

## Online Training for Parents/Carers: Core Vocabulary Boards (CVB)

### About this Course:

It will focus on what a Core Vocabulary Board is and why and how to use them at home with your child. There will be opportunities to ask questions about topics covered with the Speech and Language Therapists.

**Core Vocabulary Board:** CVB is a form of Augmentative and Alternative Communication (AAC). It is made up of colour-coded core words. Core words are chosen based on the earliest developing words in young children's language and the most frequently used words by adults i.e. the words children hear the most frequently.

This training is appropriate for parents/carers of children and young people **where a Core Vocabulary Board (CVB) is being used in school or has been recommended by a professional**
