Welcome to Brampton
Primary School PTA!

Hi there, awesome parents
and carers!

I'm **Grace Kenneth-Jimah**,
the **Chair of Brampton
Primary School's PTA**. You
might be wondering what
that is, so let me explain.

What is PTA

PTA stands for Parent
Teacher Association, and
we are a group of
volunteers who love our
school and want to make it
even better for all our
pupils. We do this by
bringing together
parents/carers, teachers
and children to raise funds
and strengthen our
school's sense of
community.

We organise fun and
exciting events throughout
the year to raise money for
the school.

Why does the school need money?

Well, the government has been cutting
education spending for a long time, and
our school's budget is under a lot of
pressure. We want to do our part to
lessen the impact this has on the quality
of education the school provides.

Where does the money go?

The money we raise goes towards
things like:

- Trips to museums, parks, theatres
and other places that enrich our
children's learning and experiences.
- Extra equipment such as books,
laptops, sports gear and musical
instruments that enhance our
children's skills and talents.
- Generally enriching activities such
as workshops, clubs, competitions
and festivals that inspire our
children to explore their passions
and interests.

And more!

How can you help?

- Please come to our next PTA meeting. We need as many people as possible to help with our events and plan new ones.
- If you don't have the time to be part of the PTA, please continue to support our events by attending, donating, or spreading the word. We really appreciate it!
- If you have any skills or ideas that you think could benefit the PTA, please let us know. We welcome any suggestions and contributions, no matter how big or small. You are all amazing and we value your input.
- If you want to donate to the PTA, you can do so by using our bank account details: Brampton Primary School PTA, account number 76997468, sort code 309950. Every penny counts and we are very grateful for your generosity.
- We are also waiting for our charitable status to be approved, which will allow us to apply for grants and set up a Justgiving page. If you have any experience or knowledge in these areas, we would love to hear from you. We are always looking for volunteers who can help us with writing bids and managing our online fundraising.
- Another way you can help us is by finding out if your employer offers matched funding opportunities or volunteering days. These are schemes where your employer will match the amount you raise or donate to a charity, or allow you to take paid time off to volunteer for a cause. These can be very useful for the school and the PTA, so please check with your HR department if they have such programs.
- We are also looking for local businesses that might want to sponsor the PTA and our events, such as our sports day. If you have any contacts or connections with businesses that might be interested, please let us know. We can offer them publicity and recognition in return for their support.

Spring term movie nights

Speaking of fun, did you hear about our spring term movie nights?

They were a huge success! We held two movie nights and raised a total of £894!! Thank you to everyone who volunteered and took part... you are awesome!

The children had a blast watching their favourite films, munching on popcorn and spending time with their friends.

We've got another one planned for Reception & Nursery children and we will announce the date soon. Stay tuned!
