Thursday 19th May 2022

- Science Museum visit - Scotland & Wales class

Monday 23rd May 2022

- Kittle photography - Whole school

Young Voices

I am positively beaming with pride because of our wonderful children at Brampton. On Friday last week, I joined Mr Kennaway and his Y5/6 choir on a trip to the O2 to participate in the Young Voices choir performance. Young Voices is the largest

children's choir in the world and, this year, there were over 7000 children singing their hearts out to a wonderfully supportive audience of parents, family and friends. The atmosphere was electric, the songs were moving and fun, and our children were awesome! Not only were they well-behaved, representing our school exceptionally well, but they sang with passion and enjoyment. Even though we only got back to school just after 10:30pm, it was well-worth the long day and preparation. Thank you to all of our beautiful singers, and to Mr. Kennaway for his contagious love of music and commitment towards our Brampton choir.

Year 4 Residential to Fairplay House

Our Year 4 pupils who went to Fairplay House last week, had an amazing time. They went for a two night residential visit, during which, they took part in a range of activities designed to develop their resilience, independence and teamwork skills. This was the second residential that Year 4 have taken part in and, as usual, our children were fantastically well-behaved. Our thanks go to Miss Stefanie Reay for

leading the trip and the rest of the team: Mrs Sheri, Miss Nareshkumar, Miss Chadni and Mrs Dally-Fitzsimons.

Year 6 Assessments

This week our oldest children completed their standardised assessment tests (SATs), an assessment which primary schools have not administered for two years, due to the pandemic. Last week, we took extra care to remind our Year 6 children to relax, do their best and recognise the hard work and commitment that has been put into their primary school journey. Adults encouraged them to put the assessments into perspective, and to try not to feel too stressed. We have been incredibly impressed by how mature, sensible and calm they have been throughout the week and we wish them well for a successful result. Our aim is to ensure every child makes good progress at Brampton Primary School, no matter what their starting point, and we have every confidence our Year 6 children will feel proud of their achievements. Thanks and congratulations must go to all of the Year 6 team – children and adults – and all of our parents, who support their children at home with regular reading, and all other homework tasks, on a regular basis. Well done for all your hard work.

Have a wonderful weekend!

Ms Tracey Baillie
Acting Headteacher

Big Talk Home Learning **If children can't say it then children can't write it.**

Dear All,
This weekend's BTHL 13th / 14th / 15th May

This week is Mental Health Awareness Week and the theme for this year is loneliness. One in four people feel lonely some or all of the time and the longer we feel lonely, the more we are at risk of mental health problems.

How can we help and support people in our school who may feel lonely?

News from lower phase — Reception

Our topic for this half term has been 'Travelling and Explorers - Where Can We Go?' The children have been developing their knowledge of the world around them by reading a range of texts from different cultures and places including: *The Swirling Hijab*, *Handa's Surprise*, *How to Catch a Star* and *The Naughty Bus*.

In maths, we have been continuing to consolidate the children's' understanding of number through topics such as: counting to 20, subitising, recognising the cardinal number, one to one correspondence, one more and one less. We have also begun to focus on developing knowledge of number bonds to ten as well as odd and even numbers. Please continue to support your children in their counting and number skills to embed their learning.

Over this half term, each Reception class will also be visiting our local community gardens at Bonney Downs. During this visit, the children will be exploring the changes in the seasons as well as spotting different wildlife. Thank you to all of the volunteers who have helped us on these visits, the children have had a fantastic time!

Finally, this half term we were able to introduce our Parent Reading Mornings. We have loved seeing so many parents and carers come into school with their children to share a story together. Each Friday, the children are so excited to invite you all into school to read with them so please continue to visit. If you have not had the chance to come along yet, we open the main gates at 8:45am every Friday. We would love to see you there!

Thank you for all of your hard work and for supporting the children this half term.

MENTAL HEALTH WEEK TOP TIPS

Connect:

Reach out to someone you've not spoken to in a while - and let people reach out to you. For a conversation with someone or to volunteer to talk to others contact@connectnewham.org.uk or phone 020 3954 3224

Be active

Turn on some music and have a little dance - or go for a walk outside. Find your local park www.newham.gov.uk/community-parks-leisure

See joy

Find one or two things today that brought joy - and yesterday and tomorrow <https://actionforhappiness.org/>

Learn

Learn one new thing today - and share it with someone. Find a course in Newham www.newham.gov.uk/schools-education/adult-community-education-1

Give

Do something for someone else - and let them do something for you. To find out about volunteering in Newham www.newham.gov.uk/homepage/91/volunteering-in-newham
