Autumn Term 1

Building Personal Success

Dear Parents / Carers,

Welcome back to a new year at Brampton Primary School. We hope that you have had a wonderful and relaxing summer holiday.

We are immensely pleased that the children have returned keen and eager to learn and we aim to keep this momentum going throughout the coming academic year.

We are very excited about the learning that is going to be taking place across the curriculum; the whole school topic this half term is 'Wonders of the World' and Year 2 are going to be answering the question: 'What makes London Wonderful?'

Please do not hesitate to approach the Year 2 members of staff with any queries or questions you have about the curriculum and your children's time in school.

Home Learning:

Please ensure that your child reads (and is read to) as often as possible; we would advise a minimum of 5 times a week for at least 15 minutes. This is an excellent way for your child to develop new vocabulary and build their comprehension skills.

Please ensure children are spending time on Times Table Rock stars learning their Times tables. Class teachers will be checking this regularly.

Please start thinking about the Home Learning project that will be due at the end of the half term. The project should be based on The Great Fire of London.

Home learning will be sent out every Friday, there is no need to send any work into school, if you would like to share your children's work please post it on Teams or send it to the Year group email: year2@brampton.newham.sch.uk.

Please feel free to ask the Year 2 staff any questions you have regarding your child's learning and how best you can support them in their transition from Year 1 to Year 2.

Kind regards,

The Year 2 team
