

Name:.....

Class: Argentina, Brazil, Chile, Peru

Year 6 How important are the similarities and differences between and within religions?

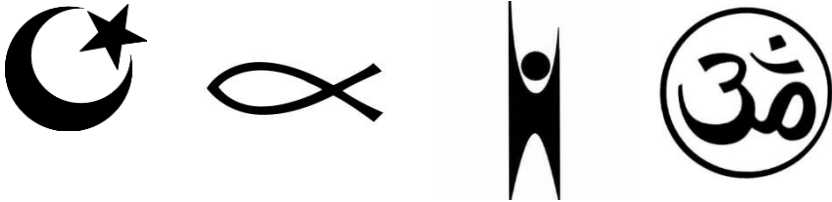

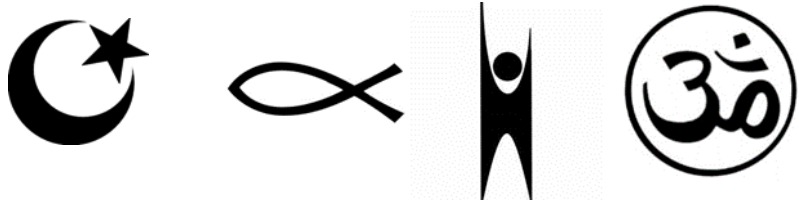

Autumn 1 What similarities and differences do religions and world views share?

Religious Education: Pupils should be taught to explore the differences and similarities within Christianity, Islam, Hinduism and Humanism. They will understand the concept of worship and community and will compare the meanings of these concepts in the context of their own lives and other people's.

What would you like to find out about this topic?	What will you never forget about this topic?
---	--

Working towards: I can identify some religious and worldviews symbols and describe what the words 'worship' and 'community' mean.	Expected: I can describe what different religions and worldviews think about worship and community and can give examples of both in practice.	Greater depth: I can compare what different religions and worldviews think about worship and community and I can describe my own experience of these concepts.
