- Last day of term

Wednesday 5th January

- Return to school

Christmas Holiday
Monday 20th December
2021 - Tuesday
4th January 2022

Dear Parents, Carers and Children,

I want to thank the whole school community for being so understanding and supportive during the difficult time we had last week. I have had many messages of support for what was an unprecedented closure of the school: every staff member truly appreciates that.

Winter Reading Challenge

Please check out the poster for Newham's Winter Reading Challenge, which is happening in all libraries across Newham. Encourage your child to come into local libraries and to take part. As soon as we receive it, we will send you a link to a YouTube video which will tell children all about the challenge.

<https://brampton.newham.sch.uk/wp-content/uploads/2021/12/Winter-Reading-Challenge-10.12.2021.pdf>

Join in and have fun!

Free food and fun during the Christmas holidays! Newham Council is offering free places at holiday clubs during the Christmas holidays. These places are primarily for children aged between 4 and 16, **who are eligible for or are in receipt of free school meals.**

If your child is eligible follow this link www.newham.gov.uk/haf to access up to date information about the programme.

Pantomime

This week our Nursery and Reception children enjoyed a magical Christmas storytelling experience. Rebecca, from Bigfoot Arts Education, came in to share a story about The Greediest Christmas Elf. The story was about Tinker McJingles, who is the greediest of all the elves in Santa's workshop. She eats the mince pies, opens the presents, breaks the toys and uses up all of the Christmas wishes. Mrs Claus was at the end of her tether with the chaos she caused! The children participated brilliantly, following Mrs Claus' instructions to stop Tinker from getting up to mischief. The children were incredibly animated and seemed to thoroughly enjoy the story. Please ask your child to tell you all about what Tinker got up to.

Have a peaceful and relaxing weekend,

Kevin Reid

Big Talk Home Learning

If children can't say it then children can't write it.

Dear All,

This weekend's BTHL 10th / 11th / 12th December

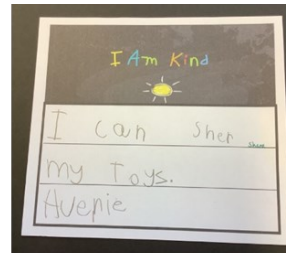

The United Nations' Universal Declaration of Human Rights will be honoured on Friday 10th December – known as Human Rights Day.

What should we be doing to ensure that every human has their rights respected?

News from EYFS - Reception

Our topic for this half term has been *People Who Help Us*. The children have been learning about people within our communities and have been fortunate enough to have a fantastic range of visitors come into the school and talk about how they support our local community. The children have developed their literacy skills through a range of books related to this half term's topic including: *Detective Dog*, *A Superhero like You*, *The Smartest Giant in Town* and *Zog and the Flying Doctors*. We have had visits from a police officer, a doctor, nurse, paramedic, road safety officer, a vet, a zoo keeper, a postman and a dental nurse. Thank you to all of the volunteers who spent their time talking to the children about what they do. The children loved listening to all our visitors' stories.

After a visit from a local Postman, the children decided to create a thank you card for someone in their family. We then ventured out on our first trip of the year to post our letters. The children used the skills they learnt from our local Road Safety Officer to walk sensibly to the post box. We would all like to say thank you to the parents and carers who supported us on our very first trip!

We began this half term with a celebration of Diwali. The children enjoyed a special musical performance from one of our very own members of staff, who brought in their harmonium and performed songs in both Bengali and Hindi. We shared a sensory story with the children where they were able to taste different foods, smell new scents and look at the different outfits that are worn during a Diwali celebration. The children also enjoyed reading the book *The Best Diwali Ever*. In maths, we have been consolidating the children's understanding of number through topics such as: counting to 20, subitizing, recognising the cardinal number, one to one correspondence, one more and one less. Please continue to support your children with their counting and number skills to help them embed their learning.

As we come to the end of this half term, the children are extremely excited as they prepare their Nativity performances. They have been working incredibly hard over the half term to learn a number of songs, lines, and dance moves. We hope you will all enjoy their performances.

Thank you for all of your hard work and for supporting the children this half term. We hope you all have a wonderful Christmas break!

Birthdays in Reception

Other Information

We have a shortage of spare underwear, socks, trousers and leggings in our first aid room.

If you have any of the above that your child may have grown out of and you would like to donate them as spare clothing for our school, then please can you drop them off to the first aid room. Please note it is only the items listed above that we are in need of.

Thank you
Mrs Graham
