

# Brampton Primary School PTA

## Building Community Together

Dear Brampton Primary School families,

As the sun shines and the school year draws to a close, we want to express our heartfelt gratitude to all the incredible volunteers who dedicated their time and skills to make our PTA thrive this year. Your unwavering commitment has truly made a difference!

### Summer Fair Success!

Our recent Summer Fair was a resounding success, thanks to the hard work and enthusiasm of our volunteers. We extend our warmest thanks to everyone who attended and contributed to the lively atmosphere.

We're thrilled to announce that the PTA raised an impressive £1011 during the fair! This fantastic achievement means we can now support the Year 6 trip and provide additional sports equipment and games for the playground. The PTA also helped fund the purchase of the medals for the graduation of the Reception children.

### Pre-loved Uniform

The pre-loved uniform stall was a hit! Many families found great bargains, and we're exploring ways to make it a regular feature throughout the year. Special kudos to Antonella and Hodan who put tremendous effort into managing donations for the stall.

### Our Vision for the Future

Looking ahead, we envision a PTA that not only raises funds but also fosters a strong sense of community. We want to create connections that go beyond the classroom where parents, teachers and students come together as a supportive network.

First PTA meeting:

**Tuesday 3rd September**

at 6.30pm in the parents room

### Bigger Projects Await

Our sights are set on exciting initiatives. Imagine a shaded playground where our kids can play comfortably even on sunny days. Envision a cosy quiet reading area where imaginations can soar. These are the dreams we want to turn into reality!

### Mark Your Calendars

We've already penciled in a calendar of events for the upcoming academic year. Look out for exciting activities, fundraisers, and community gatherings. Our goal is to host events once a half term, so there's always something to look forward to.

### Get Involved

Whether you're a planning wizard or an execution powerhouse, we welcome your skills and time. Here are some specific skills we need for anybody to volunteer to help us run and plan the events.

- **Volunteer for Instagram:** Help us kickstart our Instagram presence and connect with our school community online.
- **Corporate Connections:** Do you have corporate links? Let's explore volunteer days at work to support our initiatives.
- **Event Planning:** Join our team in planning and executing memorable events.

If you need a DBS check, just reach out to the school office staff who will be able to assist you.

A special thank you to Ouafae for creating our eye catching event posters.

**Warm regards,**

Grace (Chair) and the executive team  
(that is keen to grow)
