## Evidencing the impact of the Primary PE and sport premium

2022-2023 – Sports Premium Evaluation

**Commissioned by** 

Department for Education

**Created by** 

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u>makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider: **Intent** - Curriculum design, coverage and appropriateness **Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment **Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvementsto the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefitpupils
  joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school'sbudget should fund these.

Pleasevisit<u>gov.uk</u>fortherevisedDfEguidanceincludingthe5keyindicatorsacrosswhichschoolsshoulddemonstrate animprovement.Thisdocumentwillhelpyoutoreviewyourprovisionandtoreportyourspend.DfEencouragesschools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2023.** 

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click <u>HERE</u>.

Total amount allocated for 2022/23	£ 23,160
Total budgeted so far for 2022/24	£ 21,172

## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques ondry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue evenif they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of atleast 25 metres?	46% swam at least 24m
<b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary schoolat the end of the summer term.	
Please see note above	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstrokeand breaststroke]?	5m unaided (front crawl, back stroke & breast stroke) = 68%
Please see note above	10m unaided (front crawl, back stroke
	and breast stroke) = 38%
	25m unaided (front crawl, back stroke
	and breast stroke) = 26%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	78% can achieve at least 8 of the 12
	outcomes
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but thismust be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Νο

	Total fund anocated. 125,100	Date Opuale

## Key indicator 5: Increased participation in competitive sport

				I
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding Allocated	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<ul> <li>Headline Intended Impact on Pupils – Increase the number of pupils participating in an increased range of competitive opportunities. Supporting the target for all pupils to be active on average 60 minutes a day, 5 days a week and supporting personal development of all pupils.</li> <li>Ensure provision of competitions is inclusive and accessible to all – linked to life skill development.</li> </ul>	<ul> <li>class system for engaging in competition in lesson time. This means there will be an in class competition for all classes at the end of each unit.</li> <li>Use of pitches and lunchtime competitions.</li> <li>Focus on personal development (key life skills) through competition, bespoke to pupils needs.</li> </ul>	Free £100	Cross school and year group events have provided competition experience. Sports day was highly successful with a variety of activities to enable children to demonstrate their skills.	Competition will be imbedded as a normal element of learning through continued access to class class competitions in class/lesson time. (SOW). This will bear no cost if the SSP funding stops Continued timetabling of PE Team on pitches/lunchtime competitions for additional participation in competitive sport.

Head Teacher:	Paven Kettory
Subject Leader:	Paul Gillingham
Date:	7 <sup>th</sup> November (late evaluation)
