

# Sibling Space

An online group for siblings of children/young people with social communication needs or a diagnosis of Autism.

**What is it?** Siblings will have an opportunity to take part in fun activities, ask questions they may have about their brother or sister's differences and share their own experiences with other siblings in a similar situation.

**Who is it for?** Siblings aged 8-12 years who live in Newham or attend a Newham school. They must be able to access group learning online.

**Who will be running the online group?** Staff members (speech and language therapist and specialist teacher/SENCo) from the Language, Communication and Interaction Service (LCIS) and Rosetta Primary School.

**When?** Part 1: Tuesday 17<sup>th</sup> January 2023 and Part 2: Tuesday 24<sup>th</sup> January 2023, both at 4.30-5.30pm. The sessions will be online on Microsoft Teams.

**How can I book a place?** Click on the link below to complete the online booking form:
