- Christmas School lunch

#### Friday 3rd December

- Yr 1- Thames Clipper and Emirates Air Line visit- Ireland & Wales
- Yr 5—Science Museum visit ( all classes)

**Don't forget to wrap up warm!**

Dear Parents, Carers and Children,

### Parent Governor Elections

Thank you for taking the time to vote for the nominees for the parent governor vacancy. Being a school governor is a vitally important role, as they have a responsibility to help guide the strategic direction of the school so that your children receive the best education possible. The voting was a close-run thing with all

three parents offering a strong skill base with which they would benefit the school. I am pleased to announce that Ms Michala Dobriasova will be the new parent governor.

### Winter Clothing and Labelling

With winter settling in, it is important that your child has a warm, and preferably waterproof coat to wear for break times. We expect children to be outside in most weather conditions, and only in the wettest, or potentially dangerous conditions do we keep children in. It is also essential that you write your child's full name inside the coat. Children go out to play, get warmed up and take their coats off, often leaving them about the school. Returning what are often expensive items of clothing is made much easier if the child's name is inside.

As the nights get darker, please do talk to your children again about crossing roads safely and wearing clothes that help them to 'be seen'. See Mrs Hardie if you would like a Road Safety sticker for your children's coat or book bag.

### Kindness Calendar

For December, our School Council have decided they would like to put together a Kindness Calendar. The calendar will contain one kind act to complete a day and will continue the anti-bullying work we have been doing in school. This week, in our assembly time, classes came up with their own ideas. For example: greeting everyone with a smile and a 'hello'; giving a compliment; speaking to a new person or making someone a 'thank you' card. We are looking forward to seeing what a difference using the Kindness Calendar makes in school!

### Children in Need

Thank you for your donations last Friday. In total, we raised £600 but the final amount has yet to be totalled up in full.

Christmas Dinner on Thursday 2<sup>nd</sup>, Christmas Jumper Day coming up on the 10<sup>th</sup> December.

Have a lovely weekend

Mr Reid

## Big Talk Home Learning

**If children can't say it then children can't write it.**

Dear All,

**This weekend's BTHL 26<sup>th</sup> / 27<sup>th</sup> / 28<sup>th</sup> November**

**As the evenings get darker, it is important to remind ourselves what the rules are for crossing roads safely. It is important to think about how we can keep ourselves safe (physically and emotionally) in lots of situations.**

**How many ways can you think of to stay safe?**

# News from Lower Phase - Year 1

We have had a fantastic start to the term! In the wider curriculum, to begin our topic on **Special People and Special Places** we are investigating, **How has London changed in the past 150 years?** We had an inspiration day where we looked at items from the past. They included a display of books, pictures and artefacts that showed transport, household items (such as lighting and telephones), food, music, houses, landmarks and clothing from the 19th and 20th century. The children then went on to learn about an event even further back in history – they learnt about the gunpowder plot which took place in 1605 and how Guy Fawkes tried to destroy the Houses of Parliament. The children then went on to learn facts about London landmarks (old and modern) and worked together in groups build their own landmarks out of straws. They also enjoyed creating their own pictures of the Houses of Parliament by looking at the works of Monet. During our history lessons this term, the children have been learning about various types of transport, music and clothes from the past. The children were able to discuss and distinguish between the past and the present and what was used then and now.

In English, the children have been learn- this week's text was Dear Greenpeace. Greenpeace does and how they help look their own poster to show how we can save letters Emily sent to Greenpeace and what Emily could do to free it. The children by identifying key words from the text and practise using their phonics skills to spell in writing simple sentences, remembering of a sentence and a full stop at the end of

ing about letters and correspondence and The children are learning about what after the environment. They also created our planet. They were able to discuss the about seeing a whale in her pond and were able to develop their reading skills answering questions. They continue to words and they also have made progress to include a capital letter at the beginning a sentence.

This week in maths, the focus has been on subtraction. The children have been using various resources and methods, such as crossing out, ten frames with cubes to count and using the whole-part diagram. They used one-to-one correspondence and demonstrated different strategies to support them when counting the objects. The children have been learning to use mathematical vocabulary such as: subtract, take away, minus and less. At home, you can encourage children to count objects around the house, or on your way home from school, and practise counting on and counting back.

## Birthdays in Year 1

Abrar, Jahin, Ikra, Jaden Rayyan, Krisha, Nidal, Emily and Noor-Fatima

# Inclusion

WE ARE NEWHAM.

## Therapeutic Workshops

We are excited to launch another round of online therapeutic workshops. We welcome **all young people and families in Newham** to our workshops. They can be open to CAMHS, but **do not need to be open to CAMHS** to access the workshops and can sign up directly on Eventbrite.

We have upcoming workshops on topics such as:

- *Managing mood (8<sup>th</sup> December)*

**well being**  
NHS  
East London  
NHS Foundation Trust

## THERAPEUTIC WORKSHOPS

Newham CAMHS offers online therapeutic workshops for young people and parents/carers who live in Newham and would like advice and support to improve their mental health and wellbeing.
