Back to school

Monday 31st October

Dear Parents, Carers and valued Pupils – our Brampton Family,
I am delighted to be writing in our first monthly Newsletter.

It has been so wonderful to welcome you all back to school for the new academic year. I have thoroughly enjoyed visiting each class from Years 1 to 6. The children have asked me some interesting questions and have also given me some useful feedback on how we can make our school even better.

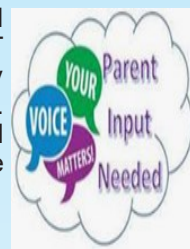

Your feedback matters

I was extremely impressed with the large amounts of parents and carers that attended the Parent Meetings to meet me and the SLT (**Senior Leadership Team**). We all felt extremely supported by the positive feedback we have had from the parent community. Parents asked a range of questions and have given us some good feedback which we will be working on. All the questions will be published on the website alongside my presentation.

Please remember all your feedback is valued so do not hesitate to continue doing so through either:

- Approaching us as at the gate
- Sending in an email for the attention of SLT to info@brampton.newham.sch.uk
- Parent Suggestion Box that has now taken its place in the Reception area

We will be having a Parent Forum every half term and the dates will be shared with you as soon as possible.

Settling in this term

The children have settled in well to the new academic year and the teachers are proud of how enthusiastic and excited the children have been. Well done to our youngest members of our Brampton Family, the reception and nursery children who have had a great month.

We have already have had some fantastic trips such as the Year 6 children enjoying Into University with a trip to Cambridge Campus of Anglia Ruskin University and Tower Bridge. Year 3 also visited East London Synagogue and some children from Cairo, Brasilia and Beijing classes were taken horse riding. How exciting and there are many more trips to come!

Brampton Primary - Rights Respecting School with UNICEF UK

As a rights respecting School, aiming to achieve our Silver Award by the end of year, we will be introducing a new 'Right of the Month' (ROM); every month of the school Year, we will focus on promoting and deepening children's understanding of one of the **54 Rights Respecting Articles**.

For October 2022, this will be:

Article 12 - every child has the right to express their views, feelings and wishes in all matters affecting them, and to have their views considered and taken seriously.

Wishing you a happy and productive month ahead.

Mrs Paven Kettory
Headteacher

Big Talk Home Learning

If children can't say it then children can't write it.

Article 29 (goals of education): Education must develop every child's personality, talents and abilities to the full.

We have had a fantastic start to the new term and are looking forward to seeing the progress the children are going to make this year.

What can you do now that you were not capable of doing this time last year?

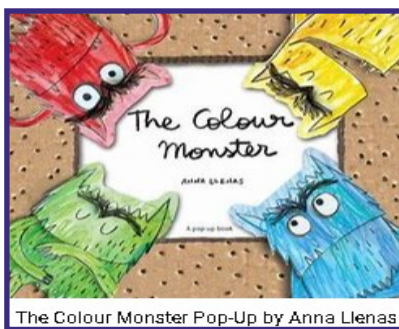

News from Early Years Foundation Stage (EYFS) Reception

This half term we have been focusing on the personal, social and emotional development of our children.

We have provided a smooth transition into daily routines, allowing children to familiarise themselves with their new environment. We have been celebrating our differences and learning about feelings that we may experience.

Through the story 'The Colour Monster' by Anna Llenas, the children explored different emotions which led to creating a whole class Worry Jar.

This has allowed the children to address their worries and build a safe space, which links to our Rights Respecting ethos.

The children participated very well during class discussions and ended the week by creating their own worry doll. We have also talked about the importance of empathy towards others and discussed what makes a good friend.

Birthdays in Reception

Bikeworks - inclusive drop-in cycling club (Queen Elizabeth Olympic Park)

Come along to the Bikeworks' weekly inclusive drop-in cycling club in Queen Elizabeth Olympic Park on Tuesdays and Thursdays.

The clubs offer the chance for people of all abilities and experience levels to try out our range of adapted cycles in an off road park environment. The cycles we have include: standard two wheel cycles, tricycles, side by side cycles, recumbents, hand cycles and wheelchair platform cycles.

Who can attend?

The clubs are free to access for everyone and are drop-in, so you can simply turn up whilst a session is running to attend.

Generally we say **anyone over the age of five** can take part due to the size of our smallest cycles. **The sessions are tailored towards people with SEND.**

When are the sessions?

Sessions occur between 10am-1:45pm just outside the Lee Valley VeloPark, Abercrombie Rd E20 3AB.

Join the Newham Parent Forum

Newham Parent Forum (NPF) is a voluntary group of parents and carers of children and young people (0-25) with special/additional needs and disabilities (SEND) living in Newham. The group works closely with Newham Council and Newham NHS and Clinical Commissioning Groups and also work in partnership with other local support groups so that collectively, they can make a real difference.

The forum also provides a range of information and signposting services as well as a platform for Newham parents/carers to:

- Express their views
- Meet other parent/carers
- Influence current and future services.
