increase in size for secondary education.

**Year 3** – for junior schools

**Year 7** – for secondary schools

**Year 9 or 10** – for University Technical Colleges UTC's and Studio schools

**Year 12** – for sixth form.

Outside of the year of entry, it is expected that the PAN will continue to be applied for In Year admissions as a roll limit (see above). However, if circumstances at the school have significantly changed since the publication of the admission number, a place may be refused even if the admission number has not been reached, as a cap on the PAN may have been introduced.

For the majority of schools located in Newham the limit

on roll number in other year groups is the same as the PAN but for these year groups most places are already taken as pupils move from one year group up to the next.

To determine the number of forms of entry in a year group (classes) you divide the PAN by 30. In some instances, the result will include 0.5 of a class, which is possible where the accommodation is in an old building with small size rooms.

A child cannot be refused admission to the normal year of entry on the grounds of prejudice to the provision of efficient education and efficient use of resources unless the published admission number has been reached or exceeded.

The admissions numbers (PAN) for entry in the academic year are detailed in appendix 1.

### Special Educational Needs: Resource Units in mainstream schools

Special Educational Needs resource units are located within a number of schools in Newham.

These are designed for children with particular diagnosed special educational needs including complex needs and severe communication difficulties.

Placement in these units is determined by the LB Newham 0-25 SEND integrated service using these arrangements and their associated oversubscription protocols.

These places are part of the published admission number (see above), and are not in addition to as there is an expectation that the children placed in these units will be educated part of the time in their mainstream class.

## Additional places and capping

### Additional places

In the event of an unexpected and significant increase to the school aged population, in particular for year groups that occurs too late to be addressed as part of the Council's formal place planning strategy. To ensure we can meet our legal duty to provide suitable education to all children resident in the borough it may be necessary to introduce additional places.

Any proposed increase would be managed by the LB Newham in joint partnership with the relevant admission authorities.

Additional places may be delivered outside of any formal expansion through:

- Bulge classes: additional class or classes for a specific year group that will continue through the school year on year until the bulge expires at the end of year group 6 or 11 as appropriate to the age range of the school
- Temporary over allocation: additional places in one or more year groups available for a fixed period agreed through a formal mutual agreement between the LA and the school
- Short term measures to maximise the number of children who receive a place at their preferred school or to ensure we have sufficient places at the normal point of entry.

These are generally only in place between national offer day and the start of the new school year but can be applied to other year groups.

### Capping places

Where a school is significantly undersubscribed in any particular year group for a prolonged period, it is possible for the admission number to be capped to withdraw a fixed number of places for a specified period, on the understanding they will be made available at time of increased pressure on places.

Additional places through bulges/over allocation and the withdrawal of places through capping will be delivered under strict controls and with the mutual agreement of the Local Authority and the Governing Body of the school. These controls will include the potential impact on families and all schools within the borough.

## Admissions framework Normal Admissions (also known as planned or cohort admissions)

The law requires that all families with a child must apply to their home authority irrespective of the location of their preferred school(s). This means families living in Newham must apply to London Borough of Newham, Pupil Services.

LB Newham's Pupil Services will communicate by a secure encrypted method with other Admissions Authorities in Newham and outside of the borough, where preferences named are not Newham maintained schools. This is to determine the outcome of each application (preference) and offer the highest single offer available to each family who apply.

Newham Pupil Services will notify all Newham applicants of the outcome and the named school via an electronic communication where the family have applied using the Pan London eAdmissions portal or letter where a paper application was completed.

Notification outcomes, for Newham residents, are issued by Newham Pupil Services even where the offered school is not located in Newham.

All families are given the option to request a paper copy of their child's offer letter for their retention.

## In Year Admissions (also known as late arrivals, mid term or mid phase admissions)

For In year admissions applies to all year groups outside of normal admissions and for Year 7 and Reception entry in September 2022, where the application is being submitted after 31 August 2022:

- Newham residents wanting to apply for any schools located in Newham must use LB Newham's In Year common application form (CAF) In year application form
- Newham residents wanting to apply for schools outside of the borough must check the website for the borough where the school is located to obtain details of the application process
- Families from outside of Newham who want to apply for a school/academy located in Newham must apply direct to LB Newham Pupil Services In year application form
- Newham Pupil Services will notify the family and their home borough of the outcome. For all year groups parents/carers living in Newham have the right to name six preferences, or more if they choose to, being the schools they would prefer their child to attend, using our common application form (CAF). The preferences must be named in the order of priority, with 1st preference being the highest – this is known as the rank order.

The In Year online eform can be completed at In year application form, or requested by phone on 020 8430 2000 or by post from:

## Children from overseas

### Right to attend school in England.

In most cases, children arriving from overseas have the right to attend schools in England. School admission authorities must not refuse to admit a child based on the child's nationality or immigration status nor remove them from roll on this basis.

It is the responsibility of parents/carers, not the local authority nor a school, to check that their children have a right, under their visa entry conditions, to study at a school.

Information on how to determine their rights

<https://www.gov.uk/right-of-abode>

Any EEA or Swiss national arriving in the UK by 31 December 2020 is eligible to apply to the EU Settlement Scheme, and continue to be able to study in schools in England as they do now if their application is successful.

Children aged under 18 are classed as dependent children if they are the children:

- of foreign nationals who have settled status in the UK  
OR
- of a family who are entering the UK on a work visa or Student visa,  
OR
- who are part of a family entering or residing in the UK under the immigration route for British National (Overseas) citizens and their dependants.

These children are entitled to enter the country with their family, or to join their family and study at a state-funded or independent school once in the UK.

Foreign nationals cannot use the 6-month Standard Visitor visa, or 11-month Short-term Study (English language) visa, to enter the UK to enrol as a pupil at a school.

Unaccompanied children may also enter the UK to access a school. To comply with their visa terms, unaccompanied foreign national children, and young people (including such EEA nationals entering the UK after 31 December 2020) who are entering on a Child Student visa or Student visa must, when accessing education in England, study at the independent school, sixth form college or further education college which is sponsoring them.

### Normal Admissions (standard entry points into school)

For normal admission purposes, as applications must be made to the child's home borough, to enable an overseas family to apply we will accept a future address in Newham to determine the home borough but the current home address for processing the application. Where an application is being made for a child who is living overseas at the time of submission, the application must be made on a paper form not via the Pan London eAdmissions portal.

## In Year Admissions

For In Year applications these will be processed using the child's home address at the time of the application, even if this is outside of the UK (except for children of service personnel and crown servants –see below).

Future addresses in the UK will not be accepted even if contracts/rental agreements have been signed.

Where a place can be offered using the child's overseas current address, the expectation is that the child will be available to take up the place on the proposed start date, which could be as soon as the day after the place being offered. If a child cannot take up the place as they are not in the UK and is not expected for at least a week the place will usually be withdrawn.

For the children of service personnel with a confirmed posting to Newham, or crown servants returning from overseas to live in Newham, the Local authority will allocate a place in advance of the family arriving in the area, on the understanding the application is accompanied by an official letter that declares a relocation date and a unit postal address or quartering area address.

## Application dates

The UK Government has set national closing and offer dates for applications for normal admissions. These dates only apply to applications for reception and year 7 entry in September of the new academic year and year 3 where a child is moving from an infant to a junior school.

### **Primary (Reception and Year 3 moving from an infant class to juniors)**

**National closing day** – 15 January, preceding the academic year of entry.

Applications received by LB Newham Pupil Services by 11.59pm on this date will be processed as on time and those received after will be processed as late. It is important to understand that late applications cannot be considered for a place until all on time applicants have been provided with places. This means families who apply late are greatly reducing their opportunity to gain a place at one of their preferred schools.

**National offer day – 16 April** or first working day after this date where it falls on a weekend or a bank holiday. This is the date when outcomes are issued to all on time applicants. Where the application was made online, via the Pan London eAdmissions portal the outcome will be available online during the late afternoon/early evening. For families who applied using a paper application form their outcome letter using 1st class post on national offer day.

**Late applications** (received after national closing date) Applicants whose Common Application Form (CAF) is received by the third Friday in March in the year of expected admission will be sent their outcome on national offer day.

Applicants whose Common Application Form (CAF) is received after the third Friday in February in the year of expected admission will be sent their outcome within 10 days of their application – with the first offer day being five days after national offer day.

In very exceptional circumstances some late application will be processed as on time. This will be the decision of the child's home local authority and will be binding on all named preferred schools.

There is no right of appeal against a decision not to treat a late application as on time.

### **In Year applications**

For In Year admissions there are no statutory or local closing or offer dates. Our target is to send notification of the outcome of each application within 5 -10 school days. At the start of each academic year this may not always be possible due to the volume of applications received.

### **School applications - common application form (CAF)**

It is the responsibility/duty of all parents/carers to apply for a school place for any school aged child for whom they have parental responsibility or arrange suitable alternative education and formally notify their home Local authority of these arrangements.

For all normal and in year applicants Newham cannot automatically reserve any child a place at any school including the:

- School closest to their home
- OR
- School where their siblings or relatives are or used to be on roll
- OR
- School where their child formerly attended
- OR
- School where their child attends Saturday school or other clubs/extended services
- OR
- Faith school linked to the place of worship where they practise
- OR
- School where their parent/carer works.

A child can only be considered for a place at schools where their parent/carer has applied by completing and successfully submitting the appropriate Common Application Form (CAF).

However, this does not mean they can only be placed at one of the schools named as a preference. We reserve the right to allocate an alternative placement if we cannot meet parental preference or the preferred schools cannot meet a Newham child's needs.

Parents/carers are given the opportunity to name their preferred schools as part of their common application. The applicant can name as many school preferences as they would like but we recommend at least three and no more than six.

All of the schools/academies named by parents/carers on an application form will be treated equally to assess whether a school place can be offered to their child based on places available or their oversubscription criteria where applications exceed places available.

All applicants are given the opportunity to supply their religious, philosophical, medical, personal or social reasons for wanting a school place at the time of application. However all school placements must still be made in accordance with a schools oversubscription criteria and any associated admissions schemes.

For normal admissions (reception, primary to secondary school transition, infant to junior transition and entry to UTC's) applications for the next academic year received by the published national closing dates will have priority above those who apply after that date, provided their preference for the school has not been withdrawn. A preference will be withdrawn if a change of preference is submitted before the deadline and the school is not included on the new form.

Each application form submitted for a child for the same academic year will supersede the last except where a change of preference is received for a Year 7 or reception class after the national closing dates (see above). In this instance, the latest application received before the closing date will be used to determine the initial allocation and the change of preference will be processed as a late application.

Applications that have been sent to Pupil Services but not received will only be backdated if the parent/carer has proof of submission from the Head Teacher/Business Manager or Office Manager of their child's current school. No other proof of postage or delivery will be accepted.

To guarantee delivery of your application the Council recommends that you apply online. If you apply online you will receive an application reference to confirm receipt.

For in year admissions, applications for internal school transfers within Newham are treated the same as new arrivals, those returning to Newham or those wanting to receive an education in Newham from outside of the borough. The only exception being that if preference cannot be met for a Newham resident who is a new arrival or a child returning to Newham an alternative allocation will be made to ensure we fulfil our duty to provide education for our residents.

All school places are offered based on the child's date of birth. Their academic ability cannot be taken into account at the application (see point below).

### **Supplementary information form (SIF)**

For both normal and in year, applications can only be considered under any of the faith based criterion for voluntary aided school where the applicant has completed and submitted the named school's own Supplementary Information Form (SIF).

A SIF is available from the named school and can usually be downloaded from their website. The form must be returned direct to the school not Pupil Services and not as an attachment to an application via the eAdmissions portal.

Where a Common Application Form (CAF) for a school that uses SIF for oversubscription purposes is received but

no SIF is submitted the application can only be considered under the non-faith criterion.

SIFs without the correct Common Application Form (CAF) cannot be considered as the CAF and not the SIF is the actual application.

### **Certificate of Catholic Practice**

'**Certificate of Catholic Practice**' means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops'

Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of the child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance.

A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests <http://www.dioceseofbrentwood.net/>

Applicants should check the website of the Diocese for any changes due to Covid 19 related matters that may impact on the certificate.

### **Gifted and talented children and those who have missed part or whole school years.**

All school places in Newham are offered for a specific year group based on the child's date of birth not their stage of academic development. However the law does not prescribe the year group a child should be admitted to.

There is no statutory barrier to children being educated outside their normal year group.

Parents/carers can seek in writing at the point of application places outside their child's normal academic year group.

At point of application, the school's admissions committee will consider any parental representations to support their request for their child to be educated a year group higher or lower than for their age group. In all cases, the decision of the admissions committee is final and there is no right of appeal for a place outside a child's academic year group. This does not affect a parent/carers right of an appeal for a place at their preferred school where they have applied and been refused.

Where a place is not granted outside of the normal academic year group any alternative allocation will be based on the child's age not ability, educational history or parental representations.

### Looked After and Previously Looked After Child

For school admissions, all schools are required by law to prioritise looked after children and previously looked after children in their oversubscription criteria. These children must be ranked under criterion one, with the exception of some faith schools where the highest priority ranking only applies to looked after children and previously looked after children of that faith.

#### Looked after children

A looked after child is a child who is:

- (a) in the care of a local authority,
- OR
- (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

#### Previously Looked After Child

A child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

An adoption order in England, is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians), a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

#### Staff Child

A child whose parent/carer (person with legal parental responsibility for the child) is directly employed by the school meaning not contracted via a third party.

The law only permits staff child priority where either or both of the following circumstances apply:

- a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made;
- b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For category b where employment commences after national closing day the application will be considered under their original priority until after the national offer day 1 March (secondary) and 16 April (primary).

For both normal and in year admissions, proof of employment eligibility must be verified in writing by the headteacher/principal to Newham Pupil Services.

Proof of employment cannot be accepted from the applicant.

#### Service child

For Newham school admission purposes a child is recognised as a service child when:

- One of their parents/carers (with legal guardianship) is serving in the regular British armed forces, at the national closing date for primary to secondary transition or the application date for In Year applications
- OR
- One of their parents/carers (with legal guardianship) died whilst serving in the British armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme.

#### Siblings.

Sibling priority can only be granted where it forms part of a school's published oversubscription criteria.

Only siblings reasonably expected to be on roll at the school when the child for whom a place is being sought is due to start can be accepted for sibling priority purposes.

If a family has more than one child at the preferred school, they must name a child in the sibling section who is reasonably expected to be on roll when the child on the application is due to start.

Naming the eldest child is not advisable if they are in year group 6 or 11 as they may have left the preferred school when the child for whom the family are applying for a place is due to start (unless the school has a sixth form).

Where the applicant has failed to provide the full name and date of birth of the sibling in the appropriate section of the application form or the name provided is not the one used to register the child at their school, sibling priority may not be granted.

Sibling details only entered in the reasons section for wanting a place may not be considered.

Named siblings must be living at the same address as the child for whom the application is being made at the time of application.

Sibling connections and addresses will be verified by the Local Authority in partnership with the preferred school, so it is essential that families notify each of their children's schools of any address change before submitting their application.

A sibling connection does not count when the sibling is attending the school's nursery class unless specified otherwise.

For admission purposes siblings are defined as each of two or more children living in the same household at the same address and have one or both parents in common;

- Brother (both children have the same blood mother and blood father)
- Sister (both children have the same blood mother and blood father)
- Half-brother (both children have the same blood mother or blood father)
- Half-sister (both children have the same blood mother or blood father)
- Adopted siblings
- Step-brother through marriage
- Step-sister through marriage
- Common law step-brother
- Common law step-sister
- Foster brother (only those placed by a local authority)
- Foster sister (only those placed by any local authority)
- Children subject of a residence order.

Examples of those who will not be considered as siblings

- Cousins, aunts, uncles, friends, other family members even when living in the same home
- Other children living in the same household who are not included in the list above
- Children living at the address under an informal or formal private fostering arrangement
- Children who share the same child minder.

If a child awaiting a school offer or on a waiting list for a new offer and has a sibling who has started at the school following the submission of their application, their parent/carer must notify Pupil Services in writing ([pupil.services@newham.gov.uk](mailto:pupil.services@newham.gov.uk)) of the sibling's recent enrolment details for the child's priority for a place from the waiting list to be changed to include their new sibling priority.

Conversely, if a child is on a waiting list and has sibling priority, if their sibling is removed from the schools roll following the submission of their application their parent/carer must notify Pupil Services in writing ([pupil.services@newham.gov.uk](mailto:pupil.services@newham.gov.uk))

of the sibling's leave date for the child so their sibling priority for a place can be withdrawn.

### Twins, children of multiple births and siblings who are not twins but are born in the same school year

Normal admissions: Reception and Year 7 for entry in following September.

Twins, children from multiple births and siblings who are not twins but are born in the same within a period that means they are in the same academic year group will be admitted over the 30 class limit if one of the children is the 30th child admitted for a one form entry school or 60th for two form entry school and so on.

In year' admissions: entry outside the normal admission rounds.

Twins, children from multiple births and siblings who are not twins but are born in the same within a period that means they are in the same academic year group may not be allocated a place over the school's admission limit for their year group, if only one sibling can be offered a place.

Where not all the children can be offered a place random allocation would be used to determine which of the children will be offered the place or places available.

An officer independent of

Children's Services will be responsible for drawing the name of the successful applicant and the draw will be overseen by an independent adjudicator who will not work in Children Services or be involved with the admissions process.

### Catchment areas

Schools located in Newham (other than Harris Academy Chobham) do not have catchment areas.

Parish Catchments (Faith schools only) The Diocese of Brentwood (Catholic schools in Newham) or Diocese of

Chelmsford (St. Luke's Church of England primary school) determine these fixed boundaries and these are approved via formal processes.

Residing in parish does not guarantee a child a place at the school.

Parent/carers can find out which school(s) parish area you live in by visiting our School Finder app located on the Newham website. Alternatively you can call the Council on **020 08430 2000** for help and advice.

More information on Parish catchments is available in the admission arrangements for each of our faith schools that can be viewed on the Newham website and the schools own websites.

### Home address

A child's home address is where they reside for the majority of the school year, being 1st September to the end of July. This is the address we use to determine residency in the priority area for Sarah Bonnell, Catholic or Church of England parish and home to school distance as applicable to an application.

Where a child's natural parents are not living together and the child spends a few days in both households on week days, then the address that will be used for admissions will be the one from which the child goes to school in the morning most often on week days.

For families who own more than one property, where any of these properties is occupied by a third party through a rental, family or friendship agreement, it cannot be considered as the child's home address. If the family have more than one property and full, Council tax is paid for both properties the address that has been registered for the child for the preceding three months will be used for admissions purposes.

Any address supplied as the child's home address will not be considered if it is:

- An address registered with the Council as commercial property (the only exception is where a commercial address is confirmed by Housing Section of the child's home borough as being their official temporary home address)

OR

- An address registered with the Council as empty or derelict

OR

- A tenant's address, where the property owned by the parent/carer and rented to a third party who is not the applicant

OR

- Another family member's/friend's address who does not have parental responsibility for the child, even if the tenant is responsible for the child's daycare arrangements

OR

- Their child-minder's address

OR

- A PO Box address (where the PO box address is a result of Police or Social Care intervention the LA will work with the appropriate professionals to establish the address to be used for admissions purposes)

OR

- Second or other additional properties owned by the child's family, which do not have other tenants and where the child is not resident for at least 6 months of the academic year

OR

- Future addresses even if contracts have been exchanged or the Council have offered the property in writing

OR

- Any address not registered for Council Tax as an official residential abode.

This is not an exhaustive list.

These cannot be used for the purposes of allocating school places.

### Verification of Home Address

All offers and alternative allocations in Newham are conditional on the information being provided on the application being accurate at the time of submission. This means that address and date of birth checks are not made until the admission meeting, at which point they are mandatory. See appendix 2 for full details of the documentation required for admission.

In addition to the conditional offer scheme, we may also operate internal verification programmes using other Council databases such as Council Tax, Electoral Register and Licensed Landlords.

Where any allegation of using a false address is made, a thorough investigation using all available resources will be carried out.

In some cases unannounced home visits may be made by officers/representatives from the Council or the school.

It is an offence to provide false address information when applying for a school place. If a family are found to have provided a false address or other information, that was considered as a deliberate act to mislead, the school place offered maybe withdrawn. In some instances this can lead to prosecution and the child being removed from the roll of a school.

### Change of home address

If a child awaiting a school offer, or is on a waiting list, changes their home address their parent/carer must notify Pupil Services in writing ([pupil.services@newham.gov.uk](mailto:pupil.services@newham.gov.uk)) and provide Newham approved proof of that change.

Any change of home address will not on its own be considered as a fresh application.

On receipt of any change of address, Pupil Services will recalculate the home to school distances for any school where they are on the waiting list.

If they are applying for a year 7 or reception class for next September entry, if the address change is prior to the national closing date 31 October and 15 January respectively preceding entry, it will be used to determine the offer or alternative allocation for national offer day in March and April.

If the change is after the national closing date it will be used as a correspondence address only until the day after national offer day, at which point it will then be used as the address for admissions purposes.

If Pupil Services are not notified of an address change, in writing by the family to [pupil.services@newham.gov.uk](mailto:pupil.services@newham.gov.uk), the Council cannot be held responsible for correspondence being sent to a child's previous address or the child's priority for a placement being incorrect.

If a child changes home address to live temporarily or permanently with another person other than their parent/carer named on the application, even if this person is a family member, Pupil Services

will need proof of the change of parental responsibility before the address change will be applied.

If a child is moving address with their family or they are moving to live with another member of their family, the address on the application must be the address they were living at, at the time the application is signed by the applicant, not their future address.

### Special Education Needs and Disability

Children with an Education Health Care Plan (EHCP) or Statement of Special Educational Needs will be placed

under the current Special Education Needs and Disability regulations.

Placements in special schools are determined outside of these arrangements using the current Special Education Needs and Disability regulations and any associated local published protocols.

Placement in resource provisions located within schools in Newham are determined the 0-25 SEND Service.

All other children with special educational needs but do not have an EHCP or the need for a placement in resource provision will be placed using the admission arrangements in this document.

### School placements

All offer of placements is determined by the school's own admissions authority.

**Maintained and voluntary controlled schools:** (excluding voluntary aided faith schools): LB Newham is the Admission Authority.

**Maintained voluntary aided faith schools:** the school are their own Admission Authority.

**Academy schools (including free schools and UTCs):** the school or their Trust, as published are the Admission Authority.

Academy schools have the option of devolving responsibility for all or some elements of their admission to the local authority.

Admissions are co-ordinated by London Borough of Newham for all schools in the area. They will determine the highest single offer that can be made to all applicants and send the offer outcomes on behalf of all admission authorities.

### Equal preference - single offer scheme

**The Local authority operates an equal preference system in line with the School Admissions Code.**

This means all schools named by the parent/carer on their common application form (CAF) will be treated equally to assess whether a school place can be offered to their child based on the published admissions criteria for each school named. In cases where more than one school place can be offered to a child, the ranked order (the preference order) on the CAF will be taken into account and the school place offered will be in the school that was ranked highest of those that can be offered.

If a child was not initially offered a place at the school named as their parent/carer's first preference and a place can be offered from the waiting list at a school that was ranked higher than the school currently offered. The existing offer will be automatically withdrawn even if it was previously accepted, unless the child has started at the school or the parent/carer has notified Newham in writing that they no longer want their child to be considered for places at a school ranked higher than the school offered. This notification will mean that the child will be removed from the waiting list for those schools and the child can only be considered for a place if the parent/carer submits a fresh application.

### **School offer and alternative allocations**

Where a school has places available applicants will automatically be offered a place unless they have been permanently excluded in the last year, or have an Education Health Care Plan or Statement of Special Educational Needs. For these children LB Newham follows the SEND and Exclusion regulations and local protocols.

All school places are offered on the condition that the information provided on the application form was accurate at the time of submission.

If at any time a school has more applications than places available their oversubscription criteria will be applied to determine which children can be offered a place or the child's waiting list position where the school is full.

For normal admissions being primary to secondary transition and starting primary school, up to 1 September in the year of entry, offers will be made under the Pan London co-ordinated scheme.

Newham will make every effort to offer every child a place at one of a parent/carers preferred schools, where this is not possible and the child is out of education because they are not on roll at a school, or where no previously allocated placement is available to them, an alternative placement will be allocated unless the child does not live in Newham. This alternative will be the closest to their home address that had a place available at the time of their application.

For children who do not live in Newham, their home borough will be responsible for providing a suitable alternative placement.

If the closest school to their home address with a vacancy is a state funded independent school it can only be allocated if the Admissions Committee for that establishment have agreed in writing to participate in the Local Authority's alternative allocation process.

Newham cannot guarantee that any alternative allocation will be close to the family's home, but it will be within the borough boundary.

Where a child has physical access requirements, and their preferences cannot be met, they will be placed in the closest school to their home that has places available and can meet their access needs.

The Authority will not allocate a second alternative placement, as a result of a placement becoming available at a school closer to their home unless they are number one on that schools waiting list. The only exception to this is where Newham parent/carers secure education otherwise and later apply again for a school place. It is possible that a subsequent alternative allocation may be further from the child's home address than the last and each allocation will be for the closest school to their home at the time of application.

For normal admissions, on the day after national offer day, the local authority will contact all applicants who child was allocated an alternative placement because preference could not be met, advising them of all the schools with remaining places. Applicants will be given the opportunity via this written communication change their alternative allocation to another school with a place available. Revised alternative allocations will be made on a first come first served basis.

The Authority cannot guarantee that siblings will be placed in the same school. If this is the case and an alternative allocation is required for all of the children as parental preference cannot be met, or the parent has agreed via their application form, the Authority will attempt to place all the siblings or the majority of the siblings in the closest school that can accommodate the maximum number of the children, even if individually they could have been placed in separate schools closer to their home address.

If a parent/carer of a compulsory school aged child is unhappy with the school offered they must still ensure their child is admitted to and regularly attends that school unless they can provide evidence they have suitable alternative education for their child, or they no longer need a school place in Newham as they have moved away and can prove they are in the process of securing education for their child outside of Newham.

### Acceptances and refusals

For both normal and In Year admissions where a place is offered in Newham (except for Year 7 in an All Through School) we will automatically register your acceptance on our records – unless you fully complete and return the refusal section of the outcome notification. This means parent/carers can be confident that their offered place is secured.

Where a place has been offered in a school outside of Newham, as part of Pan London coordination, the place will not be automatically accepted. Acceptance must be made by the published closing date either online via the Pan London eAdmissions portal for applicants who applied online or by email to **pupil.services@newham.gov.uk**

For normal admissions for All Through Schools where a parent/carer has applied for year 7 place in another school, we will ask for written confirmation as to whether the child will be remaining at their All Through School for the first day of the new school year in September or they will be accepting the place offered in the offered school. If the latter we will write to you confirming that you will be off rolled at your current school at the end of Year 6.

If a parent/carer completes and submits the refusal form, if a satisfactory reason is supplied the place will be withdrawn and Pupil Services will write confirming the place will no longer be available for their child. Where the reason is unsatisfactory and indicates the child may be missing education an officer for the named school or the Local Authority will contact the family to seek further information and provide advice on next steps.

For primary to secondary transition and starting primary school, where a parent indicates on the Pan London eAdmissions portal they are refusing the place offered,

Pupil Services will contact the family to determine why the child no longer requires the place and what alternative education is being provided.

### Start dates

The normal month for admission for both primary and secondary school is September.

Children usually start on the first day of term as published on the school's website or at a date agreed with the head teacher. For reception classes it is common for schools to offer staggered start dates so all the new children do not start together so they have time to settle.

In Year applicants, being those outside the normal admission rounds, usually start within five school days of the parent/carers contact with the named school following receipt of the offer/allocation outcome notification.

Where a child is moving from one school in Newham to another, the start date will be agreed between the child's current school, the offered school and the parent/carer.

Parents/carers must contact the named school to arrange admission within three school days from receipt of the school offer to arrange an admission meeting. At this meeting, parent/carers must provide acceptable proof of their child's date of birth and address that must correspond with the details supplied on the application form. If a child's address has changed since the form was completed, the school will require proof of the address on the application form and the new address.

If the parent/carer is unable to provide the required documents, the school may arrange an unannounced home visit to confirm residence.

### Deferred entry and part time arrangements

Children due to start reception in September can have their admission deferred up to but not beyond the term in which the child reaches compulsory school age.

Any offered placement will only be reserved for deferred entry if the parent/carer has applied for deferment in writing to the head teacher of the school offered, has exceptional circumstances and the head teachers agrees to their request (this does not apply to summer born deferment) Children born between 1 April and 31 August will reach compulsory school age on 31 August, that is, during the summer term.

Children being admitted to reception can be admitted on a part-time basis, until the child reaches compulsory school age or full-time basis, or choose a place at a nursery or other early learning setting if the parents prefer.

Any placement will only be considered on a part-time basis if the parent/carer has applied for the hours they prefer in writing to the head teacher of the school offered and the head teacher agrees to their request.

### Summer born children and requests for admission outside of a child's year group.

Children are educated in school with others in the same year group. A year group is based on a child's date of birth, not their ability or the amount of schooling they have already received.

Parents may request that their child be exceptionally admitted outside their age group. The admission authority and the headteacher in partnership with the local authority must decide whether or not the individual child's circumstances make this appropriate on educational grounds.

Such requests will only be agreed in exceptional circumstances.

If a place is not offered in the year group of the applicant's choice there is no right to independent appeal however, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group. To make a complaint follow the procedure published on that school's website.

All requests must include the applicant's reasons. These can be supported by recent professional evidence of the child's circumstances which make education outside the age group necessary but this is not essential. Each admission authority must make its own decision, but all will expect to see evidence of an individual child's educational need, rather than general factors which relate to a wider group of children born at a similar time. They will want to discuss with parents the impact of the child being educated with children of a different age, both within primary school and at transition to secondary school when admission outside the age cohort cannot be guaranteed.

Summer born children can be admitted to the reception class in the September following their fifth birthday, if their parent/carers indicate this on their common application form. It is expected that parent/carers discuss this as soon as possible with the schools they are interested in applying for and the local authority and consider the impact of this application on their child's future educational career.

Each such application will be considered on an individual basis by the admission authority in conjunction with the Local Authority. Factors that maybe considered include:

- the needs of the child and the possible impact on them of entering year 1 without having first attended the reception class
- in the case of children born prematurely, the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth

- whether delayed social, emotional or physical development is adversely affecting their readiness for school
- relevant research into the outcomes of summer born and premature children – some links are provided at the end of this document.

NB: This is not an exhaustive list.

#### When to apply - Option A

Parents requesting admission to an age group below the child's actual age should submit an application for the child's actual age group before the closing date on 15 January preceding the September of the desired year of entry. The request for later admission should accompany the application. This enables the application

to be processed and a school place secured in the child's actual age group if the request is refused by an Admission Authority.

Example – for a summer born child who based on their date of birth, is due to start in reception in September 2022, if a parent wants them to start reception in September 2023 they can submit their application by 15 January 2022 with a request for 2023 start date

### **When to apply - Option B**

Parents seeking admission to an age group below the child's actual age should submit their request in the September of the year before the year when children of the same age are due to start school. This enables a parent to apply for a school place in their child's actual age group before the closing date on 15 January preceding the September of the usual year of entry, if the request for later admission is refused by an Admissions Authority.

Where a child was not living in Newham on 15 January preceding the start of the academic year, parents must submit a written communication expressing their wishes along with the professional evidence with their In Year common application.

In Newham primary head teachers will normally arrange to meet with any parents/carers who request summer born entry with, where possible, their early year's provider and other relevant professionals to determine the outcome. Minutes will be taken at the meeting and all parties will be asked to sign to confirm they are an accurate representation of the meeting.

If the admission authority/head teacher approves the request, the parent will be advised to reapply by the national closing date for reception for the following year and provide a copy of the decision.

There can be no guarantee of a place being available at the same school in the next year's round of admissions, as this is dependent on the number of applications that year and the priority of all other applicants. It is not possible to reserve a place for the following year. Parents are therefore advised to have alternative arrangements in place.

Even where summer born deferment has been agreed by one school there is no guarantee that another school will accept this decision. This means the new named school will expect the child to start in year 1, not reception.

Parent/carers must consider this decision carefully as it may result in a child being educated below their age group for the whole of their time in school, not just primary school.

### **Waiting lists**

For Year 7 entry in the next academic year, waiting lists will open on the day following national offer day in March.

For reception entry in the next academic year, waiting lists will open on the day following national offer day in April.

For all other year groups waiting lists open on the first day of the new academic year in September and are closed and cleared on the last school day of each school term, except where the application was received in Pupil Services on or after the first day of the month in which the school holiday starts, then the application will be automatically rolled forward to the same school waiting list for the new term.

If a child cannot be offered a place at any of their parent/carers preferences as detailed on their application, a child's name will be automatically added to the waiting list for each of the schools named (unless one of their preferences is an academy or UTC and their admission arrangements state a different process).

The offer of a preferred school will automatically result in lower ranked schools being withdrawn unless the applicant notifies LB Newham's Pupil Services in a written communication of their requirements.

All waiting lists must be organised in accordance with the published criteria (below), not on a first come, first served basis. This means children new to a waiting list are added in their rightful place based on their priority for a place and not automatically at the bottom.

As a result of waiting lists being organised in accordance with published criteria it is possible for a child to move down a list as well as up. This can be on a daily basis for schools which have high numbers of applications and/or high mobility.

A child added to a waiting list will remain on that list until:

The child is offered a place at a school ranked higher  
OR

The child is offered a place at the school and the  
place is refused

OR

The parent/carers request their child to be removed  
from the list, in writing

OR

The parent/carer submits a fresh application and has  
not named the school as one of their  
current preferences

OR

The application was found to be fraudulent or  
completed to deliberately mislead

OR

The last school day of each term

OR

Where the application was received in Pupil Services  
on or after the first day of the month in which the  
school holiday starts, at which time the application will  
be automatically rolled forward to the same school  
waiting list for the new term.

Where a child has been removed from a waiting list,  
to be added again their parent/carer must complete  
and submit a fresh application form.

For all schools who participate in the Council's  
waiting list scheme, Pupil Services will issue automatic  
weekly email advising the applicant of the child's  
waiting list position. **Note:** this service can only be  
provided if we have a current valid email address and  
the applicant has opted in to this service.

For those families who have a child on a waiting list  
for whom we have a current valid email address, we will  
send notifications when the waiting list are closed and  
cleared each term.

When any school officially reports a vacancy, the  
place will be offered to the child who is at the number  
one position on the waiting list for that year group on  
the day the vacancy was reported.

### Independent admission appeals

A parent/carer whose child has not been offered a  
place at a school named on their application form will  
be notified in writing of their right to an independent  
admissions appeal hearing under the School and  
Standards Framework Act 1998.

Our appeals process is fully compliant with the  
Department for Education School Appeals Code that can  
be found at School Appeals Code and the temporary  
changes to the Regulations issued as result of Covid 19  
restrictions [www.gov.uk/government/publications/school-  
admissionsappeals- code/changesto-the-school-admission-  
appeals-code-regulations-during-the-coronavirusoutbreak](http://www.gov.uk/government/publications/school-admissionsappeals-code/changesto-the-school-admission-appeals-code-regulations-during-the-coronavirusoutbreak)

Irrespective of the ranked order of the school,  
offered parent/carers still have the right of appeal for a  
place ranked lower than the school offered.

Parents/carers do not have a right of appeal if they  
have been offered a place and it is not in the year  
group they would like. However, they may make a  
complaint in accordance with the relevant published  
complaints procedure.

Accepting/attending another school does not have a  
detrimental impact on the outcome of an independent  
appeal. Irrespective of the family's view of the likely outcome  
of their appeal, as there is no guarantee that any appeal will  
be successful the LB Newham strongly recommends that  
families accept and attend the school offered whilst  
awaiting the outcome of any appeal.

Failure to ensure a child receives suitable education may  
result in formal attendance proceedings being initiated.

If a parent/carer has had an unsuccessful appeal, a second  
appeal application for a place in the same academic year,  
for the same school, will not be considered unless there  
have been significant changes in circumstances relevant to  
the application. The admission authority will make their  
decision as to whether to grant the second appeal based  
on the significance of the change.

### Tie Breaker: shortest home to school walking distance

If we have to decide between applicants in any of the above  
admissions criterion, the tiebreak will be home to school  
shortest walking distance, starting with the nearest address.  
In the event of two or more children living equidistant from  
the school, the place will be decided by a random draw, the  
first name drawn will be offered the place.

For Sarah Bonnell School only, within each criterion,  
priority is given to those girls whose main home  
address is within the schools priority area, then the  
home to school distance tie break is applied.

The Local authority uses an Industry Leading and Council  
approved Geographical Information System (GIS) to  
calculate shortest walking distance measurements. This  
system provides distances in miles and yards to three  
decimal places using a routing database system, based upon  
two dimensional maps. Contour, elevation or terrain is not  
taken into account when the distances are measured.

Applicants can check their home to school distance  
for any school in Newham, including those who use  
straight line distance by using School Finder on the  
Newham website. This will show the start and end  
points and the route we use. This will assist with making  
any making informed decision about the likelihood of  
being offered a place before naming preferences.

**Note:** some academy schools in Newham, who do not  
adopt these arrangements, use straight line distance or  
random allocation as their tie breaker.

**Home to school distance calculations:  
Tiebreak for each oversubscription criterion where  
there are more applicants in that criterion group  
than places**

**Shortest walking distance**

**Start point of calculation (home address)**

For calculation purposes, the local authority uses the best address database available to determine the location of the address start point.

This start point is the centroid point of within the property building boundary being the building on the site. The property buildings used are based upon the UK's definitive map base supplied by the UK's national mapping agency Ordnance Survey (OS).

This means if a child lives in a block of flats where a communal entrance used as an entry point the LA will use the centroid of the block and not the individual flat for these calculations.

All calculations are based on the child's home address supplied on the application form being correct at the date of parental/carer's signature and the address being classified as a residential property on the Council's database.

**Shortest walking distance**

**End point of calculation (school nominated entrance)**

The school's nominated entrance (nominated gate) used for calculation purposes is the main gate at the official postal address of the school unless their Governing Body has officially notified the LA by 31 August every year of a different entrance for measurement purposes. No other entrance will be used to calculate the distance.

**Route (shortest walking distance)**

The shortest walking route is calculated using the LA's adopted highways and approved footpaths available to the best of our knowledge at the time of the calculations.

The route starts and is measured from the pupils home address centroid, links to the nearest point on the Ordnance Survey MasterMap Integrated Transport Network (ITN), then follows the shortest available walking route (see below) to link to the nearest ITN point to the schools nominated entrance and then ends at that nominated entrance. Doglegs are added to the start and end points to join the centroid point of the property to the start point of the ITN route to give a full and accurate measurement.

All routes are measured using data from Ordnance Survey, the officially recognised national mapping agency. Where necessary we have enhanced this dataset to reflect the characteristics that aim to best deliver our adopted local standards.

The following are excluded from our calculations (this is not an exhaustive list and maybe subject to

change depending on conditions outside the control of the Admissions Service) Parks/recreational areas (The Greenway is included in our calculations). Unofficial crossing points of the A12/3 and the Docks Footpaths and walkways not approved by the LA

**Second stage tiebreak**

If the LA's system calculates that two or more pupils applying for the same school in the same year group have the same home to school distance (to three decimal places) the following criteria is used to determine their priority.

For pupils who live in a block of flats, whether they are within a multiple home block or a flat within a single house, priority will be given based on the floor the child lives, with the lowest floor having priority over higher floors.

In all other cases random allocation would be used to determine which of the children will be offered the place available. An officer independent of Children's Services and the admissions processes will be responsible for drawing the name of the successful applicant and the draw will be overseen by an independent adjudicator who will not work in Children Services or have any involvement with the admissions processes.

**For applications from outside of Newham**

The route starts and is measured from the pupils home address, links to the nearest point on the Ordnance Survey MasterMap Integrated Transport Network (ITN), then follows a straight line measurement (as the crow flies) to the nearest point on the Ordnance Survey MasterMap

Integrated Transport Network (ITN) on the Newham borough boundary, then follows the shortest available walking route (see below) to link to the nearest ITN point to the schools nominated entrance and then ends at that nominated entrance.

**Gates and entrances**

**Note:** the entrance (gates) used for home to school distance tiebreaks, is the entrance for the official postal address except for the following schools that use alternative entrances as requested by their Governing Body.

Brampton Manor Academy - Boundary Lane E6

Central Park Primary School - Loxford Avenue E6

Little Ilford School - Browning Road E12

St. Angela's Ursuline Convent School - Main Entrance of Our Lady of Compassion (Upton Park)

St. Bonaventure's Catholic Comprehensive School - Main Entrance of Our Lady of Compassion (Upton Park)

St Joachim's RC Primary School – Front Main Entrance of Newham Dockside

Upton Cross Kirton Road Site – Kirton Road E13

Note: to ensure continuity for all applicants only the LA council approved system can be used to calculate home to school distance tiebreaks.

Other GIS systems such as Google Maps or personal Satellite Navigation Systems will not necessarily calculate the same route as the LA approved system as they may not be able to accommodate our approved routes.

### Fair Access Protocol

The Council is legally required to have a Fair Access Protocol.

Fair Access Protocols is only be used to place the following groups of vulnerable and/or hard to place children, where they are having difficulty in securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual inyear admission procedures.

This Protocol only applies for families applies outside of normal admissions; it only applies to in year admissions.

- a) children either subject to a Child in Need Plan or a Child Protection Plan or having had a Child in Need Plan or a Child Protection Plan within 12 months at the point of being referred to the Protocol;
- b) children living in a refuge or in other Relevant Accommodation at the point of being referred to the Protocol;
- c) children from the criminal justice system;
- d) children in alternative provision who need to be reintegrated into mainstream education or who have been permanently excluded but are deemed suitable for mainstream education;
- e) children with special educational needs (but without an Education, Health and Care plan), disabilities or medical conditions;
- f) children who are carers;
- g) children who are homeless;
- h) children in formal kinship care arrangements;
- i) children of, or who are, Gypsies, Roma, Travellers, refugees, and asylum seekers;
- j) children who have been refused a school place on the grounds of their challenging behaviour and referred to the Protocol in accordance with paragraph 3.10 of this Code;
- k) children for whom a place has not been sought due to exceptional circumstances;
- l) children who have been out of education for four or more week where it can be demonstrated that there are no places available at any school within a reasonable distance of their home. This does not include circumstances where a suitable place has been offered to a child and this has not been accepted; and

- m) previously looked after children for whom the local authority has been unable to promptly secure a school place

Eligibility for the Fair Access Protocol does not limit a parent's right to make an in-year application to any school for their child.

There is no duty for local authorities or admission authorities to comply with parental preference when allocating places through the Fair Access Protocol, but parents' views should be taken into account.

Children with an EHCP or those who are Looked After cannot be placed using our Fair Access Protocol, these are placed using specific regulations.

A copy of our latest Fair Access protocol is available on the Newham website or by calling **020 8430 2000**.

# LONDON BOROUGH OF NEWHAM SCHOOL ADMISSION OVERSUBSCRIPTION CRITERIA FOR ENTRY FROM SEPTEMBER 2022

Children with an Education Health and Care Plan will have a school named in their plan before all other applicants are considered.

If we have more applications under the above considerations, than we have places available, we will apply the admissions criteria below to decide which applicant gets priority. Children in a lower priority group will not be offered a place unless all the children in the group or groups higher have been offered.

**Priority 1:** Looked after child and any child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the London Borough of Newham to have been in state care outside of England and ceased to be in state care as a result of being adopted.

And then

**Priority 2:** Children who have been assessed by Newham Council's Special Educational Needs Service as requiring a particular named school to meet their special educational needs and/or physical access. In addition, the child must be on the Special Educational Needs Code of Practice and be in receipt of 'high needs funding' and/ or have physical access difficulties.

And then

**Priority 3:** Children who have a sibling on roll and they are reasonably expected to still be on roll at the time of admission in the school. And then

**Priority 4:** Children whose parent/carer (person with parental responsibility) are directly employed by the school.

And then

**Priority 5:** Service children

And then

**Priority 6:** All other children, whether or not they live in Newham.

If we have to decide between applicants in any of the above admissions criterion, the tiebreak will be, home to school shortest walking distance, starting with the nearest address (see home to school distance definition above).

## APPENDIX 2

### Documents for Admission

All school offer and alternative allocations for educational establishments for compulsory school aged children are conditional. This means they are made on the condition that the information provided on the application was accurate at the time of signing and submission. If it is found to be fraudulent or deliberately misleading the school place may be withdrawn. For a child to be admitted their parent/carer must provide Newham acceptable proofs as specified below. Where these documents cannot be provided further action maybe required before admission can take place. This does not mean any child will be refused a school place, but it does mean they may not be offered a place at an oversubscribed school where they cannot prove they have priority.

Only original copies of documents can be accepted at the school admission meeting, photo copies are not permissible. Both sides of the documents will be checked for authenticity as photo-copies and scanned images can now capture watermarks.

Certified, dated photo/scanned copies will be taken in all cases of all documents and added to pupil file.

#### School admissions - children from overseas School applications from overseas

In most cases, children arriving from overseas have the right to attend schools in England. School admission authorities must not refuse to admit a child on the basis of their nationality or immigration status nor remove them from roll on this basis.

It is the responsibility of parents/carers, not the local authority nor a school, to check that their children have a right, under their visa entry conditions, to study at a school.

Information on how to determine their rights can be obtained from Right of Abode

Children aged under 18 are classed as dependent children if they are the children of foreign nationals who have settled status in the UK, or who are entering the UK on a work visa or Student visa, or who are part of a family entering or residing in the UK under the immigration route for British National (Overseas) citizens and their dependants. These children are entitled to enter the country with their family, or to join their family and study at a state-funded or independent school once in the UK.

Foreign nationals cannot use the 6-month Standard Visitor visa, or 11-month Short-term Study (English language) visa, to enter the UK to enrol as a pupil at a school.

Unaccompanied children may also enter the UK to access a school. To comply with their visa terms, unaccompanied foreign national children, and young people (including such EEA nationals entering the UK after 31 December 2020) who are entering on a Child Student visa or Student visa must, when accessing education in England, study at the independent school, sixth form college or further education college which is sponsoring them.

#### Proof of the child's legal name and date of birth:

- **UK Birth Certificate** – short or long versions (non UK birth certificates cannot be accepted as they may be in a language other than English)
- OR
- **Valid Current Passport** (the child maybe included on their parents' valid current passport)
- OR
- **Official Documentation from the National Asylum Seeker Service** including an application registration card (ARC)
  - The ARC has been issued to asylum claimants and their dependants since 2002. The ARC may provide public sector bodies with assurance that you or your dependant is an asylum claimant
  - This is a credit card-sized plastic card issued by the Home Office to individuals who claim asylum. It contains information about the holder's identity or claimed identity although it is not evidence of identity.

**Note:** only Adoption or Deed Poll documentation can be accepted as proof of a child's official name change following the issue date of any of the above documents.

### Proof of the child's main address:

Documentation to confirm the child's current home address must be addressed to at least one of the parent/carers detailed on the Common Application Form (CAF) who must live at the same address as the child.

If the child has moved since the application form was completed proof of both their new address and the address on the application form must be provided. Pupil Services must be notified of any address change since the Common Application Form CAF was completed in case the place may have been secured by fraudulent means.

If a child's parents are not living together and the child spends a few days in both households on week days, then best practice is to take proof of both addresses, but for admission as a minimum, they must provide proof of the address registered on the CAF which should be the one from which the child goes to school in the morning most often on week days.

- Council Tax Bill for the current financial year (residential not commercial)

OR

- Current Housing Benefit Entitlement Letter (financial details should be deleted on the copy in their presence)

OR

- Current Tenancy Agreement for Council Housing or Housing Association Property

OR

- Tenancy Agreement for Private Accommodation from Newham Accredited Landlord (acceptable to December 2012) or Tenancy Agreement from a Newham Licensed Landlord (accepted from January 2013 onwards)

OR

- Letter from the National Asylum Support Service (NASS) Team informing the family of the address of the accommodation being provided for the family

OR

- A letter from Adult/Children's Services Asylum Team informing the family of the address of the accommodation being provided for the family.

**Note:** Tenancy Agreements from Landlords who are not accredited (licensed from January 2013) by Newham and documents relating to house/flat purchase must not be accepted. If you are provided with a child's home address that is Private Sector Housing and the property is unlicensed, the case must be reported by the school via the Private Sector Housing – Report an Unlicensed Private Rented Property page of the Newham website.

AND one of the following Utility Bills (this is not required for families supported by NASS or a Social Care Asylum Team). In all cases the amount due and their

balance should be deleted from the copy in the parent/carers presence).

- OR
- Electricity Bill/Payment Schedule/Reminder – dated for the current financial year
- OR

### Proof of parental responsibility:

Documents should be provided by the person living with child to confirm their parental responsibility and details of other persons with parental responsibility for this child.

### Apply for your child's school place online

Each screen will explain what you need to do; there are guidance notes on the left hand side of the screen to help you. You can select any text that is underlined (usually a question/section of the form that needs to be completed) and this will open in a new window with an explanation of what is required. Applying online for a school place is quick and easy. Follow the steps below to start your child's online application.

#### Step 1: Getting started

- Before you start your online application, you will need to do some research
- See your local authority's website for details about how applications are processed
- Visit schools
- Check schools' websites
- Read the admissions criteria for the schools you are interested in
- Check how places were offered in previous years
- You should check transport policies for local authorities (outside London).

#### Step 2: What to do if this is the first time you are applying online using eAdmissions

If you have used the eAdmissions system before to apply for a school place for any of your children, you do not need to register again. Instead please go to Step 3.

- If this is the first time you are using the eAdmissions website you must register to apply online at [www.eadmissions.org.uk](http://www.eadmissions.org.uk)
- You will need an email address to register, but don't worry if you do not have one. You can sign up for a free Google mail email account on the eAdmissions site
- It is important that you register well before the deadline, in case there are any problems making your application. The closing date is 15 January 2022 for Primary applications
- We recommend Google Mail. However, if you already have an email address you should set your junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox. You should check your junk email folder now and then to make sure that messages from eAdmissions Team are not sent there by mistake
- Once you have registered on the eAdmissions site, we will send you an email with your username and instructions to follow

- Follow the instructions and you will be sent a second email with your password
- Please keep these safe as you will need them to log in and apply for any other children you have, and to see the outcome of your application in April for Reception applications
- The email will also contain a link which will take you to the eAdmissions login page to start your application.

#### Step 3: What to do if you have applied before using eAdmissions or you have just registered and received your username and password

- On the home page select 'login to an existing account' and enter your username and password
- If you have forgotten your username or password we can re-send them to you when you select the 'Forgotten your username or password?' link
- We will send you an email with your username and a new password. Use these to log in to your account
- You must check your personal details – your home address, email, telephone numbers. To make any changes select 'Edit your details' and enter the new details but make sure you press the 'Save and continue' button to record these changes.

#### Step 4: Adding your child's details

- The next page is 'My school admissions'. If your child's name is not listed here, select the 'Start application for new child' button
- If you can see your child's name on your 'My school admissions' page, select the 'Start new application' button below the child's name. This button will only be available for children whose date of birth falls within a relevant age range.

Enter the details requested about the child you are making the application for on the 'Child details' page or check existing details and select the 'Save and continue' button.

- Fill in all the questions on this page and press the 'Save and continue' button at the end of the page.

#### Please remember:

- Council tax account number: Some local authorities will ask you to list this information for the address where your child lives. For more details select 'Local Authority details' button on the left hand side bar to see your council's policy on this
- Child's current school: Please select the school from

the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the school name listed

- Twins or triplets: If you have twins or triplets you must make an application for each child and tick the multiple birth box.

### Step 5: Adding school preferences

- Add your preferences in the order you prefer them. You can select up to six schools. If you want to name more than six contact Pupil Services
- Make sure you include the details of any brothers or sisters who may be attending one of the schools you have applied for. If you do not tell us, you may lose out on the sibling criterion
- If you would like your child to be considered under medical or social criteria for any of the schools you have applied for, you must tick the relevant box and attach supporting evidence. You can attach documents once you have submitted your application. If you do not provide the evidence to support your application, your request cannot be considered under that criterion
- Some schools ask you to fill in extra forms called Supplementary Information Forms (SIF). If you do not fill in these forms and send them direct to the relevant school, you risk your chance of getting a place at these schools
- It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example sibling box) your application will not be considered under that criterion
- Each time you fill in the information on a page, make sure that you select the 'Save and continue' button or the information will not be registered.

### Step 6: Submitting your application

- You can make changes to your online application up until the closing date. Each time you make a change you must resubmit your application
- Select the 'Submit application' button on the last page
- After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 316-2022-09-E-123456. If you do not receive a number it means your application was not submitted successfully and you must log in and select the 'Submit application' button again.

### Step 7: Attaching documents

Many local authorities need you to send them information to support your application. You can find out what each local authority needs by reading their

information booklet about applying for school places. Select 'Local Authority details' button on the left hand side bar.

Documents you may need to attach:

- Confirmation of your child's address and their date of birth
- Information to support your application such as doctor's letters if you have applied under the medical criterion
- Information to confirm your child was looked after or previously looked after
- Information to confirm that you are a crown servant.

### Important information

If you have ticked any of the categories above and do not provide evidence to show this, your local authority is unlikely to take account of this when making allocations.

### What happens next?

- If you submitted your application by the closing date, you will be sent the outcome of your application on the published offer day
- You should respond within 14 days. To accept or decline your offer you should log back in to your eAdmissions account and select the 'View outcome of application and respond' button
- Some local authorities do not send letters if you have applied online. Check your local authority's details on the left hand side of the 'My school admissions' page.

# HEALTHY TEETH, HAPPY FAMILY!

Did you know that one in four five-year-olds in Newham has tooth decay?

NHS dental care is free for all children under 18 and 19 if you are in full-time education.

Top tips for keeping your teeth healthy:

- Limit sugary food and drinks
- Brush your teeth twice a day for two minutes with fluoride toothpaste
- Spit your toothpaste in the sink, but don't rinse your mouth with water
- Change your toothbrush every 3 months
- Take your child for regular dental check-ups - all children should see a dentist by the age of one

Find a dentist near you by searching "NHS find a dentist" in your web browser.

**Fluoride varnish**

Did you know that fluoride, when applied to the teeth by a dentist helps to strengthen children's teeth?

**Fluoride varnish is offered to all children in Newham who are in nursery, reception and year 1. It is also offered to all children who attend one of Newham's special schools.**

## NEWHAM CATHOLIC DEANERY PRIMARY SCHOOLS ADMISSION POLICY

For admission from September 2022

Full Determined Arrangements can be found on school websites

Newham Catholic Deanery Primary Schools were founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic applicants in accordance with the oversubscription criteria listed below. The schools are conducted by their Governing Body as part of the Catholic Church in accordance with their trust deeds and instrument of government or articles of association, and seek at all times to be a witness to Jesus Christ.

As Catholic schools, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admission authority for each school and has responsibility for admissions to their school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing bodies have set their Published Admission Numbers (PAN) of pupils to the reception year in the school year which begins in September 2022 as shown below:

St. Antony's Catholic Primary School	60 pupils *
St. Edward's Catholic Primary School	60 pupils *
St. Francis' Catholic Primary School	60 pupils *
St. Helen's Catholic Primary School	60 pupils *
St. Joachim's Catholic Primary School	60 pupils *
St. Michael's Catholic Primary School	30 pupils
St. Winefride's Catholic Primary School	60 pupils

<sup>3</sup> St Helen's and St Joachim's Catholic Primary Schools are part of Our Lady of Grace Catholic Academy Trust and adhere to their articles of association, all other schools are voluntary aided and their trust deeds & instruments of government apply. <sup>4</sup> This is for admission to the school at the start of the school year in September and not for applications made in-year.

The governing body will admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

### **Pupils with an Education, Health and Care Plan**

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

### **Oversubscription Criteria**

**Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.**

1. Catholic looked after and previously looked after children. (see notes 2 & 3)
2. Catholic children with a Certificate of Catholic Practice who are resident in the parish in which the school they are applying for is situated. (see notes 3, 4 & 10)
3. Other Catholic children who are resident in the parish in which the school they are applying for is situated. (see notes 3 & 10)
4. Other Catholic children. (see note 3)
5. Other looked after and previously looked after children. (see note 2)
6. Catechumens and members of an Eastern Christian Church. (see notes 5 & 6)
7. Children of other Christian denominations whose application is supported by a minister of religion. (see note 7)
8. Children of other faiths whose application is supported by a religious leader. (see note 8)
9. Any other children.

**Within each of the categories listed above, the following provision will be applied in the following order.**

The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 9).

### **Tie Break**

Where the offer of places to all the applicants in any of the sub-categories listed above would still lead to oversubscription, the places up to the admission number will be offered to those living nearest to the school. Distance will be the walking distance measured from the

home to the main entrance of the school. The route will not go through parks, private property or unlit footpaths, and will only use designated pedestrian crossing points for the A13 and the Royal Docks.

### **Tie Break For St Joachim's (ONLY)**

If the governors have to decide between applicants in any of the above admissions criterion the tie break will be: straight line distance (as the crow flies), starting with the nearest address. In the event of two or more children living equidistant from St. Joachim's Catholic Primary School nominated end point (front entrance of Newham Dockside, 1000 Dockside Road, E16 2QU), the place will be decided by drawing lots, the first name drawn will be offered the place.

The Local Authority uses an Industry Leading and Council approved Geographical Information System (GIS) to calculate straight line measurements. This system provides distances in miles and yards to three decimal places using a routing database system, based upon two dimensional maps. Contour, elevation or terrain is not taken into account when the distances are measured.

### **Start point of calculation (home address)**

For calculation purposes the local authority uses the best address database available to determine the location of the address start point.

This start point is the centroid point of within the property building boundary. The property buildings used are based upon the UK's definitive map base supplied by the UK's national mapping agency Ordnance Survey (OS).

This means if a child lives in a block of flats where a communal entrance used as an entry point the LA will use the centroid of the block and not the individual flat for these calculations.

All calculations are based on the child's home address supplied on the application form being correct at the date of parental/carer's signature and the address being classified as a residential property on the Council's database.

### **End point of calculation (St Joachim's Catholic Primary Schools nominated end point)**

The school's nominated end point used for calculation purposes is the main entrance of Newham Dockside 1000 Dockside Road, E16 2QU. No other entrance or school entrance will be used to calculate the distance.

### **Route**

The shortest route is calculated using the straight line distance (as the crow flies) from home to the main entrance of Newham Dockside 1000 Dockside Road.

The route starts and is measured from the pupils

home address centroid, links to the nearest point on the Ordnance Survey MasterMap Integrated Transport Network (ITN), then follows the shortest straight line route to link to the nearest ITN point to the school's nominated entrance and then ends at that nominated entrance.

All routes are measured using data from Ordnance Survey, the officially recognised national mapping agency. Where necessary we have enhanced this dataset to reflect the characteristics that aim to best deliver our adopted local standards.

### Second Stage Tie Break

If the LA's system calculates that two or more pupils applying for the same school in the same year group have the same home to school/ nominated end point distance (to three decimal places) the following criteria is used to determine their priority.

For pupils who live in flats, whether they are within a block or a house, priority will be given based on the floor the child lives, with the lowest floor having priority over higher floors.

In all other cases random allocation would be used to determine which of the children will be offered the place available. A member of the Admissions Committee will be responsible for drawing the name of the successful applicant and the draw will be overseen by an independent adjudicator who will not work in St. Joachim's Catholic Primary School or have any involvement with the admissions processes.

### For applications from outside of Newham

The route starts and is measured from the pupils home address, links to the nearest point on the Ordnance Survey MasterMap Integrated Transport Network (ITN), then follows a straight line measurement (as the crow flies) to the nearest point on the Ordnance Survey MasterMap Integrated Transport Network on the Newham borough boundary, then a straight line to link to the nearest ITN point to the school's nominated entrance and then ends at that nominated entrance.

### Application Procedures and Timetable

To apply for a place at these schools in the normal admission round, you must complete a Common Application Form (CAF) available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 4 and 6-8. The SIF should be returned to the school office to which you are applying by **15th January 2022**.

**For each Catholic Primary School, or Voluntary Aided School, named on the CAF a SIF must also be completed. The SIF must be returned to each school named on the CAF.**

You will be advised of the outcome of your application on 19th April 2022 by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

**If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6, and this is likely to affect your child's chance of being offered a place.**

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is **15th January 2022**.

### Late Applications

Late applications will be administered in accordance with the London Borough of Newham Primary Co-ordinated Admissions Scheme. Applicants whose Common Application Form (CAF) is received by the third Friday in February in the year of expected admission will be sent their outcome on national offer day. Applicants whose CAF is received after the third Friday in February in the year of expected admission will be sent their outcome within 10 days of their application – with the first offer day being five days after national offer day. You are encouraged to ensure that your application is received on time.

## Admission of Children Below Compulsory School Age and Deferred Entry

See page 32

## Admission of Children Outside their Normal Age Group

See page 33

### Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term in July 2022.

**Inclusion in the school's waiting list does not mean that a place will eventually become available.**

### In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting the school office for which you are applying.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

### Fair Access Protocol

See page 37

### Nursery

For children attending the school's nursery, where applicable, an application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where the child is already attending the school the place itself, where it is satisfied that the offer or the place was obtained by deception.

## Notes (These notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority, i.e. the governing body of the school] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

### A looked after child is a child who is

- (a) in the care of a local authority
- or
- (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest

(who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church).

4. 'Certificate of Catholic Practice' means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests;

<http://www.dioceseofbrentwood.net/departments/education/school-admissions/>

5. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. 'Children of other Christian denominations' means: children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as

witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and of CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. 'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 7 above and which falls within the definition of a religion for the purpose of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity Law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

9. 'Brother or sister' includes:

- (i) all natural brothers and sisters, half brothers and sisters, adopted brothers and sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address, and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

Examples of those who will not be considered as siblings: Cousins, friends, other family members living in the same home, other children living in the same household who are not included in the list above, children who share the same child-minder or children of a child-minder.

10. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child and any person who has care of a child.

11. For the purposes of this policy, parish boundaries are as shown on the attached map and will be applied to the admission arrangements for [September 2022]. Distances will be measured from the home to the main entrance of the school, or Newham Dockside 1000 Dockside Road, E16 2QU in the case of St Joachim's. Please note that we do not use routes through parks, private properties or unlit footpaths and we only use the approved crossing points for the Docks and A13. [Map attached]

# ST LUKE'S CHURCH OF ENGLAND PRIMARY SCHOOL DETERMINED ADMISSION ARRANGEMENTS

For admission from september 2022

At St Luke's Church of England Primary School, we believe that working in partnership with parents to develop the whole child is the key to their future success. To this end, we have developed an approach that uses a creative curriculum designed by our own staff to motivate our children and this works in tandem with our music, sports and pastoral offers. Our curriculum links different subjects into one core learning quest each half-term from discovering about Volcanoes in Y3 to the murder mystery of the Princes in the Tower in Y5. This enables us to develop our reading, grammar and writing skills and apply them whilst learning about science, history, geography or art aspects, rather than teaching them in isolation. Some subjects remain outside of this curriculum such as maths (we use the Singapore approach) RE and PE unless they fit into a topic naturally.

Our 'whole child' approach means we use a broad offer to help each child find something around which they can build their confidence thus finding the key to unlock their potential. These 'keys' may be around our Eco status (we have our fifth flag putting us in top 100 schools in England - Keep Britain Tidy also used our children to make videos for You Tube on how to run a successful Eco committee).

In music, we work in a close partnership with Newham Music to offer bespoke learning across all year groups and all of Newham Music's Saturday Orchestras operate out of our school, meaning our children do not pay any fees to attend the fabulous music sessions on Saturdays. In sports, we have achieved 'Gold' participation awards for the last 3 years and have been the Newham Girls' Football champions for the last 3 years and are also the current

Boys' champions as well as excelling at many other sports tournaments. We have seen many children discover and develop a talent in one of these areas that has led them to grow in confidence when tackling academic challenges and this approach has resulted improved outcomes.

Our staff work incredibly hard to keep improving themselves and the offer for our families. This drive for excellence goes back over 150 years to the founding of the school and is something that the governing body monitor and assist. I look forward to meeting you so I can show you around our lovely school where every child and every family are known, understood and cherished. Please visit our website at [www.st-lukes.newham.sch.uk](http://www.st-lukes.newham.sch.uk) for more information.

## Introduction and legal overview

See page 20

## Consultation

Formal consultation took place between Monday 29th October 2018 and Monday 5th December 2018. St. Luke's Governing Board consulted with:

- parents of children between the ages of two and eighteen;
- other persons in the relevant area who in the opinion of the admission authority have an interest in the proposed admissions;
- all other admission authorities (primaries) within the relevant area (primary schools need not consult secondary schools);
- whichever of the governing body and the local authority who are not the admission authority;
- any adjoining neighbouring local authorities where the admission authority is the local authority.
- Diocese of Chelmsford.

All references in this document to previously looked after children in the Code mean children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

## Publication and availability

See page 20

## Compulsory school age

See page 21

### Published Admission Number (PAN)

The Published Admission Number (PAN) is the number of places available in a school/academy for the year of entry. This is calculated using a Department for Education capacity formula.

The PAN is only applicable to reception but for St Luke's and the majority of school located in Newham the number of places available in other year groups is the same as the PAN.

A child cannot be refused admission to the normal year of entry on the grounds of prejudice to the provision of efficient education and efficient use of resources unless the published admission number has been reached.

Outside of the year of entry it is expected that the PAN will continue to be applied for In Year admissions. However, if circumstances at the school have significantly changed since the publication of the admission number, a place may be refused even if the admission number has not been reached, as a cap on the PAN may have been introduced.

The admission number (AN) for St Luke's is 30.

### Supplementary information form (SIF)

For both normal and In Year, applications can only be considered under one of St Luke's criterion of the school's oversubscription criteria where the applicant has completed and submitted the schools SIF. These are available from the school and must be returned directly to the school not Pupil Services and not as an attachment to your eAdmissions applications. Where a SIF is not received the application can only be considered under the non faith criterion. SIFs without

the correct common application form (CAF) cannot be considered as the CAF and not the SIF is the actual application.

### Gifted and talented children and those who have missed part or whole school years.

See page 26

### Looked After and Previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A looked after child is a child who is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

### Previously Looked After Child

A child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

An adoption order, in England, is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

### Worship

St. Luke's CEVA Primary School recognises Christian churches who are members of:

Churches Together in Britain and Ireland

Churches in the Evangelical Alliance

Any other faiths are those eligible to serve on the Newham Standing Advisory Council on Religious Education (SACRE) other faiths panel.

<sup>1</sup>An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

**Note:** in order to be given highest priority for admission, a child has to fall within the definition of 'looked after' in section 22 (1) of the Children Act 1989. As this Act applies to England and Wales, a child has to be looked after by an English or Welsh local authority in order to be given highest priority.

In addition, in order to fall within the definition of a previously looked after child, an adopted child must have been adopted under the Adoption and Children Act 2002 but as this Act did not come fully into force until December 2005, it is not possible for a child to have been adopted under that Act prior to then. This means that children adopted between 1989 and December 2005 under the Adoption Act 1976 will not be entitled to be prioritised in Group 1. However, as residence orders and special guardianship orders were brought into force by the Children Act's 1989 and 2004 and there was no applicable legislation before these Acts all children subject to a special guardianship order or residence order in place immediately after being looked after will be placed in priority group 1 above.

### **Practising**

St. Luke's CEVA Primary School recognises Practise as at least fortnightly attendance at the place of worship.

This must be supported by receipt of a fully completed School's Church Attendance Confirmation form from a Church leader or relevant faith leader.

### **Religious Membership**

Membership must be affirmed by the Priest/Leader and would be for at least 6 months prior to national closing date for admissions to Reception or 6 months prior to date of submission for late or In Year applications. For people recently moved into the area previous membership is taken into consideration including overseas. Governors will consider evidence of attendance from your previous faith leader.

### **School offer and alternative allocations**

Where St Luke's has places available applicants will automatically be offered a place unless they have been permanently excluded in the last year, or have an Education Health Care Plan or Statement of Special Educational Needs. For these children LB Newham follows the SEND and Exclusion regulations and local protocols.

All school places are offered on condition that the information provided on the application form is accurate at the time of submission.

If at any time St Luke's has more applications than places available the oversubscription criteria will be applied to determine which children can be offered a place or the child's waiting list position where the school is full.

Newham cannot guarantee that any alternative allocation will be close to the family's home, but it will be within the borough boundary.

St Luke's cannot guarantee that siblings will be placed in the school. If this is the case and an alternative allocation is required for all of the children as parental preference cannot be met, or the parent has agreed via their application form, the Authority will attempt to place all the siblings or the majority of the siblings in the closest school that can accommodate the maximum number of the children, even if individually they could have been placed in separate schools closer to their home address.

If a parent/carer of a compulsory school aged child is unhappy with the school offered they must still ensure their child is admitted to and regularly attends that school unless they can provide evidence they have suitable alternative education for their child, or they no longer need a school place in Newham as they have moved away and can prove they are in the process of securing education for their child outside of Newham

### **Acceptances and refusals**

For normal admissions where a place for St Luke's is offered Pupil Services will automatically register your acceptance on their records – unless you fully complete and return the refusal section of the offer letter. This means parent/carers can be confident that their offered place is secured.

If a parent/carer completes and submits the refusal form, if a satisfactory reason is supplied the place will be withdrawn and Pupil Services will write confirming the place will no longer be available for their child. Where the reason is unsatisfactory and indicates the child may be missing education an officer for the named school or the Local Authority will contact the family to seek further information and provide advice on next steps.

For starting primary school, where a parent indicates on the Pan London eAdmissions portal they are refusing the place offered, Pupil Services will contact the family to determine why the child no longer requires the place and what alternative education is being provided.

### St Luke's Admission Oversubscription Criteria For entry from September 2022

St Luke's is a Church of England voluntary aided primary school. The governors admit 30 pupils to each year group. If there are more applications for places than the number of places available, places will be offered according to the following order of priority: Children with an Education Health Care Plans who name the school will be admitted to the school before any other applicants are considered ahead of the following categories and will count towards the 30 places available.

If there are more applicants than places the governors' Admission Panel allocate places according to the following over subscription criteria – in order of priority:

1. Looked after child and any child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the London Borough of Newham to have been in state care outside of England and ceased to be in state care as a result of being adopted. (Point 15)
2. Children whose parent or carer who have a practising

membership of St Luke's Church, Victoria Dock. (Points 15 &16)

3. Children whose parent/carer have a practising religious membership of a Church of England church. (Points 15 &16)

## ADMISSION ARRANGEMENTS FOR ACADEMY AND FREE SCHOOLS

### Harris Academy Chobham - Admission arrangements for 2022

#### Nursery provision

1. The Academy Nursery has an agreed admission number of 52 full-time equivalent pupils. The nursery school will be split into two sessions (Morning and Afternoon) – 52 applicants will be accommodated in each session in a mixture of full-time and part-time places.

**Admission to the nursery does not guarantee admission to the Academy's Primary provision, and a separate application must be made for transfer from the Nursery to the Primary provision.**

If undersubscribed, all applicants will be admitted. If oversubscribed, the following criteria will apply in the order of priority shown.

#### Nursery provision oversubscription criteria

2. Looked after children or previously looked after children as defined in the Schools Admissions Code, and any child adopted prior to December 2005.
- 2.1 Children who, on the date of admission, will have an older sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister who will be living with them at the same address at the

- date of their entry to the Academy) in the nursery or in years R-6 of the Academy. Proof of the sibling relationship will be required (short birth certificates).
- 2.2 Children of staff at the school where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrative skill shortage.
- 2.3 Children who live in East Village by random allocation. Proof of residence will be required (Council Tax bill, utility bill).
- 2.4 The remaining places will be offered to pupils who live nearest to the front gates of the Nursery phase site of the Academy, that is distance from the Academy entrance in a straight line. Proof of residence will be required (Council Tax bill, utility bill).

#### Primary aged provision

- 3.1 The Academy has an agreed admission number of 90 pupils. The Academy will accordingly admit at least 90 pupils in the relevant age group each year if sufficient applications are received;

- e) Proof of the sibling relationship will be required (short birth certificates).
- e) The remaining places will be offered to children who live nearest to the front gates of the Primary phase site of the Academy that is the distance from the Academy entrance in a straight line. Proof of residence will be required (council tax bill, utility bill).
- 4.2 The Academy will not admit over 30 pupils to any infant class unless the last place would be awarded to a pupil who has a sibling born on the same date and both children are applying for admission. In that case both children would be admitted.
- 4.3 Once offered a place, parents may defer their child's entry to the Reception class until the child reaches compulsory school age, and parents can also ask that their child attends on a part-time basis until they reach compulsory school age.

3.2 The Academy may set a higher admission number as its Published Admission Number (PAN) for any specific year.

The Academy is not required to consult on any proposed increase to the PAN, however it must notify the local authority of the increase and specify the changes on the Academy website.

If oversubscribed, the following criteria will apply.

### Waiting lists

5.1 The Academy will operate a waiting list for each year group. Where in any year the Academy receives more applications for places than there are places available, a waiting list will operate until the end of the first term after the beginning of the school year. This will be maintained by the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

If a parent wishes his or her child to remain on a waiting list after January 1st in any academic year they will need to write to the academy and request this.

5.2 Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. Where in-year or late applications are made and a request made to be added to the waiting list the rank order of children on the waiting list will be recalculated using the oversubscription criteria.

### Appeals

6.1 The school will offer an appeal to anyone refused admission. The appeal will be before an independent appeals panel constituted in accordance with the School Admission Appeals Code. If refused admission you should contact the academy to lodge an appeal.

<sup>1</sup> An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

# PRIMARY SCHOOLS - IN YEAR APPLICATIONS (MID TERM OR MID PHASE)

## Admissions in the school year

### Finding a place at a primary school if you have just moved into Newham or want your child to start at a Newham school

As a parent or carer, you must make sure all your children of legal school age (5-16 years) are educated. The local authority must ensure there are enough primary school places across Newham for all children residing in the borough.

### What this means for you

If you are a Newham resident you only need to apply to Newham Pupil Services unless you want to apply for a school outside Newham. You can name up to six state funded schools (non fee-paying) on the Common Application Form (CAF). You can complete the form online at [www.newham.gov.uk/inyear](http://www.newham.gov.uk/inyear) or call **020 8430 2000** to request a hard copy.

The governing bodies of voluntary-aided faith schools, the academies and free schools, will make decisions on their own admissions, but will advise us and we will let you know the results.

**For admissions for September 2014 onwards, the governing bodies of the state-funded independent schools within Newham have the right to withdraw from the 'In Year' co-ordination process at any time. Check their website for the latest information.**

To apply for a faith school you must complete a Supplementary Information Form (SIF) as well as a CAF if you want to be considered under a faith based priority.

You have the right to name any schools among your six preferences but we strongly recommend that you use one to name your local school as this is the school where your child will have the highest priority for a place.

You will receive the offer or alternative allocation of a primary school place usually within ten school days of your application being received by Pupil Services if your child lives in Newham and is not on roll at a school in Newham and has not been offered or allocated a place that is still available to you.

You can complete a primary school In Year admission form online [www.newham.gov.uk/inyear](http://www.newham.gov.uk/inyear) or phone **020 8430 2000** for a hard copy.

If you make an In Year application you should:

- decide which school(s) you would like your child to go to. We recommend you visit the school(s) you are considering - make an appointment before you go
- for the school year 2021/2022, if you want to apply for a school outside of Newham in another London borough you must check the schools website for the process
- if you live outside of Newham and want to apply for a school or academy located in Newham you must apply

### In Year admissions

Every year Newham's Pupil Services receive over 5000 new In Year (also known as 'mid term' or 'casual') admission applications from parents/carers for children who have recently moved into or returned to Newham or just want their child to attend school in Newham for the first time.

If you live in Newham and want to apply for an out of borough school check that school's website for the process. The admission arrangements for the 2021/2022 school year can be found at [www.newham.gov.uk/changingschools](http://www.newham.gov.uk/changingschools) or call **020 8430 2000**. Do not refer to the admission arrangements in this guide as they are for the academic year 2022/2023.

using the Newham 'In year' CAF and we will tell you and your home borough the outcome of your application

- if you have completed a hard copy of the admission form, return it to **Pupil Services, PO Box 69972, London E16 9DG**

We aim to process your application within five days of receipt by Pupil Services, which may be a few days after it is received in a council office. This means it should be on our database within seven working days of you posting it, if you use first class post.

We then aim to have a decision from all the schools you have named as your preferred schools within ten school days of the schools receiving your application. If you apply just before or during a school holiday the school will not be available to consider your application until they return to work after the break.

### What happens next?

There is no guarantee that we will be able to offer you a place at your preferred schools, as many schools will be full when you apply.

Your child will be offered a place at the school you prefer if there is a place available.

If there are no suitable vacancies for your child at your preferred school, we will then consider the school you have named as your second preference. If that school does not have a suitable vacancy we will consider your third preference and so on to your final preference named on the application form.

If we cannot offer a place at any of your preferred schools and your child lives in Newham we will allocate an alternative place at the closest school to your home address that has a suitable vacancy.

This school may not be near to your home as the schools near your home may not have any vacancies in your child's year group. We will also put your child on the waiting list at your preferred school (see waiting lists, pages 34-35).

# CHANGING PRIMARY SCHOOLS WITHIN NEWHAM

## Admissions for school year 2021/2022

### How to transfer your child from one primary school, located in Newham, to another

#### Think before you transfer

This is a big step to take. Please think very carefully before you decide to move your child from one school to another. You could be damaging your child's chances of doing well at school.

Stability in your child's life is important and remaining in the same school is part of this stability. Moving to another school means that your child will have to get used to new routines, new rules, new teachers and making new friends. They may find it harder to concentrate on their school work.

If you are trying to change your child's school because they are having problems, please speak to the school first before applying for a transfer, as the school may be able to resolve the problem so your child does not have to go through the upheaval of changing schools. **So please think very carefully before requesting a transfer to another school. Is moving school really in the best interests of your child's education?**

#### How to transfer

We recommend that before you ask for a transfer, you discuss your reasons with senior staff at your child's present school. They will be happy to talk over any concerns and help put matters right. If you have done this but still want to move, you should:

- decide which school you would like your child to go to. We recommend that you visit any school you are considering, and make an appointment before you go
- complete an In Year application form for the school you would like to attend by visiting [www.newham.gov.uk/inyear](http://www.newham.gov.uk/inyear) or by calling **020 8430 2000** for a hard copy.

Pupil Services will then send you an acknowledgment your transfer application form and if they are unable to offer your child a new school place within 10 days of them receiving the form.

We will meet your preference for a different school as long as that school has a place in your child's year group. If that school does not have a place, your child will be put on its waiting list and **MUST** continue at their present school in the meantime.

If you do not get a letter offering your child a new school place or an acknowledgement letter within 15 working days of you giving the form to your child's current school for posting, please call Newham Council on **020 8430 2000** who will investigate what has caused the delay.

Please note we cannot guarantee that we will be able to offer your child a place in another school. If your preferred schools are full, your child cannot be transferred.

We recommend that you always name up to six preferences as this will give us more schools to consider for your child's transfer. If you do not get a transfer immediately, naming more schools will mean your child is on more waiting lists.

#### How we offer places

School places are offered as detailed on page 38.

If you want your child to go to a faith school, you must also name the faith schools you would like your child to transfer to on the transfer form as all applications for these schools must be made via Pupil Services.

This means you cannot apply to the school directly. In addition to this form, you must complete a SIF for each faith school you have named and return each SIF directly to the schools.

#### Waiting lists

Please see waiting list information on pages 34-35.

#### Academies and free schools located in Newham

If you want to apply for your child to move from their current Newham primary school to an academy free school you must name them on your Newham application form.

#### Schools outside of Newham

If you want to apply for a school outside of Newham, you must visit the website for the borough where the school is located for the application process.

**For admissions for September 2014 onwards, the governing bodies of the state funded independent schools within Newham have the right to withdraw from the 'in year' co-ordination process at any time. Check their website for the latest information at the time when you are applying.**

# HOW TO APPEAL FOR A PLACE AT A SCHOOL OR ACADEMY LOCATED IN NEWHAM

## Independent appeals

Our appeals process is fully compliant with the Department for Education's School admissions appeals Code, and the temporary changes to the regulations issued 24 April 2020 [www.gov.uk/government/publications/school-admissions-appealscode/changes-to-the-school-admission-appeals-coderegulations-during-the-coronavirus-outbreak](http://www.gov.uk/government/publications/school-admissions-appealscode/changes-to-the-school-admission-appeals-coderegulations-during-the-coronavirus-outbreak)

We commission the Newham Independent School Admissions Appeals Service (NISAAS) to provide an independent clerk to the appeals panel and that clerk appoints the panels, all of whom are fully trained by a legal professional.

## Children with an Education, Health and Care plan

For children with an Education, Health and Care Plan (EHCP) the process outlined below does not apply. If a family disagrees with the decision made by the local authority regarding their child's education they can appeal to the Special Educational Needs and Disability Tribunal.

Before lodging an appeal we recommend parents/carers get independent advice from SENDIASS **0203 373 0707** or email [sendiass@newham.gov.uk](mailto:sendiass@newham.gov.uk)

## Who can request an independent appeal hearing?

All applicants refused a place at any of their preferred schools have the legal right to appeal against the decision and have your case heard by an Independent Appeal Panel, unless the application is withdrawn.

This means you cannot appeal for a school if the family have not already applied and been refused a place or if an application for a school was made but later withdrawn.

## How often can an applicant appeal?

Normally only one appeal can be lodged for the same school for each school year group.

However, if a family who have already appealed have a significant change in their circumstances a second appeal may be agreed. The admission authority for the school will review the detail of the family's new circumstances and decide if a second appeal should be granted.

## What can a family not appeal for?

Whilst all applicants refused a place at a preferred school have the right of appeal, this does not include a place in:

- Any school they have not applied or where the preference has been withdrawn or they have not applied for the new term
- A different year group to that determined by the child's date of birth

- An SEND Resource Provision or special school (see note above re EHCPs)
- An Alternative Provision (AP).

## How to lodge (apply for) an appeal?

Before deciding whether to appeal, parents/carers should read each school's published policy for admitting pupils, think about their reasons for wanting their child to attend the school and the strength of their case. For example saying a child likes the school, their friends attend or the school has a good reputation may not be sufficient to have a successful appeal.

## Schools located in Newham (except Harris Academy Chobham)

- Complete and submit the simple online application on Newham website. [www.newham.gov.uk/schoolappeals](http://www.newham.gov.uk/schoolappeals)  
Or
- Call the Council on **020 8430 2000** and ask for a paper copy of the appeal form. Then complete and submit the form to **Newham Independent School Appeals Service (NISAAS)**, 1000 Dockside Road, London E16 2QU

## Harris Academy Chobham

- Complete the process detailed on their website <https://www.harrischobham.org.uk/923/appeals-policy?search=appeal>  
Or
- Call the school for a form **020 3747 6060**

## Schools outside of Newham

For all schools outside of Newham families can find out about their appeals process by visiting the school's website or by calling the school.

## Can I get advice on what to say in my appeal?

Parents/carers can email Pupil Services [pupil.services@newham.gov.uk](mailto:pupil.services@newham.gov.uk) or call on **020 8430 2000** for general advice about what happens in the hearing and how to structure a case (known as written and verbal representations).

Neither the local authority nor the school you are appealing for can give advice on the content of an appeal as they made the decision to refuse the offer of the place and they will be defending this position at the hearing.

To help prepare their written and verbal representations we strongly recommend appellants speak to members of their family and friends who they trust to give good advice. If the family has a social worker or other professional support worker, they should be able to assist.

### What happens after lodging an appeal?

Applicants who lodged their appeal online will receive an automatic acknowledgement (receipt with a unique appeal reference number) that will provide more information. If this does not arrive within an hour email [educationappeals@newham.gov.uk](mailto:educationappeals@newham.gov.uk) for advice.

### What happens next?

Ten working days before your hearing (until the end of the temporary regulations this will be 14 days before your hearing) appellants will:

- Receive a letter from NISAAS advising you where, when and how your appeal will be heard and the names of who will be present. It will usually be during office hours at Newham Dockside, Newham Town Hall or another suitable venue. If the law permits a virtual conferencing facility, for example Zoom maybe offered as an option
- Be sent a formal statement (known as written representations) from the Admission Authority explaining why the school could not offer a place and why the school cannot admit additional children.

If the appellant knows any of the panel members, they must declare this to NISAAS before the hearing starts, stating how they know them.

From when the appeal is lodged up to the day of the hearing, the appellant should be preparing their own case; this is known as written representations. This should include any documents that can verify the facts of the case, such as medical evidence or letters.

For supporting documents to be considered by the Independent Panel, these must be submitted at least one day before the hearing.

### What is the timeline?

Appeal hearings are time tabled for every month during term time but the period of time between when an appeal is lodged and when it is actually heard is set in law.

#### Normal admissions:

The normal point of entry to school is September, as part of a transition from one year group to another. For example entry to reception classes or infant to junior transition.

For all applicants whose school applications were submitted in time for an outcome to be sent to them on national offer day 19 April 2022, appeals must be heard within 40 school days of their deadline for lodging appeals.

The deadline for lodging appeals for September 2022 entry will be 23:59 on **Monday 16 May 2022** for reception and year 3 entry.

For all applicants whose school applications were submitted too late for the outcome to be sent to them on national offer day 19 April 2022, appeals must be heard where possible within 40 school days of their

deadline for lodging appeals, or within 30 schools days of the appeal being lodged.

#### In year admissions

In year admissions are where a place is applied for outside of the normal entry points for example when a family arrive in Newham from overseas or elsewhere in the UK during the school year.

There is no closing date for lodging an in year appeal, the only requirement is that you have not withdrawn your application for the school.

An in year admission appeals must be heard within 30 school days of the appeal being lodged.

### Who attends the independent appeal hearing?

Appellant and their optional support

- Friends and family
- Advocate
- Legal representative

We strongly recommend that appellants attend the hearing as they may provide vital information to the case on the day. However the case can be heard in their absence if they notify NISAAS, do not want to attend or just fail to attend on the day and have not already requested another date.

#### Independent clerk

The clerk has knowledge of the School Appeals Code, the School Admissions Code, other law relating to admissions and other relevant law, and is able to offer advice to enable the panel to undertake its judicial function.

The clerk's role is to provide an independent and impartial service. They will provide an independent source of advice (or seek appropriate advice) on procedure and on admissions law; keep an accurate record of proceedings by taking detailed notes; and provide the parties with written notification of the panel's decision.

#### The Independent Panel

The panel will consist of three people, one from each group below and the third can be from either group.

One of the panel will be Chair. They will lead the meeting and have a casting vote in any split decisions.

- Lay people being someone without personal experience in the management of any school or provision of education in any school, (except as a school governor or in another voluntary capacity)
- People who have experience in education, who are acquainted with educational conditions in the local authority area.

Members of the panel will have no link to your child's current school or the school you are appealing for or any other school that forms part of your case.

#### Admission Authority Presenting Officer

The Presenting Officer's role is to present the admission authority's decision not to admit the child and to provide

detailed answers to any questions about the case and about the school.

#### **Local authority special educational needs advisor**

Where a child has special education needs (SEN) but does not have an Education Health and Care plan, the admission authority may sometimes request that an SEN advisor (not linked to the school) attends to provide specialist information to the panel.

#### **School representative (optional)**

If the presenting officer is not from the school, the school may send a representative to support the presenting officer. Their only role is to answer specific questions about the school and provide important information.

#### **Observers**

Observer may attend some hearings. This is usually for training purposes or to review the process – they will play no part in the hearing.

### **What are the different types of hearings?**

Your appeal maybe heard as part of a multiple group appeal or as an individual hearing.

The panel members can ask questions at any time throughout any type of hearing.

#### **Multiple group appeals**

Multiple appeals are arranged when a number of appeals have been received in relation to the same school.

Admission authorities must take all reasonable steps to ensure that the same panel hears each of the multiple appeal hearings. Where this is not possible and more than one panel has to consider appeals for the same school, each panel must make its own decision independently. A panel hearing multiple appeals must not make decisions on any of hearings until all the appeals for that school have been heard.

#### **Individual hearing**

An individual appeal is where the hearing is only with one family throughout – for stage 1 and stage 2.

### **Order of the hearings**

#### **Stage 1**

1. Introductions.
2. Final opportunity for all parties to disclose knowledge of each other.
3. The chair of the appeal panel explains the appeals process and the order of business to all parties.
4. The admission authorities presenting officer explains why the child was not offered a place at that school, known as the Admission Authority's verbal statement.
5. The appellant and the panel questions on the Admission Authority's statement.

#### **Stage 2**

**Appeal hearings only move to stage 2 if the case is not upheld upon conclusion of stage 1**

6. The appellant or their friend or formal representative explains why they think the child should be admitted to the school and supply any supporting documents that may help their case.
7. The presenting officer and the panel ask the appellant questions about their case.
8. The presenting officer from the admission authority will sum up their case.
9. The appellant is given the opportunity to sum up their case.
10. If the chair is happy that everyone has had an opportunity to sum up their case, the appellant and the presenting officer from the admission authority will be asked to leave.

For multiple group appeals, the order of the hearing is the same but at stage 1 the presenting officer will state his case to a group of parents/carers all appealing for the same school, in the same year group. Each group will then have an opportunity to question the presenting officer as a group. This means all parties will hear the questions and the answers.

Following the group section of the appeal after the conclusion of Stage 1, if applicable the hearing will move to Stage 2. At Stage 2 each appellant will then have a private hearing where they present their own case.

### **How does the panel make its decision?**

Apart from infant class appeals (reception and Year 1 and 2 classes – see below) the panel conduct a two-stage process:

**Stage 1:** The panel may find that the admission arrangements did not comply with admissions law or had not been correctly and impartially applied, and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied;  
OR

The panel may find that the admission of additional children would not prejudice the provision of efficient education or efficient use of resources.

If the appeal panel are satisfied with the admission authority's case, it then moves onto Stage 2 to review at the case presented by the appellant.

The panel must balance the prejudice to the school against the appellant's case for the child to be admitted to the school. It must take into account the appellant's reasons for expressing a preference for the school, including what that school can offer the child that the allocated or other schools cannot. If the panel considers that the appellant's case outweighs the prejudice to the school, it must uphold the appeal.

For all year groups from reception to year 6 in multiple 'group' appeals, the panel must not compare the individual cases when deciding whether an appellant's case outweighs the prejudice to the school. However, where the panel finds there are more cases that outweigh prejudice than

the school can admit, it must then compare the cases and uphold those with the strongest case for admission. Where a certain number of children could be admitted without causing prejudice, the panel must uphold the appeals of at least that number of children.

### Infant Class appeals (reception, year groups 1 and 2)

The School Standards and Framework Act 1998 (SSFA 1998) amended by The Education Act 2002, placed a duty on local authorities and the governing bodies of maintained schools to limit the size of infant classes to 30 pupils per qualified teacher.

Due to the Infant Class Size Legislation, independent appeals panels are limited in the way they can make decisions on the outcome of appeals and therefore significantly reduces the possibility of your appeal being successful.

Where a child has been refused admission to a school on infant class size prejudice grounds, an appeal panel can only offer a place to a child where it is satisfied that either:

**FACT A** whether the admission of an additional child additional children would breach the infant class size limit;

**FACT B** whether the admission arrangements (including the area's co-ordinated admission arrangements complied with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998;

**FACT C** whether the admission arrangements were correctly and impartially applied in the case(s) in question;

Then the panel goes on to **FACT D** Did the Authority act "unreasonably". The word "unreasonable" is a legal "test word". The threshold for finding that an admission authority's decision to refuse admissions was not one that a reasonable authority would have made is high. For this to apply the panel would need to be satisfied that the decision to refuse to admit the child was:

'perverse in the light of the admission arrangements' i.e. it was 'beyond the range of responses open to a reasonable decision maker'

OR

'a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it'.

### What happens if an appellant is unhappy with the outcome of their appeal?

The decision of the Independent Appeal Panel is legally binding on the admission authority and the appellant. However, if an appellant feels that correct procedures were not followed they may complain to:

### For maintained local authority schools Local Government and Social Care Ombudsman (LGO):

Visit [www.lgo.org.uk](http://www.lgo.org.uk) Email [advice@lgo.org.uk](mailto:advice@lgo.org.uk)

The Ombudsman is not able to overturn the appeal panel's decision however if they agree with your complaint and determine a failure in the process, they may make recommendations for a suitable remedy. For example, that an appeal is reheard by a different panel and with a different clerk.

### For academies including free schools, university technical colleges and studio schools.

### Education and Skills Funding Agency (ESFA):

A complaint to the Education and Skills Funding Agency (ESFA) must be lodged within six months of the date of the appeal hearing.

The ESFA will investigate the complaint on behalf of the Secretary of State if it considers there are sufficient grounds to do so.

### Can anyone overturn the decision of the independent panel?

Neither the Local Government Ombudsman nor the Secretary of State for education can review or overturn the decision of an appeals panel.

Only the courts can review and overturn an appeals panel decision where the appellant or admission authority is successful in applying for a judicial review of that decision.

## SPECIAL EDUCATIONAL NEEDS (SEND) AND PHYSICAL ACCESS NEEDS

### Special Educational Needs and Disability (SEND)

If your child has been identified as having SEND, teachers at your child's school can provide extra help where needed.

Through our funding arrangements, pupils with complex SEND are also able to access appropriate provision within their local schools.

All mainstream schools in Newham have children with SEND on roll. Schools have funding to support these children and we provide top-up funding in a small number of cases. We offer appropriate support to the majority of children in local schools. We also reserve a small number of places in schools with resource provisions and there are two special schools.

In a small number of cases we make a detailed assessment of your child's learning needs. The assessment will involve your child, you, the school and a range of other professionals including doctors, nurses, therapists, social workers and educational psychologists.

As a result of this, we may issue an Education, Health and Care Plan (EHCP) or a note in lieu. The EHCP will give the child and their parents certain rights to ensure that the support they need is in place and the parents are able to express a preference for the school where their child is educated. The views of the child, young person and their parents/carers are central to that process.

The current funding arrangements to mainstream schools mean children can receive appropriate support without having a statutory assessment and EHCP.

If you apply for a place in a school which has resourced provision, it does not necessarily mean that your child will be placed in that provision, even if they have special educational needs.

All places in resourced provision and special schools are allocated by the 0-25 SEND service following assessments and reviews of the child's needs. Most children can have their needs met in local schools without needing resourced provision or special school places.

The SEN section can be contacted on **020 3373 1810** or by post to **SEN section, Newham Dockside, 1000 Dockside Road, London E16 2QU**.

## SCHOOL MEALS

Lunchtime meals are available at all primary schools in Newham. There has never been a better time for your child to stay for a school lunch. Every primary school child has the opportunity to have a free school lunch in all primary schools located in Newham.

All parents/carers of children in Newham should register for free school meals (even if they do not think they are currently eligible) so we can automatically review your eligibility every week. Don't worry, your school can help you with the registration process or you can visit [www.newham.gov.uk/fsm](http://www.newham.gov.uk/fsm)

### Nutritional guidelines

All school menus should follow the standards laid down by the Department for Education's School Food in England Standards March 2019.

## HELP YOUR CHILD'S SCHOOL GET EXTRA FUNDS

**Every child attending primary school in Newham automatically receives a free school lunch everyday, however a child's school could get extra funds of £1345 from the Government called Pupil Premium if parents/carers apply for free school meals and they are assessed as being in receipt of the qualifying benefits.**

## ELIGIBILITY

Your child may receive free school meals if you get any of the following benefits:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guarantee element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Children who get paid these benefits directly, instead of through a parent or guardian, can also get free school meals.

Your child might also get free school meals if you get any of these benefits and your child is both:

- younger than the compulsory age for starting school
- in full-time education

If your child is eligible for free school meals they will remain eligible until they finish their current phase of schooling (primary or secondary) they are in or 31 March 2022.

## EXTENSION OF FREE SCHOOL MEALS ELIGIBILITY

During the coronavirus (COVID-19) outbreak, the Government are temporarily extending free school meal eligibility to include some children of groups who have no recourse to public funds (NRPF).

These groups are:

- children of Zambrano carers
- children of families with no recourse to public funds with a right to remain in the UK on grounds of private and family life under Article 8 of the European Convention on Human Rights
- children of families receiving support under Section 17 of the Children Act 1989 who are also subject to a no recourse to public funds restriction
- These groups are subject to a maximum household income threshold of £31,500 per year for London, and £28,200 for areas outside of London. See the London/outside London section if you are unsure as to which threshold would be applicable for your circumstances. These thresholds are subject to review.

The Government are also temporarily extending eligibility to children of a subset of failed asylum seekers supported under Section 4 of the Immigration and Asylum Act 1999. This group is not subject to a maximum household income threshold due to the fact that these families are not able to work.

## TRAVELLING TO PRIMARY SCHOOL

All Local Authorities in England must have a Home to school travel and transport policy to meet the requirements of The Education and Inspections Act 2006 sections 508B and 508C relating to home to school travel arrangements. These sections place a duty on local authorities to ensure that suitable travel arrangements are made, where necessary to facilitate a child's attendance at school meaning the 'relevant educational establishment' for the child.

The law states in order to comply with our home to school travel and transport statutory duties London Borough of Newham must:

- Promote the use of sustainable travel and transport; **and**
- Make transport arrangements for all eligible children.

The duty applies to "home to school" at the start of the day, and "school to home" travel arrangements at the end of the day. It does not relate to travel between school sites or other educational institutions during the school day or to and from extra-curricular activities, these are the responsibility of the child's education provider.

To comply with the statutory legal framework the London Borough of Newham has formulated this Home to school travel pass policy which forms part of the CYPS Home to school travel and transport policy suite. [photocard.tfl.gov.uk](http://photocard.tfl.gov.uk)

It has been developed in conjunction with Transport for London's ZIP oyster photo card scheme.

### Scope

This policy only applies to children and young people who are:

- Newham residents
- Not eligible for free travel assistance under the current ZIP oyster photo card scheme
- Of school age.

And whose parents/carers apply for a free travel pass for the sole purpose of travelling to and from school in term time.

### Transport for London (TfL): ZIP oyster photo card scheme

All parents/carers are expected to determine their child's entitlement to free or discounted travel under the current Transport for London (TfL) ZIP oyster photo card scheme before applying through the London Borough of Newham.

For more information about ZIP oyster visit <https://tfl.gov.uk/fares/free-and-discounted-travel> or ask at your local station.

### Getting to school

Parents/carers are responsible for ensuring their children attend school regularly and arrive on time each day.

When deciding which schools to apply for, we recommend that parents/carers consider:

- Home to school distance
- The possibility to walking or cycling to school each day
- Transport requirements and any escort arrangements
- Cost of travel
- Impact of travelling to a school on the child, for example travel time and potentially adverse weather conditions
- Connecting with school friendship groups out of school hours.

We want you to promote sustainable travel by encouraging more families to choose to walk or cycle to school. To do this we are committed to making our streets safer and healthier to encourage families to walk or cycle to school. Our Healthy School Streets programme aims to improve the air outside schools across the borough and are safe from cars near the school gates.

We understand that where it is not possible for a family to walk or cycle the cost of transport may be a financial worry.

The Education Act 1996 and the Education and Inspections Act 2006, states Local Authorities have a duty to provide assistance with travel to and from qualifying schools/college for children and young people aged 5-16 in certain circumstances.

### Eligibility criteria for travel arrangements.

The London Borough of Newham has a duty to provide free travel arrangements to residents of the borough who apply and meet the following criteria:

All pupils of compulsory school age (5-16) if their nearest suitable school for pupils.

For these purposes the Department of Education

recognise the nearest suitable school is: as the nearest qualifying school with places available that provides education appropriate to the age, ability and aptitude of the child, and any special educational needs that the child may have.

#### **Statutory home to school walking distances eligibility:**

Below the age of 8 - is beyond 2 miles  
Between ages of 8 and 16 is beyond 3 miles

#### **Unsafe route eligibility:**

All pupils of compulsory school age who:

- Cannot reasonably be expected to walk to nearest suitable school because the nature of the route is deemed unsafe to walk
- and**
- There is no reasonable alternative route, within the statutory walking distance, that it would be safe for them to walk.

#### **Extended rights eligibility:**

Some families may qualify under the extended eligibility rights. These provide free travel arrangements where pupils are entitled to free school meals or their parents are in receipt of maximum Working Tax Credit if the:

- Nearest suitable school is beyond 2 miles (for children over the age of 8 and under 11)
- School is between 2 and 6 miles (if aged 11-16 and there are not three or more suitable nearer schools)
- School is between 2 and 15 miles and is the nearest school preferred on the grounds of religion or belief (aged 11-16).

#### **How we calculate home to school walking distance.**

The London Borough of Newham uses an Industry Leading and Council approved Geographical Information System (GIS) to calculate shortest walking distance measurements from a child's home to school. This system provides distances in miles and yards to three decimal places using a routing database system, based upon two dimensional maps. Contour, elevation or terrain is not taken into account when the distances are measured.

All calculations are based on the child's home address held by their school. Where this does not agree with the address on the application for a travel pass review we will contact both the family and their child's schools to establish the correct home address and why the two are not the same.

#### **Other addresses cannot be considered.**

Applicants to check their home to school distance by visiting <https://www.newham.gov.uk/schoolfactfinder>

#### **Discretionary entitlement**

The law provides local authorities with discretionary powers to go beyond their statutory duties and provide transport for children who are not entitled to free travel or transport.

#### **Application process**

Newham parents/carers whose children cannot secure free travel assistance under the current Transport for London ZIP oyster can choose to apply for a free travel pass to London Borough of Newham.

We do not automatically check the eligibility of all children. Only parents/carers who apply can have their child's cases for a free travel pass considered.

#### **Before applying**

For an application to be considered a child must be:

- A Newham resident, living in Newham for the majority of the week where they will be expected to attend school the next day
- Of school age (from the September for the academic year that a free travel pass is being requested)
- Attending a state funded schools, not a private fee paying school or receiving Elective Home Education (home schooling).

Before applying it is recommended that parents/carers consider the points below, as these are likely to mean they may not be entitled to a free travel pass. Even if they apply to a child it does not mean a parent/carer cannot apply.

- The school they are attending is quite close to your home address
- The school they are attending if a significant distance from your home address, but you named this school as a preference above closer schools
- Your child is attending a school outside of Newham.

Call: 020 8430 2000 for a paper application form.

### How long do applications take to process:

In most cases applications are processed within 15 working days, but this may be extended if further information is required.

### What information is considered?

- Child's age
- Child's home to school shortest walking distance
- Is the school the child is attending in Newham
- Is the school they are attending nearest to their home address
- Was the school they are attending one of their parents preferred schools
- Could they have been offered a place at a nearer school, if it had been named on their school application
- Does the child attend a Resource Provisions for their Special Educational Needs
- Has the child changed their home address since starting at their current school
- What was the child's home to school distance before they move
- Has the parents/carers applied for free schools meals for the child
- Is the child entitled to free school meals
- Has the child been temporarily rehoused by the council
- Is the child studying for GCSE's
- Is the child attending their school for religious or philosophical reasons.

This is not an exhaustive list.

### Notification of outcomes

Outcome notifications are sent by post or email; the letter will clearly advise, if the child is entitled to free travel pass. If yes (eligible), the letter will advise:

- Entitlement start and end dates (passes will generally have an end date being the last school day in July of the school year that the free travel pass is being issued for)
- Eligibility criterion
- When and how the child will receive their free travel pass
- Conditions of use
- Renewal information

If no (not eligible), the letter will advise:

- Detail reasons for non-eligibility
- How to request a review of their application by a senior officer.

### Review and independent appeals

Families who apply for free travel assistance and do not meet the eligibility criteria outlined in this policy will have their application refused. For these families the Department for Education expects the Local Authority to adopt their recommended appeals process to

support continuity of approach. The London Borough of Newham has adopted this two stage approach.

A parent/carer has 20 working days from receipt of our request for a free travel pass decision to make a written request asking for a review of the decision.

The review request should outline the areas of the decision they wish to challenge on:

- The travel arrangements available
- Their child's eligibility
- The distance measurement in relation to the statutory walking distances
- The safety of the route
- Their current benefits
- Religious or philosophical reasons.

And provide detail of their specific challenges and provide supporting evidence where available.

To request a stage one review or independent appeal parents/carers must submit their application in writing by completing and submitting our Travel Pass review or appeal application forms located on the Newham website

### Withdrawing entitlement

#### Child meets Transport for London's ZIP oyster photo card scheme.

If a child in receipt of a free travel pass issued by London Borough of Newham subsequently becomes eligible under the Transport for London's ZIP oyster card scheme, the free travel pass will be withdrawn by the London Borough of Newham at the end of the current school term or academic school year.

### Breach of the Transport for London's Young Persons Behaviour Code

If any child or young person living in Newham fails to follow the Young Person's Behaviour Code, commits a crime on London's public transport network or premises or if Transport for London believe they have behaved in an antisocial way, any free travel pass or other financial support with travelling to and from school may be withdrawn.

### Failure to attend school - nonattendance

Where a child or young person in receipt of a free travel pass issued by London Borough of Newham fails to attend school on a regular basis and as a result has high level of nonattendance their continuing entitlement to their free travel pass may be reviewed and their pass maybe withdrawn.

### Applications made using fraudulent or deliberately misleading information.

Where it appears that a free travel pass has been issued based on fraudulent or deliberately misleading information a full investigation will be conducted and any free travel pass maybe withdrawn.

## PROMOTING GOOD SCHOOL ATTENDANCE AND REDUCING ABSENCE

Newham Children's and Young People's Services (CYPS) is committed to helping children and young people benefit from their education so they have the best chances in life irrespective of their race, culture, gender or disability.

We aim to work in partnership with families and schools to raise the profile of good attendance and punctuality. Good habits of attending school regularly and on time prepare children for life as adults in the world of work and should begin early on, as soon as a child starts to attend nursery or school. Children also learn better and socialise better when they attend regularly. They develop confidence and friendships, and are able to feel part of the life of the school. They also achieve much better results when they do their exams.

### Parents'/carers' legal duty to ensure their child is educated when they reach compulsory school age

Parents of children of compulsory school age (5-16 years) are

### Safeguarding Newham Children

Newham Children's Social Care works with families and partners to ensure the wellbeing and safety of children and young people and enable parents to look after their children safely.

Families, neighbours, professionals and members of our communities all play a vital role in supporting children. Most children in our society grow up in a safe protected environment, but a minority do not and need extra help to keep them safe.

The aim of the social care service is to maximise capacity in families and all staff whether social workers, outreach workers and family support workers. We focus on keeping children in their families and communities wherever possible. Where this is not possible we may need to bring a child into care and ensure they are kept safe throughout their childhood elsewhere – which may include through adoption or in foster care.

Working closely with other practitioners in health, schools and the police and other community organisations, we provide a range of services to promote the wellbeing and safety of children in their families.

[www.newham.gov.uk/Child-protection](http://www.newham.gov.uk/Child-protection)

required to ensure that they receive a suitable education by regular attendance at school or otherwise. Failure to comply with this duty can lead to prosecution under Section 443 of the Education Act (1996) and a School Attendance Order will be issued. All young people are expected to remain in education or training until age 18.

**Important Note:** child whose attendance is less than 90% will be considered a persistent absentee and schools may initiate attendance proceedings. 10% absence equates to half a day missed every week, which has a significant impact on progress and attainment.

### Parents'/carers' responsibility in securing regular attendance: what the law says

- If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, the parent/carer is guilty of an offence.
- If in the circumstances mentioned in the above section
- the parent knows that their child is failing to attend regularly at the school and fails to cause them to do so, the parent is guilty of an offence.

**If found guilty of an offence the parents/carers can be fined up to £2,500 and/or face a custodial sentence of up to three months.**

### Local authority responsibilities

- To take legal action where parents fail to secure suitable education for their children by attendance at school, or otherwise
- To satisfy itself the home education provided is suitable
- To make arrangements for the provision of suitable education at schools or otherwise for children of compulsory school age who may not be able to attend school for reasons such as illness or exclusion
- To identify, locate and arrange education for children who may be missing from education (CME).

### Monitoring of school attendance

Schools are required to take attendance registers twice a day. If a pupil is absent, schools must indicate in their register whether the absence is authorised by the school, or unauthorised. Parents/carers are responsible in law for ensuring their children attend school. Attendance should be as near to 100 per cent as possible.

The local authority monitors the attendance rates in schools, and advises on policy, procedures and practice to improve attendance and for letting the school know if the child is unable to attend due to illness or some other unavoidable reason. Newham Council's Attendance Management team helps schools to comply with legal duties in relation to attendance and absence.

### Penalty Notices

Penalty Notices can be issued for a range of reasons related to attendance and punctuality. A Penalty Notice requires a fine of £60 to be paid by each parent, for each child, within 21 days. If the fine is not paid within 21 days, but paid within 28 days, the fine rises to £120 per parent, per child. If the fine is not paid at all, the parents will be prosecuted for the non-attendance. Please note: the government has changed the timescales for payment, to enable prosecutions to be brought more quickly, when necessary.

### Holidays during term-time

Head teachers in Newham can no longer authorise up to 10 days' term-time leave. Penalty Notices can be issued if you take your child out of school in term-time and the pupil's school place may be at risk.

### Children Missing from Education (CME)

Children who are not enrolled in school or in any form of education may be at greater risk from abuse or exploitation. If you are aware of a child who you believe is not attending school, please notify us via email at [ChildrenMissingEducation@newham.gov.uk](mailto:ChildrenMissingEducation@newham.gov.uk) or by telephoning the Attendance Management Service on **020 3373 0390**.

### Child employment, performance licensing and chaperone licencing

If your child wants to take part in performing, entertainment or modelling, their agency must obtain a Performance Licence from the local authority. People who wish to accompany children who are performing are called chaperones. They also must be licenced by the local authority.

If school-age children want to do paid work the employer must apply for a Work Permit. Hours of work are strictly limited for school age children, and they are prohibited from certain types of employment.

For further information please email us at [child.employment@newham.gov.uk](mailto:child.employment@newham.gov.uk) or call the Attendance Management Service on **020 3373 0390**.

We work with children, young people and their families and with schools, Health Visitors, local hospitals, maternity services, GP's and Social Care to deliver the Healthy Child Programme. The Healthy Child Programme 5 - 19 years is the early intervention and prevention public health programme.

### School Entry Health Assessment

Before your child starts school we will ask you to complete an online school entry health assessment. This is a series of questions about your child's health and wellbeing. We will contact you if there are any long-term health needs or if you have identified any concerns or worries so we can discuss them further.

The information you provide on this form is confidential and not shared with your child's school unless you give us consent. We will first contact you to discuss before we share any information.

### National Child Measurement Programme (NCMP) and Hearing and Vision Programme

During your child's first year of school, we will see them for the National Child Measurement Programme (NCMP), this is where we obtain their growth measurements (height and weight) and calculate their Body Mass Index (BMI). We will also perform a hearing and vision test to identify any hearing and/or vision loss and make the necessary referrals to specialist services for ongoing support. There are some eye conditions that can be improved if they are identified and treated before the age of 8 and it is important to identify any hearing and/or vision loss early to minimise the impact on their learning and development.

We will write to you before starting either of these programmes and give you an opportunity to opt-out if you do not want us to include your child in either of them.

You will receive written feedback about your child's results, receive further advice and advise you if it has been necessary to make onward referrals.

### What we do

In addition to the screening programmes, the School Health Service provides face to face and virtual support in the following areas:

- emotional health and wellbeing
- school readiness and transition to secondary school
- managing complex and additional health needs

- monitoring growth and development
- vision and hearing screening
- support with growing up and preparing for adulthood.

We also offer support when more help is needed with:

- specific parenting issues
- additional and long term health conditions
- accident prevention
- emotional health and well-being
- domestic abuse
- bullying
- dealing with exam stress
- special educational needs
- drugs and alcohol misuse
- looked after children and young carers.

We also provide health promotion sessions in primary and secondary schools on a variety of topics including:

- healthy eating
- oral hygiene
- puberty
- hygiene.

### Long Term Health Conditions and Individual Health Care Plans

If your child has a long term health condition we will meet with you to complete an Individual Health Care Plan, these are written and agreed in partnership with yourself, your child's school, your child's GP and any other health professionals who may be involved in the care of your child's condition.

This support is provided when:

- medication is required in school and/or
- daily support in school is required and/or
- there is a risk for the need of emergency intervention.

### Community events

The School Health team are often present at community events such as The Newham Show, if you see us there come and say hello!

### Referrals

We accept referrals from schools, Social Workers, GP and all other health professionals and from parents/carers and children and young people themselves. You can either fill in a referral form online which can be found on our website:

A young boy with short, dark hair, wearing a white school shirt, is looking intently at a book. He is in a classroom setting, with other students and a teacher visible in the blurred background. The lighting is bright, suggesting a sunny day. The text is overlaid on a teal semi-transparent box at the bottom of the image.
