

Understanding your child's Autism diagnosis

Newham Autism Workshops for Parents/Carers 2023

Are you a parent/carer of a child or young person who has recently been given a diagnosis of Autism?

You are invited to attend an online 2-part group workshop to learn more about this diagnosis and strategies that can help to support your child.

The workshops will be hosted online by professionals from Newham CAMHS, ELFT SCYPS and LCIS alongside a parent who has support to offer based on their personal experiences.

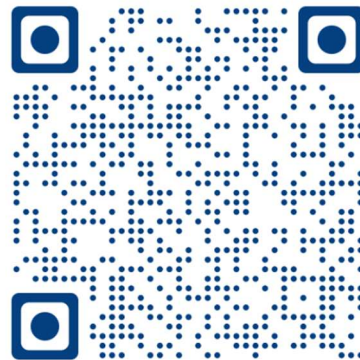

Book a place online using the links below:
