INSET DAY: Friday 22nd October 2021
Monday 25th October 2021 to Friday 29th October 2021
SCHOOL RE-OPENS ON:
Monday 1st November 2021

Dear Parents, Carers and Children,

Only two weeks until half-term; where does the time go? School is a really exciting place to be right now with clubs up and running, classrooms buzzing with learning and children going out on trips almost every day. Normality is a big step closer and school is all the better for it.

KS2 Handball Competition

We are super proud of our handball team! They entered the KS2 Year 5&6 Mixed Handball Competition this week and, although eleven other schools were involved, they came back as champions. According to Kai Parkinson, our coach, they really worked well together as a team, were respectful to their opponents and there were also some strong leadership displays. Joseph O'Brien got a special mention for encouraging the team when they were up against it. In the final they faced Sandringham, who had edged a group game 1-0 earlier in the tournament. This time though the Brampton team ran out 4-1 winners – a superb achievement and a boost we all need.

School Uniform

It is lovely to see most children in the correct uniform. The key areas where there are still some gaps are footwear and PE kit. If your child does not have all black shoes or trainers, or a blue PE shirt, please support your child by ensuring they have these key pieces of uniform for school. As a reminder, all-black shoes/trainers should not have white stripes, soles or any colour elsewhere and football shirts are not appropriate for PE.

Book Fair

Ms Reay was really impressed with the enthusiasm shown for the book fair this week. I hope you enjoy the books you and your child have been choosing, and that you get time this weekend to share some time together to read. I am currently reading Holes by Louis Sachar, which I have read before, but is such a brilliant story.

Reception Story Time

I will be sharing a selection of stories with our reception children today at 3:45pm. If you are able to, please log onto Teams and join me for 20-30 minutes relaxation with some wonderful books.

Have a lovely weekend everyone.

Kevin Reid
Headteacher

Big Talk Home Learning

If children can't say it then children can't write it.

Dear All,

This weekend's BTHL 8th / 9th / 10th October

Sunday 10th October is World Mental Health Day. This is an international day to highlight and promote global mental health education and awareness.

Who do you like talking to about your thoughts and feelings and where do you feel most comfortable having these conversations?

News from Upper Phase - Year 4

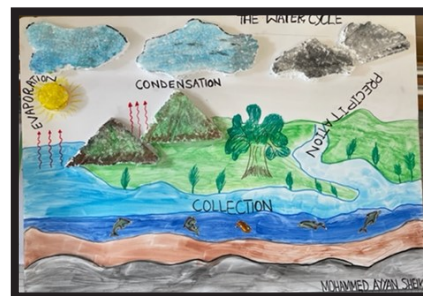

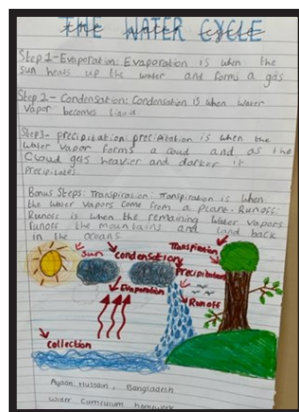

The Year Four pupils have been working hard this half-term to settle back into their learning routines, acquire new knowledge and develop a range of skills. They began the term with Inspiration Day to create a sense of awe and wonder around the topic, *Why Is Water Wonderful?* The children explored different bodies of water around the world, from the River Thames to the Amazon River. By creating a water cycle in a bag, the children could explain why the water cycle is important, what the different stages are and name some important water sources.

This half-term in mathematics, the children have been applying their knowledge of place value in different contexts. They have learnt how to round four-digit numbers to the nearest 10, 100 and 1000. They have also explored what renaming means in the context of addition and subtraction. They have been drawing bar models to show what finding the difference between two numbers involves, and they have been contrasting them with bar models showing addition.

In English, the children have been focusing on understanding personalities, and themes within the text, *The Lion, The Witch and The Wardrobe*; they have developed their retrieval and inference skills. This week, they are continuing to plan and draft their own narrative with themselves as the central character. The children find themselves going through a wardrobe into another realm where they meet their own nemesis. Their writing has been improved by including fronted adverbials and description to engage their readers and to create suspense.

The pupils have learnt about the water cycle in geography. How does the water cycle affect our planet? How does the water cycle support life? Why is the water cycle important to humans? How do humans affect the water cycle? These were just some of the questions the children raised and answered this half-term. We have very much enjoyed seeing the home learning projects that have been undertaken.

Tibet class have thoroughly enjoyed their swimming sessions at Newham Leisure Centre this term; we know that China class children are counting down the weeks to their turn. The children have grown in confidence in the water and are embracing the new skill set that they have acquired.

As always, we promote regular reading outside of the classroom as we know the positive impact that this has on children's understanding of the world around them, their vocabulary and spelling development. We very much appreciate the efforts of parents and carers to support their children at home to consolidate the learning in school.

Birthdays in Year 4

None

Inclusion

Please note parents whose children are waiting for a diagnosis can also access this support group.

Please see link below to book yourself onto the registration:

Parent support group

For parents of children with additional needs

**1st Friday of every month except January and August
10 – 12noon**

Come along to a session for parents which covers:

- advice on carers allowance and disability living allowance for children
- holiday, equipment and financial support from charities
- parenting support and behavioural support
- services including therapies for speech and language
- training for parents

Parents will also have the opportunity to meet other parents of children who may have a similar diagnosis to their child.

Walk ins for this session are welcome. For more information contact the Specialist Health Visiting Team on 020 8586 6484.

West Ham Lane Health Centre, 84 West Ham Lane, London, E15 5PT

Other Information

Flu Nasal Spray/Injection

If you have a child in Reception to Year 6, we will be visiting your school to give the Flu nasal spray. We are also offering the Flu Injection which **does not contain gelatine**. If you would like your child to have the Flu injection please ask reception staff for a consent form and then return it to your child's Teacher.

If you are having any trouble completing the consent form or need any further information please call this number

Telephone: 0208 214 1393/0208 214 1394

Protect your child. The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.

Protect you, your family and friends. Vaccinating your child will help protect more vulnerable family and friends.

HeadStart in the Community

Hello everyone and happy Autumn!

As you know, HeadStart Newham is a lottery funded programme that sits within the London Borough of Newham.

From September 1st, HeadStart has made some changes to our universal offer and within this newsletter, we will share with you, what this now looks like.

We will also be sharing upcoming activities, courses and training opportunities available to parents, children, young people and professionals, living, working or studying in Newham.

If you would like a section in our newsletter, please email HeadStart.ProgrammeTeam@newham.gov.uk

To keep regularly updated on what's happening at HeadStart and other organisations, follow us on all social media platforms and visit our website.

HeadStart Peer Parenting Autumn Course

HeadStart offers parents a mix of parenting courses, befriending service and a chance to have a coffee and chat with other parents in the community going through similar/ the same situations.

Our Peer Parenting courses run for 9 weeks, three times a year. Each term we offer minimum 4 courses, which are currently held virtually over zoom due to COVID restrictions. However, these are usually delivered out in the community with the additional offering of a creche were possible.

What makes our course unique?

It is delivered for parents, by parents.

To find out more about what parents have had to say about the course, you can watch a short video clip on YouTube here: <https://www.youtube.com/watch?v=eAV-dh8TJVA>

Autumn Term Peer Parenting Course now available to book, see dates and details below:

Tuesdays (On Zoom)	Wednesday Canning Town Community Library	Thursdays (On Zoom)	Thursdays Canning Town Community Library (Delivered in Urdu)
Start: 28th Sept 2021 End: 30th Nov 2021 Time: 10am-12pm	Start: 6th Oct 2021 End: 8th Dec 2021 Time: 12pm-2pm	Start: 30th Sept 2021 End: 2nd Dec 2021 Time: 6-8:00pm	Start: 23rd Sept 2021 End: 25th Nov 2021 Time: 10am-12pm

To register your interest and book a place on one of the sessions above, please visit our website here:
