Dear Parents and Carers,

**Re: Summer 2 PSHE Curriculum – Year 6 Human Reproduction Lesson**

Next half term, as part of the Year 6 PSHE curriculum at Brampton Primary, the children in Year 6 will be learning about human reproduction. This lesson will be taught by members of the Senior Leadership Team and the Year 6 teachers. The lesson will include using correct terminology for body parts, a recap on the changes that occur during puberty as well as a discussion on how a baby is conceived and born.

At Brampton Primary School, we include this in our curriculum as this was recommended by the Department for Education as well as our local Newham PSHE Network. Our aim is to provide the children with a safe space to learn this knowledge and where they can ask questions to trusted adults. This is incredibly important in preparing them for their transition to secondary school where these topics are taught as part of the science curriculum. All discussions are age-appropriate and happen in an engaging way that will address any misconceptions that the children may have.

We will be holding a parent and carer workshop where you will be able to come in and see exactly how we will teach the lesson. The workshop will also provide you with a safe space to discuss your concerns, gain information and develop confidence in talking about these sensitive topics at home.

This workshops will be held in the Parents' Room and repeated on the following dates:

**Friday 9<sup>th</sup> June – 9.15am**

**Monday 19<sup>th</sup> June – 9.15am**

**Friday 9<sup>th</sup> June – 4pm**

**Monday 19<sup>th</sup> June – 5pm**

Please use the **Brampton Road gate** and come into the main office to attend the workshop. The workshop will last for approximately one hour.

***Please note that this session is for parents and carers only and is not suitable for children.***

Parents and carers maintain the right to withdraw their child from this lesson. Any parents and carers wishing to do so will need to meet with Headteacher, Mrs Paven Kettory, to discuss their concerns.

Please indicate below if you are able to attend one of the workshops, and return the slip to your child's class teacher or to the school office.

Kind regards,

Mrs Marie Hardie
