Mrs P Kettory
Headteacher

Dear Parents and Carers,

At Brampton Primary, every week, each class is taught a PSHE (Personal, Social and Health Education) lesson. The PSHE lessons are based on the Jigsaw scheme of work and adapted for the children here at Brampton. There is a different topic each half term. In Summer 2, all of the classes from Reception to Year 6 will be looking at the topic: Changing Me.

Parents and carers are given information about these lessons so that they can:

- 1. talk to their child at home about the learning that has taken place in school and
2. seek further information from the school if they have any questions around the content of the activities.

These are the objectives being covered in Year 1 in Summer 2:

Table with 2 columns: PSHE and Citizenship Objectives, Friday Achievement Assembly Certificates. It lists objectives for life cycles, body changes, and emotional literacy, alongside weekly celebration themes for the Friday Achievement Assembly.

In Week 4, the teachers will explain to the children that boys and girls have different private parts and that the technical words for these parts are a vulva for girls and a penis for boys. No visual images will be used. The teachers will explain that our families may have family names for these parts, and that is okay, but it is important to know the technical words too. The teachers will explain that it is not appropriate to talk about our private parts in the playground etc. but if we want to ask a question, we can ask our parents or carers or ask a trusted adult at school.

The story: Moving Molly by Shirley Hughes will be read to the children in Week 6.

If you would like any further information or would like to discuss these objectives in more detail, please do not hesitate to speak to your class teacher or to me.

Kind regards,

Mrs Marie Hardie
Deputy Head Teacher
