# Vision

Very simple...

**I will with you ensure that every single child and adult 'shines' and becomes the best that they can become.**

**'Building personal success'- shared vision**

# Vision

I am a strong advocate of the UNICEF Rights

## Article 3

***‘Every decision we make has to be in the best interest of the child’***

**Article 29** (goals of education)

***‘Education must develop every child’s personality, talents and abilities to the full.’***

**If we get this right then all ‘children will succeed regardless of their starting point’.**

# Vision and passion

- Inclusion Inclusion Inclusion
- If we get it right for our most **vulnerable children** all children will benefit.

# Vision – INTENT

**Intent** – is to embed an enriched (breadth and depth) curriculum that ensures:

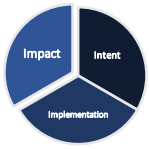

- our children are ready for their next steps as well as jobs that are not even invented yet
- children have a strong sense of identity of who they are- they see themselves in texts, stories and the wider curriculum
- all pupils especially disadvantaged reach their true potential
- Children learn how to be 'safe' and understand their rights enabling them to become morally led **leaders, global citizens and good human beings**
- they have **high** aspirations for themselves and achieve
- to ensure that we give our children the best possible chance through providing an extensive and enriched curriculum, bespoke to our local context

# Vision- IMPLEMENTATION

- For every child to have a 'good + teacher' and TA/SENTA in front of them everyday for every lesson - **How**
  - High Quality First Teaching – **Investment in CPD** (training) and succession planning for all leaders
  - Robust systems in place
  - To have the continued support of the parent/carer community. To ensure that they have a voice

# Vison – IMPACT

## How will we know that the vision has been fulfilled

- Recognised as an ‘Outstanding’ school by ourselves and Ofsted in the next 5 years
- QFT profile demonstrates that the % of teachers through triangulation are good + increasing
- Data at all levels above national and Newham
- Narrowing the disadvantage gaps
- Progress from starting points above all
- Parent, staff and children positive surveys
- RR school with Gold and other Quality Marks (Anti-racist, Mental Health)
- Staff progressing in their careers

## I will:

- lead with **integrity, passion, humility, empathy and fairness** with clear and honest communication to ensure that there is consistency and growth.
- build on the **strong foundations** that already exists and to tap into the **expertise in all fields**

Imminent Ofsted – support the team through an inspection
