Friday 3rd June 2022

STAFF INSET DAY — SCHOOL CLOSED:

Monday 6th June 2022

SCHOOL OPENS AGAIN ON:

Tuesday 7th June 2022

Dear Parents and Carers,

What a fantastic start to the summer term!

I have been overwhelmed by the positive comments from parents, children and staff regarding my new appointment. If you were able to attend the morning and afternoon sessions on Thursday, where I took the opportunity to introduce myself to you and share my ambitions for our school, I would like to say a massive thank you. Your feedback was overwhelmingly positive and your suggestions regarding improvements, were really informative.

We would love to begin a PTA (parent-teacher association) at Brampton. PTAs are a great way of getting to know other families and staff whilst making a real contribution to the quality of school life. Fund-raising is a major part of a PTA's activities and directly contributes to the improvement of the school, but there's a lot more to it than that. PTAs provide a great way to build the whole school community, which benefits the school and offers a positive influence within the local area. If you are interested in joining, please look out for information regarding this later in the term.

We are currently in the process of upgrading our school website. Our aim is to ensure it is more user-friendly and accessible, featuring updated pictures of our children, news events, diary dates and other useful information. We hope to launch it by the end of Summer 1.

The summer term is always one of our busiest so please keep a watchful eye out for our special events. This term we have a Y4 residential, the Young Voices concert at the O2 and our Year 6 children will be sitting their standardised assessment tests (SATs). Summer 2 brings our fantastic Sports Day, led by Mr Gillingham, and our Achievement Evenings which will be held in school, face-to-face, for the first time in two years. This will be led by Mr Woodhouse.

A reminder that the school will be closed on Monday next week, due to the May bank holiday. For those of you who will end Ramadan with Eid celebrations at the end of the long weekend, Eid Mubarak. I hope your celebrations are joyful and spent with loved ones.

Once again, I would like to thank all of you for the support and encouragement I have received over the last two weeks. I am incredibly proud of our school and the work we do, and I look forward to working alongside you to continue to improve our school community.

Have a wonderful long weekend!

Ms Tracey Baillie

Acting Headteacher

Big Talk Home Learning

If children can't say it then children can't write it.

Dear All,

This weekend's BTHL 29th / 30th April/ 1st May

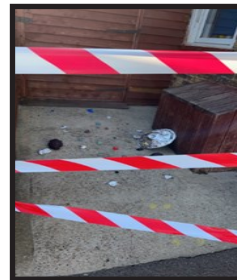

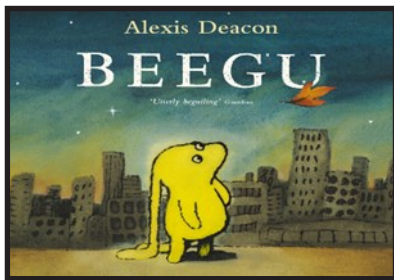

At the start of May, the Muslim members of our community will celebrate the end of Ramadan and take part in Eid celebrations.

What is your favourite celebration and why?

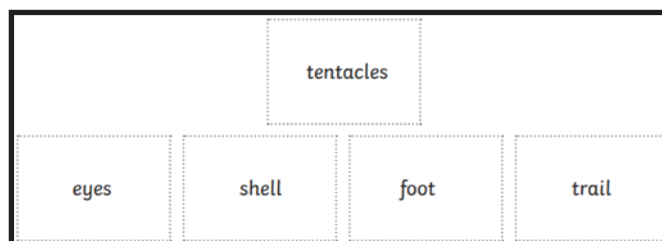

News from lower phase —Year 1

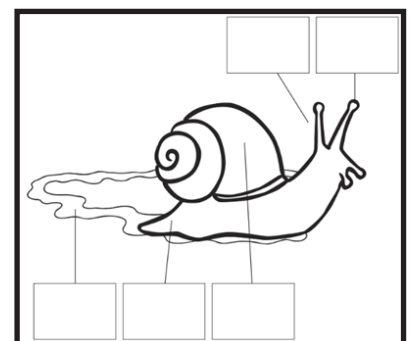

In English, the children in Year 1 are focusing on stories and texts that involve travel and explorers. This links to our whole school's summer term topic: **Travelling and Explorers**. The children were on the edge of their seat whilst listening to the story of *Beegu* by author Alexis Deacon. The story is all about a foreign, cute alien who crash-landed on Earth! The children loved the opportunity to role-play how the character, Beegu, was feeling and thinking on Earth. They worked hard on their describing skills and to build an adjective wordbank to help them form interesting sentences independently. The children were also in for a shock when they found Beegu's spaceship alongside some rocks and sand in the playground. This allowed the children to really explore different language and vocabulary in their descriptions of Beegu's planet.

In maths this week, the children in Year 1 focused on building their number skills to 100. They strengthened their knowledge in recognising and counting 10s through songs, number charts and visuals. They worked with their learning partners to recognise place values and were able to make 2-digit numbers using their dienes and on their whiteboards. The children enjoyed comparing numbers, they learnt to find and give reasons and explanations for their answers on which number was more and which number was less.

In science this term, the children in Year 1 are learning about animals including humans. They started their science lessons looking at invertebrates; cold-blooded animals with no backbone! The children found looking at common invertebrates, such as snails, very enjoyable especially learning about the different body parts, the movements of the invertebrates and how they live. They are definitely not put off by the oozing slime or tentacles!

Birthdays in Year 1

Alyanah, Amelia, Melissa, Nylah-Marie,
Ruwaizah & Saad
